**A Baptist Drive for Education.**  
 The Baptists of South Carolina are planning for a great drive for education this fall. During September, October and November of this year they propose to cover the state with a hand to hand canvass for three hundred and fifty thousand dollars to cover the indebtedness of their institutions and to add to their endowment. The Baptist denomination, which aggregates about one hundred and sixty thousand members in this state, is operating five colleges and five academies. These properties together with their endowments are worth one million eight hundred and sixty-two thousand seven hundred and seventy dollars. This is no small investment for one denomination to make in education in this state? It will be seen therefore that the total indebtedness of two hundred and ten thousand dollars is only a little over ten per cent. of the value of their school and college property. These debts were incurred for buildings and improvements made necessary by their growing patronage. They do not represent failure of these institutions to meet current expenses.

Our people need to appreciate the great work the Christian denominations are doing in the field of education in this state. There are fourteen colleges supported by the various denominations in this state—five by the Baptists, three by the Methodists, two by the Presbyterians, two by the A. B. C. M., and two by the Lutherans, and these colleges are giving college training to more than half the college men and women of the State. The Baptists alone are providing college facilities for nearly one fifth of all our college students. This is no small service these denominations are rendering to the state of South Carolina. Our people need to understand and appreciate this great work of the church.

Efforts like that being put forth by the Baptists this year are both Christian and profitable service and deserve the people's support. Our whole population needs to be stirred on the subject of education. South Carolina now has the unenviable distinction of standing at the bottom of the list of all states of the Union in the matter of literacy. South Carolina has to her shame twenty-five per cent of illiteracy according to the latest census report. The largest per cent of illiteracy of any State in the Union. This means that twenty-five per cent of our citizens can neither read nor write. This condition constitutes our greatest problem and our gravest peril. Surely every patriotic and Christian citizen in this state needs to give encouragement to every educational endeavor put forth in this state. In this particular movement every Baptist is under obligation to do his best to make this effort a great success.

To make the task as easy as possible, and in order not even to seem to be in conflict with the government in the sale of Liberty Bonds and War Stamps, they are going to accept Liberty Bonds and War Stamps for each, and will make all notes payable in Liberty Bonds and War Stamps. These bonds will not be put on the market during the war. By this method a man can serve a double purpose with his money. If he puts a hundred dollars in Liberty Bonds, it will be worth a hundred dollars to his government and if he gives this bond to the schools it will be worth a hundred dollars to them. Hence the one hundred dollars will do two hundred dollars' worth of work.

This great campaign is under the direction of the Baptist Education Board of Columbia, S. C., of which Dr. Chas. A. Jones is secretary and treasurer. This effort deserves the prompt and generous response. Now is the time for all good Baptists to come to the aid of their institutions of learning.  
 Sam'l H. Templeman.

**LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVERISH AND SICK**

Take no chances! Move poisons from liver and bowels at once.  
 Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver- and stomach-disordered.  
 When cross, feverish, restless, see if tongue is coated, the child gives this delicious "fruit laxative." Children love it, can not eat without injury. No difference what ails your little one— if fall of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.  
 Beware of counterfeit fig syrup. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

**"Aunt Kate" at the Association.**  
 For a year now the eyes of Laurens County Baptists have been turned towards New Prospect and on October 1st that great body began its journey towards that sacred spot—the hour for the association had come!  
 When your service reached church the grove was filled with hears and buggies and when we entered the building we found it filled with delegates and visiting brethren and sisters. Bro. C. B. Bobo was in the chair and the introductory sermon was first on program to be preached by Dr. Jester of Greenwood. Let me make a confession here, Aunt Het and I, in a conversation just a while before, in discussing matters, decided "if the introductory sermon was left out, and it ought to be," (my! what ignorance!) "the business of the association could be concluded in two days." Well, if we had succeeded in convincing anyone that such was the case, the best part of the sessions would have been omitted. How that sermon helped me—how it gripped all—"The church a foundation and pillar". The earmarks of a church like Christ had in mind—first, a worshipping body—worship in truth and in truth; second, a serving body—not to be ministered unto but to minister; third, a living body—ye are my epistles known and read of all men. Catch that? Some ignorant soul perhaps can't open the Book of the Holy Book and read, but they can and do read your Fourth, A giving body—stewardship. I wish every church in Laurens county could have heard that part in stewardship. The time had come, and the speaker, to quit handling that subject with gloved hands, but to speak out boldly as Methuall of old and say, "If you do less than I, I wish you job God". After the service our organization was gone into. The same cheerful officers were unanimously elected. Bro. Templeman being voted for Moderator, E. P. Bobo and Bro. Williams, for Secretaries, W. C. Colbertson and W. H. Babcock and C. H. Jester, Treasurer.

The various reports from different churches were read or given orally by delegates present. Hearing from 21 churches in 45 minutes is working pretty, is it not?  
 While only one reported their appointment had not been met yet in the hearts and consciences of all rang the query of the preacher "What a man rob God?"  
 Various reports of the different objects forwarded by the denomination were read, adopted and spoken to by certain delegates. The one by Rev. Mr. Templeman on Sunday Schools, a subject dear to the hearts of many, was full of helpful suggestions and I am sure in practice will be of great benefit. His report was well spoken. "New Method" and his assertion that "if you can't become a Sunday School teacher, at least be a member of our Sunday Schools of laity" is only too true. "Why do I do this?" he asked another one, "why do I do this?" He answered her frankly by asking, "What is there down there for me to do?" It is high time for us to wake up and get some new methods. The report on Woman's Work was read by Mrs. W. F. Bobo. Some new plans have been suggested the sisters lately, and we want liberty to "speak out in meeting" if we so desire. Some of us were knocked out, speechless when after the report was read we were offered very graciously the chairs of the "best" by the presiding officer. Messrs. Bobo, Templeman and Austin read a few suggestions and asked the help of the various pastors and delegates present in getting in working order by each church a Woman's Y. W. and Sunbeam society. I don't want to claim for us "that we are the whole church" (that I do say we are a mighty good part of it!) And say too, with out fear of contradiction, that a church that has no live woman's missionary society is in a serious decline and the end is not far off!

But I can't tell it all in one piece now—how so here's a good place to quit. "Given the rights and privileges of the floor"—sure the sun do move!  
 Aunt Kate.  
 (Concluded next week.)

**LAURENS MAN POSTPONES HIS FUNERAL**  
 "I am 65 years old and for past two years have been suffering so badly from stomach and liver trouble, bloating and colic attacks that I did not expect to live more than a few months and was arranging my affairs and even my funeral. Three doses of Mayr's Wonderful Remedy have entirely cured me". It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver, and intestinal ailments, including appendicitis. One dose will convince or money refunded. Laurens Drug Co.

**Grove's Tasteless chill Tonic**  
 destroys the malarial germs which are transmitted to the blood by the Malaria Mosquito. Price 60c.

**FEW CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR**  
 Save your hair! Make it thick, wavy and beautiful—try this!  
 Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp which if not remedied causes the hair roots to shrink loosen and die—the hair falls out fast. A little Danderrine tonight—now—any time—will surely save your hair.  
 Get a small bottle of Knowlton's Danderrine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance in incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you hair—new hair—growing all over the scalp.

**Run-Down People Vinol is What You Need**  
 Weak, run-down nervous men and women need Vinol because it contains the most famous reconstructive tonics in an agreeable and easily digested form:—Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycerophosphates.  
 We guarantee there is no tonic equal to Vinol.  
**HERE IS PROOF**  
 Detroit, Mich. "I got into a weak, run-down condition, no matter how much I ate and how much I slept—but had to keep around a doctor's housework. I read about Vinol and tried it—within two weeks I commenced to improve, and now have a splendid appetite and feel stronger and better in every way."  
 Mrs. John F. Watson.  
 For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.  
 Texarkana, Texas. "I keep house and I was weak, run-down and nervous, back ached a good deal of the time, so it was hard to take care of my chickens and do my work—Vinol has restored my strength, and my nervousness has gone, so I can do my work as well as ever. Every run-down woman should take Vinol."  
 Mrs. Emma Britt.  
**Vinol Creates Strength**
