And He Got Well and Strong. That's True

Monaca, Pa.—"My little boy, who is the youngest of three, was weak, nervous and tired all the time. He was most unfit at school, and nothing seemed to help him. I learned of Vinol and gave it to him. It has restored his health and strength and he has gained in weight."—Mrs. Frederick Sommer, Monaca, Pa.

Vinol is a constitutional cod liver and iron remedy for delicate, weak, ailing children. Formula on every bottle, so you know what you are giving them. Children love it.

SALE OF ALIEN PROPERTY.

Legislation Necessary to Check German "Kultur".

Washington, March 7.—Legislation enabling the government to place in American hands permanently great German commercial and industrial concerns in this country which have been instruments in spreading the grip of German kultur was favorably reported to the Senate today by the appropriations committee. It is in the form of an amendment to the pending urgent deficiency bill, empowering the alien property custodian to sell any enemy property taken over by his office.
The committee also approved another amendment giving the President authority recently asked for by him to acquire by purchase or title the great piers of the Hamburg-American and the North German Lloyd steamship lines at Hoboken, N. J.
In a statement today explaining the purpose of the new power sought, A. Mitchell Palmer, the alien property custodian, said:
"Power under the law is restricted now to cases where it is necessary to sell in order to prevent waste and protect property. The proposed amendments will largely extend this power and make it possible for the alien property custodian to convert into cash enemy interests in this country."
"There is no thought or purpose of changing the character of the ordinary investment in America of the enemy subjects residing in enemy territory. Such investments will continue at present, except when necessary to prevent waste or protect the property when sales may take place."
"If the amendments reported by the Senate appropriations committee shall become law the power of sale will only be exercised by the alien property custodian in cases similar to that of the steamship lines where the enemy ownership of great industrial and commercial concerns in the United States indicate a close affiliation with the financial and political powers in the enemy country."

STOMACH MISERY

Get Rid of That Sourness, Gas and Indigestion.
When your stomach is out of order or run down, your food doesn't digest. It ferments in your stomach and forms gas which causes sourness, heartburn, foul breath, pain at pit of stomach and many other miserable symptoms.
Mi-o-na stomach tablets will give joyful relief in five minutes; if taken regularly for two weeks they will turn your flabby, sour, tired out stomach into a sweet, energetic, perfect working one.
You can't be very strong and vigorous if your food only half digests. Your appetite will go and nausea, dizziness, biliousness, nervousness, sick headache and constipation will follow.
Mi-o-na stomach tablets are small and easy to swallow and are guaranteed to banish indigestion and any or all of the above symptoms or money back. For sale by Laurens Drug Co.

DESERES A GOLD MEDAL FOR THIS

Cincinnati authority tells how to dry up any corn or callus so it lifts right off.
You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of Freezone applied direct to your tender, aching corn stops soreness at once and soon the corn loosens so it can be lifted out, root and all, without a bit of pain.
A quarter of an ounce of Freezone costs very little at any drug store, but is sufficient to take off every hard or soft corn or callus. This should be tried, as it is inexpensive and it is said not to inflame or even irritate the surrounding tissue or skin.
If your wife wears high heels she will be glad to know of this.
