A GOOD FRIEND

A good friend stands by you when
in need. Laurens people tell how
Doan's Kidney Pills have stood the
test. Mrs. Templeton endorsed Doan's
over three years ago and again con-
firms the story. Could you ask for
more convincing testimony?

Mrs. B. Templeton, 235 Oak St., Lau-
rens, says: "My kidneys acted too fre-
quently and caused me distress. I
was hardly able to get around on ac-
count of the pains in my back. My
limbs were swollen and so were my
hands and feet. Doan's Kidney Pills
removed all the ailments and my kid-
neys became normal."

OVER THREE YEARS LATER, Mrs.
Templeton said: "Whenever I have
noticed a slight return of kidney trou-
ble, due to a cold, Doan's Kidney Pills
have given me prompt relief."

Price 60c at all dealers. Don't sim-
ply ask for a kidney remedy—get
Doan's Kidney Pills—the same that
Mrs. Templeton has twice publicly
recommended. Foster-Milburn Co.,
Props., Buffalo, N. Y.

The readers of this paper will be
pleased to learn that there is at least one
dreaded disease that science has been
able to cure in all its stages, and that is
Catarrh. Hall's Catarrh Cure is the only
positive cure now known to the medical
fraternity. Catarrh being a constitutional
disease, requires a constitutional treat-
ment. Hall's Catarrh Cure is taken in-
ternally, acting directly upon the blood
and mucous surfaces of the system, there-
by destroying the foundation of the dis-
ease, and giving the patient strength by
building up the constitution and assisting
nature in doing its work. The proprietors
have so much faith in its curative pow-
ers that they offer One Hundred Dollars
for any case that it fails to cure. Send
for list of testimonials.

MADDER NEWS.

Madden, March 25.—Corn planting
time, but owing to the continued rains
very little land has been prepared for
the desired and hoped-for record-
breaker corn crop. However, a few
clear days, with farmers as keen to
get down to real work, wonders in
the way of preparation and planting
could be accomplished.

Usual services at New Prospect Sat-
urday and Sunday, with a perceptible
increase in the Saturday afternoon at-
tendance. This Saturday afternoon
service is one of the customs handed
down from the "good old days". While
it is obsolete in some sections of the
county, yet it is generally observed in
country Baptist churches and at Pros-
pect it is evidently "renewing its
youth."

Sunday morning the pastor gave
us an especially stirring and appro-
priate sermon from the subject: "Over
the Top". Text: "Quit yourselves like
men; be strong."

Prof. Lewis and Demonstrator
Moore were with us Saturday after-
noon and were cordially greeted.

Mrs. Kellett, of Simpsonville, is on
a visit to her relatives, Judge and
Mrs. O. G. Thompson, for several days.
Miss Ozella Murray, our well-liked
little teacher, spent the week-end with
relatives at Kinards.

The ladies of the Red Cross are
making preparations for a successful
box supper to be held at Prospect
school house Friday night, the 29th.
We hope to report a good attendance
for the proceeds are for the Red Cross.
The people of this neighborhood are
very enthusiastic workers for that
worthy organization. In fact there
are few slackers here and "Aunt
Jef" expressed the sentiments of all:
"I want to do everything in my power
to help my country win this war.
I'll eat corn bread, I'll knit, I'll fix
that chicken for the box supper, to
help the Red Cross and if President
Wilson says run the clock up one hour
that clock's going up, Douglas!" A
spirit like that will win this war and
we'll win it!

Friends and relatives of Mr. and
Mrs. J. R. Finley will be glad to
know that both are getting on nicely
and we hope they will soon be in their
usual health.

Little Myrtle Lee, the baby girl of
Mr. and Mrs. J. D. Culbertson, who
was so seriously ill last week is re-
ported greatly improved and we hope
the little one will soon be well again.

Mrs. Cora Madden and Misses Lena
Madden and Susie Langston are the
delegates to the quarterly meeting to
be held with the hospitable society
at Bethabara on the fifth Saturday.
Messrs. Thad and Walter Moore
spent Sunday in Laurens with their
mother, Mrs. Ella Moore. Her sons in
khaki, Sergt. Jim Moore of Wadsworth,
and Corporal Pierce Moore of Sevier,
were also at home, where a family
reunion was held.

Mrs. Tessie Martin of Lisbon "came
back home" when she attended the
Saturday afternoon service at New
Prospect. Her friends will be glad
to know she is improving in health
since her return to the country.

Several of the progressive farmers
of the neighborhood joined teams early
Monday morning and hauled clinkers
to fill in an almost impassable place
in the road just below the church. A
good piece of co-operation and one
that deserves thanks of the neighbor-
hood.

Messrs. Dorroh and Hudgens are
the latest to get automobiles.

EAT WITHOUT FEAR OF INDIGESTION OR SOUR, ACID STOMACH

Instant relief! "Pape's Diapepsin"
ends your stomach distress. Try it!

Wonder what upset your stomach—
which portion of the food did the dam-
age—do you? Well, don't bother. If
your stomach is in a revolt; if sick,
gassy and upset, and what you just
ate has fermented and turned sour;
head dizzy and aches; belch gases and
acids and eructate undigested food;
breath foul, tongue coated—just take
a little Pape's Diapepsin to help neu-
tralize acidity and in five minutes you
wonder what became of the indigestion
and distress.

Millions of men and women today
know that it is needless to have dys-
pepsia. A little Diapepsin occasion-
ally keeps the stomach sweetened and
they eat their favorite foods without
fear.

If your stomach doesn't take care of
your liberal limit without rebellion; if
your food is a damage instead of a
help, remember the quickest, surest,
most harmless relief is Pape's Diapepsin,
which costs only fifty cents for a
large case at drug store. It's truly
wonderful—it stops fermentation and
acidity and sets things straight, so
easily and easily that it is really as-
tonishing.

Bad Taste in Your Mouth.

When you have a bad taste in your
mouth you may know that your diges-
tion is faulty. A dose of Chamberlain's
Tablets will usually correct the dis-
order. They also cause a gentle move-
ment of the bowels. You will find this
to be one of the best medicines you
have ever become acquainted with.

LANFORD NEWS.

Lanford, March 25.—Rev. Mr. Miller
preached a most excellent sermon at
the Methodist church here Sunday
morning to a very appreciative audi-
ence on the subject of "Prayer".

The Rural Improvement Association
met in the school auditorium Friday
afternoon. A good many of interested
members were present. We have in-
vited Dr. James S. Moffat of Due West
college, to give us a lecture in the
near future, date announced later.

The W. M. U. of the Baptist church
met Saturday afternoon with a good
number present, and all were pleased
with the interest manifested and the
offering received on apportionment.

Mr. James Byers and family of Hen-
dersonville, N. C., are visiting their
father, Mr. H. M. Johnson and family
and other relatives. They motored
through the mountains by way of
Greenville in their new car.

Mr. John Payne of Camp Sevier and
sister, Miss Annie Lou Payne, of
Whitmore, were the guests of Miss
Othello Johnson this week-end.

Mrs. Estella Bonar is visiting rela-
tives in Spartanburg.

Mr. James Fleming, a student of
Furman University, visited homefolks
Sunday, and was looking well.

Mrs. J. R. Patterson, who has been
very sick, is much better, her many
friends will be glad to learn.

The faculty of our school were en-
tertained by Mrs. Joe Williams on last
Thursday evening.

Miss Ruth Lanford has returned
home after a very pleasant visit to
her sister, Mrs. R. L. Moore, at Tucca-
hanna.

Mrs. Ophelia Fowler and Mrs. Julia
Johnson have been on the sick list,
but are some better at this writing.

Capt. J. W. Lanford has returned
home after a trip to Tennessee and
other markets for cattle, corn, etc.
He is expecting a car load soon.

Miss Mary Lou Harlan is spending
a while with her parents, recuperat-
ing after an operation for appendicitis.
She is a trained nurse in the hospital
at Gaffney.

Mr. John Cunningham of Laurens
was in our midst Monday attending to
some business matters.

Miss Lottie Lanford of Spartan-
burg, paid her parents a flying visit
Sunday afternoon.

Mrs. Arch Holmes visited her sister
in Laurens last week.

Mr. J. S. Higgins had a very sick
horse last week but it is much better.

Miss Carrie Lou Higgins' school is
out. They had a very successful term.

Mrs. Nellie Cahal has been here
a few days trying to interest the com-
munity in a lyceum course for next
school year. She left the matter pend-
ing.

TRY "CASCARETS" FOR LIVER AND BOWELS IF SICK OR BILIOUS

Tonight! Clean your bowels and stop
headache, colds, sour stomach.
Get a 10-cent box now.

Turn the rascals out—the headache,
biliousness, indigestion, the sick, sour
stomach and bad colds—turn them out
tonight and keep them out with Cas-
carets.

Millions of men and women take a
Cascaret now and then and never know
the misery caused by a lazy liver,
clogged bowels, or an upset stomach.

Don't put in another day of distress.
Let Cascarets cleanse your stomach;
remove the sour, fermenting food; take
the excess bile from your liver and car-
ry out all the constipated waste matter
and poison in the bowels. Then you
will feel great.

A Cascaret tonight straightens you
out by morning. They work while you
sleep. A 10-cent box from any drug
store means a clear head, sweet stom-
ach and clean, healthy liver and bow-
el action for months. Children love
Cascarets because they never gripe or
sicken.

DAVIS-LANGSTON.

Princeton, March 26.—Miss Minnie
Davis, daughter of Mrs. P. L. Davis,
of Princeton, and Mr. Jesse A. Lang-
ston, of Harlowton, Montana, were
happily married at the home of the
bride Sunday afternoon, March 17th
at 3 o'clock. Before the ceremony sev-
eral attractive musical selections
were rendered by several of the
bride's friends. When the soft strains
of the wedding march were sounded
by Miss Georgia Ridgeway, the first
to enter were Miss Mary Taylor of this
place and Mr. Carl Ballentine, of
Ware Shoals. The bride entered with
her sister, Miss Mary Jane Davis, and
was met at the altar by the groom
and his best man, Mr. Lawrence C.
Taylor, of this place. A beautiful
and appropriate ceremony was per-
formed by the Rev. J. A. Brock, of
Laurens. A host of friends and rela-
tives were present for the marriage.
After the ceremony their friends
stayed and enjoyed a very pleasant
afternoon.

Mr. Langston is a prosperous farm-
er and ranchman of Harlowton, Mon-
tana, where he has been making his
home for a number of years.

Mr. and Mrs. Langston left Tues-
day for their home in the far west.
Their many friends wish them much
happiness in their new home.
