ENTIRE COUNTRY

MUST LEND HAND

To Relieve Railways of Non-Essential Freight. Fuel Agents Insist.

Washington, April 11.—Resolutions calling upon the entire country to support the government in any acts necessary to relieve the railroads of non-essential freight haulage interfering with the prosecution of the war was adopted today at the final session of State fuel administrators.

Prior to presentation of the resolution the railroad administration again was the object of severe criticism from the administrators, representing States east of the Mississippi, who demanded immediate measures for supplying sufficient cars to the mines.

The resolutions are as follows: "Resolved, That due to the present overburdened condition of our railroads unless effective measures of relief are at once taken, the supply of coal for the coal year beginning April 1, 1918, will fall seriously short of the needs of the country.

"What in the crisis confronting the world the fuel needed for the vigorous and unimpeded prosecution of the war at all costs be provided to run at maximum capacity the great war machine America is now fast building.

"Therefore, be it resolved, That we call upon all individuals, industries and communities unselfishly to endorse and support such acts of the government as may be needed to clear the railway tracks of the United States of any unimportant or unnecessary traffic congesting our railways and interfering with the prosecution of the war."

DIALS NEWS.

Dials, April 15.—Mrs. G. G. Harley delightfully entertained the members of the Woman's Missionary Society of Dials, at her home in Gray Court on a recent Friday afternoon. The parsonage was gay with its decorations of spring flowers. Musical selections and contests, together with a "missionary pie", engaged the attention of the guests during the most part of the afternoon.

Mrs. J. Alvin Curry, as winner, received a handsome book, presented in a pleasing manner by the hostess.

During the afternoon delicious cream and cake were served. About fifteen ladies enjoyed Mrs. Harley's hospitality.

Mr. Philip Harris, accompanied by Mrs. Arthur Harris, Mrs. D. D. Harris and Miss Emma Harris, motored to Spartanburg last Thursday where they visited Mr. Arthur Harris, a patient of the Steady Hospital.

Miss Clara Campbell was the guest of her cousin, Miss Larcie Abercrombie of the Eden community, Tuesday night.

Miss Maude Owings was the charming hostess the other Friday evening when she entertained the Young People's Society. Since the beginning of the new year the plan of having the meetings monthly at the home of one of the members, thus combining business with pleasure, has been adhered to, and the affairs are proving very enjoyable, the one at Miss Owings's proving no exception to the general rule.

Mr. and Mrs. Floyd Curry were visitors in Greenville several days last week, where they went for the purpose of placing one of their little one's in the hands of Dr. E. W. Carpenter for treatment.

Mr. and Mrs. J. T. Gillespie and children, J. T. Jr., and Bonney of Greenville, were the week-end guests of Mr. and Mrs. Curry and family.

Mr. and Mrs. Wm. Holland, of Princeton, and Mr. and Mrs. W. S. Bolt and children, of Hickory Tavern, were Sunday visitors at the home of Mr. D. D. Browlae.

Mrs. Arthur Harris and children spent Sunday with Mr. D. D. Harris and family.

Miss Kate Curry and Misses Eileen Curry and Cecil Owings, of Fork Shoals and Hillside, spent the week-end with homefolks here.

The quarterly meeting for Dials was held at this place on Saturday and Sunday, dinner being served on the grounds Saturday.

Presiding Elder Turnipseed, of Greenville, was present both days of the meeting and delivered two strong sermons calculated to awaken the peo-

ple to the needs and conditions of today.

Misses Claude and Mary Gray, of Gray Court, spent Saturday night with their grandmother, Mrs. I. S. Brooks.

Mrs. H. Y. Simmons had as her guests Saturday, Mr. and Mrs. Abrams, of Poplar Springs section.

The Red Cross auxiliary at this place is moving rapidly forward. At the two meetings held since organizing work has been given out and completed ready to send to the chapter, and everyone seems to be very much interested in the work. The society had the pleasure of hearing Mrs. R. L. Gray one of the chairmen of the Gray Court branch Saturday afternoon. Mrs. Gray's talk was greatly enjoyed and bore a response in the heart of everyone present, for those of us who are remaining at home are beginning to realize that in order to win the fight for world's democracy the boys at the front must be backed by money and deeds, and in the work of the Red Cross; and by buying a Liberty Bond we can show our love for the boys in the trenches and do our bit besides.

There will be a meeting of the Red Cross society in the school building Saturday afternoon at 3 o'clock. All the members are asked to be present.

Hon. R. A. Cooper of Laurens will make an address in the church at this place Saturday evening, April 20th at 8 o'clock. Mr. Cooper needs no introduction to the people throughout the county and every one is earnestly urged to be present and hear his address which will deal with war conditions and the vital questions uppermost in the minds of the people.

Mr. and Mrs. L. W. Brooks lost from the outside of their car between their home and Gray Court on Friday, April 5th, a genuine alligator skin suit case containing wearing apparel for the baby, a pair of gloves and \$6.00 in cash. The return of the bag by finder or any information that will lead to the recovery of same will be appreciated and rewarded by Mr. and Mrs. Brooks.

Miss Lilly Thomason had as her guest last Friday night Miss Clara McCall.

Mr. Culver Summerell of Hickory Tavern, spent Friday night with Mr. Joe Brownlee.

Mr. and Mrs. Hank Curry entertained with a spend-the-day party Saturday, March 30th. The occasion was in honor of Mr. Curry's third birthday. All the brothers and sisters of Mr. Curry, with the exception of Singing Evangelist Plumer Curry, of Salome Springs, Ark., were present to help him celebrate the occasion.

At noon the guests were invited into the dining room where they did ample justice to the many viands with which the handsomely appointed table was loaded.

Messrs Leonard Owings, L. M. Owings, Mrs. Laddie Owings, Misses Cecil Owings, Lilly Thomason, Juanette and Sason Thomason and Olivia Curry visited with Mrs. Hattie Willis of Owings Friday night.

In Memory of Grace Lee Nesbitt.

On the morning of Feb. 17, 1918, the death angel visited the home of Mr. and Mrs. J. H. Nesbitt and claimed their youngest child, a sweet little girl of 5 years and 8 months. She was too young to go to school, but was always in her place at Sunday school. She was much loved by all who knew her.

Negro Minstrel.

There will be a negro minstrel at Shiloh Thursday, April 18th, beginning at 8:30 o'clock. An admission fee of ten and fifteen cents will be charged and the receipts will go to the Junior Red Cross.

HALF YOUR LIVING WITHOUT MONEY COST.

We are all at a danger point. On the use of good common sense in our 1918 farm and garden operations depends prosperity or our "going broke". Even at present high prices no one can plant all or nearly all cotton, buy food and grain at present prices from supply merchant on credit and make money. Food and grain is higher in proportion than are present cotton prices.

It's a time above all others to play safe; to produce all possible food, grain and range supplies on your own acres; to cut down the store bill.

A good piece of garden ground, rightly planted, rightly tended and kept planted the year round, can be made to pay nearly half your living. It will save you more money than you made on the best three acres of cotton you ever grew!

Hastings' 1918 Seed Book tells all about the right way of a money saving garden and vegetables to put in it. It tells about the farm crops as well and shows you the clear road to real and regular farm prosperity. It's Free. Send for it today to H. G. HASTINGS CO., Atlanta, Ga.—Adv.

Card of Thanks.

We wish to thank our friends and neighbors for their kindness shown us during the recent illness and death of our grandmother, Mrs. Hattie Riddle. May the Lord bless each and every one of them.

NOT AN IMITATION—
But a Re-Creation

That is what the New Edison renders—a Re-Creation, so complete and satisfying that it is utterly impossible to distinguish the artist's voice from the instrument's. Talking machines IMITATE but the New Edison RE-CREATES.

The famous Edison tone tests have demonstrated the power of this marvelous instrument beyond question. More than 1500 of these tests have been held; more than 30 Grand Opera stars have sung in them—sung in direct comparison with the instrument and proved that no difference could be detected. They have convinced 2,000,000 people that the strongest claims do not exaggerate the merit of
