I am Sincere! Stop Calomel!

I Guarantee Dodson's Liver Tone

Listen to me! Calomel sickens and you may lose a day's work. If bilious, constipated or headachy read my guarantee.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe all the next day like violent calomel.

AMERICAN ARMY SECOND AT CLOSE

Only France Had More Men at Front, March Gives Figures, United States Represented by Nearly Two Million Men When Armistice Was Signed.

Washington, Jan. 27.—On the day the armistice was signed the American army on the Western front was second in strength only to that of France; itself. Figures made public today by General March showed that on November 11 the United States was represented on the western front by 1,950,100 men. France on November 1, the last date for which official figures were available, had 2,559,000. The British and the Portuguese attached to the British army totalled 1,718,000, while the Belgian and Italian forces on the Western front aggregated about 200,000.

These totals are all based upon what is termed the "ration strength". This includes every soldier who has to be fed, both combatants and the necessary medical and supply organizations.

General March again today gave comparative demobilization totals for the United States and British armies. Up to January 24 the United States had actually discharged 57,366 officers and 858,117 men. The British, on January 11 had discharged 17,579 officers and 611,950 men. The total ordered for discharge in this country is now 1,300,000.

General March announced that punishments of war time severity for military offenders in the United States have been stopped by the war department. From now on military offense at home will be punished in accordance with an order issued by the president before the war, which sets out the maximum sentences which would be approved for military offenses in time of peace. The new order does not apply to troops in France, Siberia or Italy.

General March said today that men discharged from the army will be permitted to retain the divisional insignia which they wore while in service. A recent order of the department permitted wearing of those insignia up to the date of discharge. So far as the men remaining in the regular army are concerned the regulations concerning uniform will be maintained and they do not permit soldiers to wear insignia of the division with which they formerly served.

NAUSEALESS CALOMEL IS BEST FOR FLU

Doctors and Druggists Claim Calomel, the Nausealess Calomel, is Best Laxative for Colds, Grippe and Influenza.

At the first sign of a cold, is the time to take a Calomel, the perfected nausealess calomel that has all the liver benefits left in and the sting taken out. Doctors say that there is nothing like it to put your liver right and keep your system in condition to resist and avoid colds, influenza and pneumonia.

The best insurance against influenza and pneumonia is a good active liver and your physician or druggist will tell you that Calomel is the most thorough and effective, as well as the safest and most agreeable remedy for this purpose.

One Calomel at bed time with a swallow of water—that's all. No salts, no nausea, nor the slightest interference with your eating, pleasure, or work. Next morning you awake feeling fine with a hearty appetite for breakfast. Your cold has vanished and you are ready for work or play. Calomels are sold by druggists everywhere in sealed packages, price thirty-five cents. Your money handed right back if you are not delighted.—(adv.)

LOCAL NEWS.

Dials, Jan. 27.—Gov. Cooper in his inaugural address struck the keynote when he advocated a statewide compulsory school attendance law. This correspondent has not always been in favor of such a law, thinking perhaps that it savored too much of usurping the rights of parents, involving the abrogation of individual judgment, and coincidentally, individual conscience. However, it is said "Only the foolish and the dead never change their opinion", so I confess I have since changed mine, and earnestly desire to see the day when such a law with an amendment to meet different sections and individual cases, shall be enforced, for our dear old commonwealth has been blinded too long.

True, it will cost money and effort, yet the best things in our state have only been obtained by paying the price, but they have been worth it always, and they are worth it now.

South Carolina, in comparison, has had a brief history, but in that comparatively short period she has passed through severe struggles, torturous, anxious years and has emerged with banners flying, to be alas branded in the end with the stigma of illiteracy. Statistics show the rate, especially among the adults, to be alarming and unless drastic steps are taken to remedy this evil, posterity will have harsh things to say of a generation that allowed its little children to grow up to the neglect of a common school education, thereby neglecting the duties which nature and the nation's interest demands of them.

To make the "world safe for democracy", a militant spirit was put on, and it will require a spirit none the less patriotic if South Carolina is to terminate for all times the very thrall of illiteracy which has been her curse. For such a cause, for such a purpose, you and all of us will do our full part. So it is up to the solons now in session, to do their part by passing a compulsory education law.

Mrs. I. S. Brooks, Mr. and Mrs. Wm. Brooks, and little Sarah Belle, of this place, together with Dr. and Mrs. J. W. Beason, of Eden, were the guests of Mr. and Mrs. L. R. Brooks, of Gray, Court, last Sunday, where they enjoyed an old-fashioned turkey dinner.

Miss Mattie Simmons has gone to Greenwood, where she will be in attendance at Cecil's commercial college. Mr. Pierce Harris, after a sojourn of several weeks in Columbia, has returned to his home at this place.

Mr. Earl Gray and family, recently of Shiloh, have moved into their handsome new home near here. They are welcomed additions to the community and the "glad hand" is being extended to them on every side.

Coroner R. R. Owings and wife have recently moved to Gray Court, where they will reside during the coming months. We regret the loss of these good people, but wish for them much success in their new home.

A wedding of interest, though not surprising to the friends of the contracting parties, occurred in Laurens Sunday, January 19th, when Miss Clara Campbell was united in marriage to Mr. Jesse Henderson, the ceremony being performed by Mr. Johnson, pastor of the Helmes Street Methodist church. Both Mr. Henderson and his bride are from this place, and number their friends by the score. Mrs. Henderson is the daughter of Mr. and Mrs. T. B. Campbell, while the groom is a progressive young farmer.

There has been quite a lack of real news here lately. Much of the blame may be laid to the "flu" which is preventing much going about. The school has been put under another quarantine. However, there is no increase of the disease, and no doubt if a rigid personal quarantine is enforced, there will be no further cases of the dread disease.

NO MORE CATARRH.

A Guaranteed Treatment That Has Stood the Test of Time.

Catarrh cures come and catarrh cures go, but Hyomei continues to heal catarrh and abolish its disgusting symptoms wherever civilization exists.

Every year the already enormous sales of this really scientific treatment for catarrh grow greater, and the present year should show all records broken.

If you breathe Hyomei daily as directed it will end your catarrh, or it won't cost you a cent.

If you have a hard rubber Hyomei inhaler somewhere around the house, get it out and start it at once to forever rid yourself of catarrh.

The Laurens Drug Co. or any other good druggist, will sell you a bottle of Hyomei (Liquid), start to breathe it and notice how quickly it clears out the air passages and makes the entire head feel fine. Hyomei used regularly should end catarrh coughs, colds, bronchitis or asthma. A complete outfit, including a hard rubber pocket inhaler and bottle of Hyomei, costs but little. No stomach dosing; just breathe it. Soothing and healing the inflamed membrane.
