REVIVAL AT PRINCETON.

Many Acquisitions to the Church Roll Following a Meeting Conducted by Rev. J. A. Brock.

Princeton Baptist church has just experienced a gracious revival. Pastor J. A. Brock, of Laurens, came to our help on Saturday, August 18th, and preached for nine days. Mr. Brock has never had the advantage in life that he would wish to have, but after a long strenuous struggle, he became convinced and to feel strongly that God wanted him in the ministry of the Gospel. Soon he set out to be one of God's servants and his influence has been greatly felt wherever he has gone. Our people here do not recall a meeting that has reached us so effectively. The Lord was with us in the presence and power of the Spirit. His appeals went straight to the hearts of the people, and the result was, that twenty-nine were received for baptism.

The influence of the meeting upon the Christian people has been marked, and many of us have caught a new vision of the meaning of the Christian life and its great responsibilities.

Mr. Brock captured Princeton with his great gospel messages, and the church is very proud of such a noble, consecrated servant, and we feel that the Lord will greatly bless him in his work, and to this end we are praying. Happy that church that may secure his services in a soil-winning campaign.

"Moral Courage"

It is an unusual and thoroughly charming story that is told in "Moral Courage," the new World-Picture Brady-Made which will be seen on Friday at the Opera House. It tells of the manner in which a canny Scotch lassie who works as a "hand" in the Connecticut mill owned by old Joshua Anson, marries Anson's son, Chadwick, and then when his father disinherit him, wins a fortune in a striking and unexpected manner. Many of the scenes were taken in one of the biggest Connecticut mills and they are notable for the beauty and exceptional news interest. The story itself is a thoroughly charming one and is altogether different from the ordinary story of factory life. It is a consistently pleasing tale without a single discordant note in it. Muriel Ostriche plays the role of the girl and invests her characterization with an unforgettable charm. Arthur Ashley plays the hero in a stalwart, manly manner to win him many new friends. Romaine Fielding directed the production and his direction was little less than inspired. See "Moral Courage" and see one of the most delightful attractions that has ever been filmed.

Big Sales in Maxwells.

The Laurens Motor Car Company is enjoying the biggest business this summer that it has ever had, states Mr. John D. McKee, president. During the month of July the Maxwell sales department, exclusive of the other lines which the company handles, showed a total of over \$180,000 worth of cars delivered to distributors in the company's territory. The August sales are keeping abreast of the July sales and the year's business promises to be the phenomenal. About ten or fifteen cars have been sold in the local territory during the past few weeks.

PATTERSON REUNION.

The fifth reunion of the Patterson family was held August 23rd, 1917, at the Robin Patterson spring near Lanford Station, S. C.

We had a beautiful day, bright and clear with no clouds to mar the pleasures of the occasion. The beautiful spirit of love and good fellowship which permeated the very atmosphere was inspiring to behold as the members of the different branches of this large family mingled together once more on this historic ground which has grown so dear to us all. We missed many familiar faces—some who have gone from us never to return—others were kept away by sickness and other causes; but there were a number of new faces this being the first reunion they had attended. The attendance was the largest we have ever had—144—129 members of the family and 21 visitors.

Three members have died during the year. Mr. W. P. Patterson, the much loved head of the family, but for whom we would not have had these annual gatherings. Resolutions on his death were read by Mrs. R. M. Duckett. Resolutions on Burley M. Langston were read by Prof. J. C. Martin. Mrs. Johnson Hunter was the third member to pass away.

The writer of resolutions on her death could not be present on account of sickness so we failed to have them. There has been one marriage, Alvin Poole and Miss Electra Brewington.

John M. Patterson, Jr., has been added to the role by birth.

Five of our boys have answered the call to the colors and go forth to represent us in the world struggle for freedom, justice and humanity. We bid them Godspeed and proudly place their names on our family honor roll: Clyde DeShields, Eugene Cox, Earle Langston, Carlisle Patterson, Albert Patterson. We extend the thanks of the entire family to the following: Dwight Patterson for his hearty words of welcome; Annie Mae Patterson, for her well rendered recitation; Prof. J. C. Martin, for his earnest prayer; Rev. J. T. Miller, Rev. J. R. Williams and Mr. O. C. Cox for their helpful talks, and Mrs. Alice Mills for music on her Edison phonograph. The officers of the past year were re-elected to serve another year. The bounteous spread of the noontide hour was enjoyed by all.

W. L. Patterson, Chairman.
 Mrs. W. D. Patterson, Secretary.

WATTS MILL NEWS.

Amby, with whom she had made her home for quite a number of years. Her body was laid to rest in the cemetery here Sunday. The funeral service was conducted by Rev. W. T. Mullikin. She was a member of the Baptist church for many years. Aunt Jane, as she was called will be greatly missed by her many friends and relatives as they go in and out the home, and only see the vacant chair. A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

If cross, feverish, sick, bilious, give fruit laxative at once.

Every mother realizes, after giving her children "California Syrup of Figs" that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue. Mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies.

children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

Seven Cousins in the War.

Mrs. C. M. Clarke has just returned from Simpsonville, where she visited her brother, Mr. W. H. Bozman and her sister, Mrs. C. H. Goldsmith. While there the war was a constant source of conversation and was brought home peculiarly to them because seven out of their nine boys are in the service, not one of them having asked for exemption. Mrs. Clarke is the mother of Lieut. A. G. Hart, who is now on his way to Hoboken, N. J., where he expects to receive further orders for immediate service in France.

LAURENS NEWS.

This Case Has a Hint for Many Advertiser Readers.
 This Laurens woman has used Doan's Kidney Pills.
 She has found them as represented. She wishes her neighbors to know. She publicly recommends them. No need to look farther for a tested kidney remedy.
 The proof of merit is here and can be investigated.
 Profit by Mrs. Ledford's statement. Mrs. Janie Ledford, 31 Pleasant St., Laurens, says: "My kidneys were weak and my back was so lame that I could hardly stoop to put on my shoes. I had that worn out, tired feeling and a heavy weight on my shoulders could not have felt worse. I was nervous and drowsy, too. My kidneys acted irregularly and annoyed me greatly. I had dizzy spells and had to put my hand on the wall to keep from falling. Doan's Kidney Pills relieved me of the first, and soon fixed me up good shape."
