

**EQUAL SUFFRAGE  
KILLED IN HOUSE**

**Representative Horton's Measure Gives Way to Await Outcome of National Measure.**

Columbia, Jan. 11.—The House this morning killed the equal suffrage resolution at the request of the author, Representative Horton of Spartanburg. Mr. Horton explained that passage at this time was unnecessary, in consequence of national congressional action. "President Wilson regards it as a war measure and its sure to pass the United States senate. In view of this we expect to come back next year and ask for ratification of the federal amendment," he said.

The House passed the bill limiting the week in cotton and woolen mills to 60 hours or six days of 10 hours each and providing for one and one half pay for over time for teamsters, mechanics, engineers, firemen, watchmen, yard employes and members of the clerical force.

After a prolonged debate the bill to pay special judges out of the salary of circuit judges for whom they were presiding was killed by a vote of 46 to 43. The law was to apply to judges who were unable to preside for a period of six months or more. In that event 75 per cent of the salary of the circuit judge was to go to the special judge.

Was very much run-down. I told my husband I thought Cardui would help me. . . He got me a bottle. . . It helped me so much that he got me another bottle. I got a whole lot better. The dizzy spells and the bearing-down pains . . . left me entirely."

**HICKORY TAVERN NEWS.**

Hickory Tavern, Jan. 14.—This cold weather makes people feel like sitting around a large fire. The weather man hits cold weather sometimes for he said that a cold wave was coming and I believe that he told the truth for the wave is here.

Our school opened up last Monday morning with one teacher absent, and is progressing nicely.

Our farmers have a great deal of work to do.

The snows that have fallen this winter have been death to rabbits.

Among those who returned to their studies at college last week were Misses Corrie Knight, Lynwood, N. C., and Vera Baldwin, Rock Hill, S. C.; Messrs. Devault League, University of S. C., and those who will return this week are Messrs. John Thompson and B. T. Leopard, Clemson College.

Mr. J. M. Sumnerel while passing Mr. Wallace Sanders' last week, Mr. Sanders wanted Mr. Sumnerel to look at his pig and they went out to see the pig and it will tip the scales 500 pounds; also another that will tip the scales at 500. Mr. Sumnerel says that this is the largest hog that he has seen since the state fair.

Rev. W. A. Baldwin and daughters, Allene and Maude, dined with Mr. J. M. Sumnerel last Wednesday.

Mr. Frank Anderson and family, who have been living in Greenville for some time, have moved into our midst. We all welcome them here.

Miss Eulah Pitts, who has been going to business college in Charlotte, N. C., returned home one day last week threatened with pneumonia. We all wish her a speedy recovery so she can return to her studies.

Mr. Ludie Abercrombie spent last Monday night with Rev. W. A. Baldwin of Rabun.

Mr. W. M. Abercrombie got a nice lot of sugar in one day last week which was appreciated by his customers. It did out last very long.

**STOMACH MISERY**  
Get Rid of That Sourness, Gas and Indigestion.

When your stomach is out of order or run down, your food doesn't digest. It ferments in your stomach and forms gas which causes sourness, heartburn, foul breath, pain at pit of stomach and many other miserable symptoms.

Mi-o-na stomach tablets will give joyful relief in five minutes; if taken regularly for two weeks they will turn your flabby, sour, tired out stomach into a sweet, energetic, perfect working one.

You can't be very strong and vigorous if your food only half digests. Your appetite will go and nausea, dizziness, biliousness, nervousness, sick headache and constipation will follow.

Mi-o-na stomach tablets are small and easy to swallow and are guaranteed to banish indigestion and any or all of the above symptoms or money back. For sale by Laurens Drug Co., and all leading druggists.

**ENOREE NEWS.**

Enoree, Jan. 14.—We are still in the grip of the winter, snows, sleet and blizzards in succession, and sometimes in combination. O! what a time! but we are becoming somewhat inured, and will soon be hibernating ourselves several degrees nearer the north pole.

Dr. C. D. Hanna is in constant demand these days. He responds promptly to calls, never stopping to consider weather conditions; day and night he is on the go. The weather has brought gripe and pneumonia, but the doctor has been quite successful in treating his patients.

A few days ago Mr. John M. Gentry and Miss Mattie Taylor of Waldrep's cross roads, were married by Mr. Miller, the Methodist preacher, at the parsonage. On the same day Judge John Waldrep was performing a marriage ceremony, but we failed to get the names of the parties.

Mrs. N. C. Power has been right sick with pneumonia, but, we are glad

to report that she is now better.

Mr. Gossett, our efficient policeman, has resigned his position here and accepted a similar position at the Watts Mills. We are sorry to give up Mr. Gossett. Mr. Haskell Moore succeeds Mr. Gossett as policeman for our town, a good appointment.

We are Hooverizing right along here. It is not uncommon to have meatless days. Sugar has been quite scarce, but now we are buying it by the bag.

Gold dust is not so abundant, but we have coal dust to burn.

The rain, sleet, and snow seem to be furnishing the mill people an abundance of water which is a blessing, especially while coal is under the ban.

The school opening has been deferred for a month, because, as we suppose, the coal proposition is in doubt. The postponement seems to be a providential thing when we consider weather conditions.

Mr. Claude Patton sold out his stock of furniture (almost all) and has been on a visit to the factories with a view of restocking his store.

Uncle Sam has made a little change in the mail route to Cross Anchor. The mail arrives here from Cross Anchor early in the morning and departs after the arrival of the afternoon trains.

Because of the severe weather Mr. Fuller failed to reach his appointment here Sunday evening. Mr. Miller preached for us Sunday morning. The weather prevented Mr. Miller from going to his appointment at Sandy Springs Sunday morning, hence his service here on the off day.

**JANUARY VALUE GIVING**

In line with our established policy of dealing in full confidence with our customers, we have gone over our stock of high class merchandise and listed a few things which we know will advance in price to the consumer within a very short time. These things have already advanced to the retail stores and the new stocks coming in will necessarily have to be advanced to our customers. Therefore, while these things last we urge our friends to take advantage of them. We cannot be more insistent in advising that you profit by the present prices.
