### NOW IS THE TIME TO BUY!

Our Mr. E. P. Minter has just returned from New York, where he closed out some special lots in Ladies' Coat Suits, Coats, Dresses, Children's Coats, Millinery, and Men's and Boys' Suits and Overcoats. The opinion of the leading men of the country is that the war will last some time, and that all merchandise, whether wool or cotton, will continue to advance and be harder to obtain. The fact is there is not enough goods to supply our army and navy and our civilian population. Here is an opportunity to buy reliable ready-to-wear for women and children, men and boys, at a big saving, due to this fortunate purchase. These goods were all shipped by express and are arriving daily, and will not be here long at the prices they will be sold for.
