Croup.
If your children are subject to croup get a bottle of Chamberlain's Cough Remedy, and when the attack comes on be careful to follow the plain printed directions. You will be surprised at the quick relief which it affords.

NEXT INCREMENT CALLED TO CAMP.

Columbia, Oct. 15.—Orders were received in Columbia yesterday from Provost Marshal Gen. Crowder calling for the mobilization of 10 per cent of South Carolina's full quota at Camp Jackson, the movement to begin October 27 and to continue for five days. The entire personnel of this-increment will be composed of negroes. The number of men in the call is slightly in excess of 1,000. With this deduction, 19 per cent of South Carolina's quota is yet to be mobilized. The percentages in each previous call were: First 5 per cent, white; second, 40 per cent, white; third 26 per cent, negroes. The order reads:
"During the five days' period beginning October 27 complete the entrainment of 10 per cent of your entire net quota. This movement is to be made up exclusively of colored men. All these men will be sent to Camp Jackson Columbia, South Carolina. The American Railway Association will furnish you with schedules showing the specific dates for the movements from each local board. Except for local adjustments made after consultation with the passenger representative these schedules should control.
"Have each local board notify you as soon as possible of the approximate number of colored men it will have ready to send. This information is for the railroad representative. In some instances these men may be sent on ordinary trains, in which event you will be notified by your railroad representative".

WINSTON-SALEM LADY PRAISES IRONIZED PAW-PAW

Could not eat or sleep with any comfort, would wake up at night with shortness of breath.
HAS GAINED 10 L-4 POUNDS IN THREE WEEKS.
Mrs. Claud S. Levier, residing at 1514 Centreville St., Winston-Salem, says:
"Why, I didn't know what a good night's sleep was for the past year or two until I began using Ironized Paw-Paw. I believe I had the worst case of indigestion and sleeplessness on record, along with nervous headaches. I had no ambition to do anything. I began taking Ironized Paw-Paw and within two weeks, to my great surprise, I arose one morning to realize that I had slept the entire night through without awakening once. I have gained 10 L-4 pounds in three weeks and can eat and sleep as well as I ever did.
"My nervous headaches and dizzy spells are now past. My stomach retains all solids without any discomfort whatever. I am convinced that Ironized Paw-Paw is the peer of all other tonics and I am delighted to be able to say so."
A system that is overworked or run down requires a harmless stimulant. Alcohol lifts, but lets you fall. Ironized Paw-Paw lifts and holds you. Your druggist probably keeps it, but if he doesn't, it is sold in Laurens by Laurens Drug Co.
Ironized Paw-Paw, price \$1.00. Formula on every bottle. Mail orders promptly attended to. Interstate Drug Co., Inc., New York.—Advertisement.
Genuine Oak Bed, large, rools on head and foot—fine finish, priced only \$7.90.

Sour Stomach.

Eat slowly, masticate your food thoroughly, abstain from meat for a few days and in most cases the sour stomach will disappear. If it does not, take one of Chamberlain's Tablets immediately after supper. Red meats are most likely to cause sour stomach and you may find it best to eat them out.
