

FEELING BLUE LIVER LAZY TAKE A CALOTAB

Wonderful How Young and Energetic You Feel After Taking This Delightful Nauseless Calmel.

If you have not tried Calotabs you have a delightful surprise awaiting you. The wonderful liver-cleansing and system-purifying properties of calomel may now be enjoyed without the slightest unpleasantness, for Calotabs are calomel with the liver benefits left in and the sting taken out. A Calotab at bedtime with a swallow of water, that's all. No taste, no nausea, no salts, nor the slightest unpleasant after-effects. You wake up in the morning feeling fine. Your liver is clean, your system is purified, your appetite hearty. But what you wish, no danger, and no risk of salivation. The next time you feel lazy, mean, nervous, blue or discouraged give your liver a thorough cleansing with a Calotab. They are so delightful and effective that your druggist is authorized to refund the price as a guarantee that you will be delighted.

For your protection, Calotabs are sold only in original, sealed packages, price thirty-five cents. At all drug stores.—(adv.)

THINK OF THE MONEY YOU CAN SAVE ON SHOES

Clarence J. Bloenker of St. Louis, Missouri, writes: "I have a pair of shoes with Neolin Soles and have used them for two years. I think they will last another six months."

Mr. Bloenker also recommends Neolin Soles for their comfort and waterproofness.

It is a remarkable fact that Neolin Soles cost no more than others that give only ordinary wear. You can get them on new shoes in many styles for men, women, and children—and they are available everywhere for resoling, too.

And look at the money you save—because you need fewer pairs of shoes with Neolin Soles. Remember—these soles are made by Science to be especially tough and durable. They are manufactured by The Goodyear Tire & Rubber Co. of Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear any other heels.

Neolin Soles

Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, . . . and the pains were very severe. A friend told me I had tried everything else, why not Cardui? . . . I did, and soon saw it was helping me. . . . After 12 bottles, I am strong and well."

TAKE

CARDUI

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

ACHIEVEMENTS OF 65TH CONGRESS

Three Sessions of War Congress Saw Unparalleled Events in World History. Fifty-Seven Billions Dollars Appropriated.

Washington, March 23.—Accomplishments of the sixty-fifth war congress are officially reviewed in the final number of the monthly compendium of the house of representatives appearing today. Unfinished business of the congress which necessarily must be considered in the legislative program of the new congress, soon to convene, also is contained in the publication, which was edited by W. Ray Loomis, an official of the house.

"Constituting as it does, a statistical retrospect of the accomplishments of the 65 congress," says Mr. Loomis, "in a foreword of the compendium, 'the final issue of the monthly compendium, throws the searchlight on the transaction of three sessions of unparalleled events. When the congress met in April, 1917, the country was at peace. In the interim a war had been declared, a war had been won, and a war had been ended. So this issue carries legislative history of a character that perhaps never again will be duplicated, both as to the amount of money authorized to be expended and as to the extent of the revolutionizing of the social and business lines of the people of the nation."

The sixty-fifth congress is shown to have appropriated approximately \$57,000,000,000; passed 349 public laws; 48 public resolutions; 28 private laws, and conducted 32 congressional investigations. A total of 22,510 bills and resolutions were introduced, of which, 16,681 originated in the house and the remainder in the senate. President Wilson vetoed five measures.

President Wilson's part in congressional matters is set out by a list of notable dates, including his approval of history-making laws and his numerous addresses. It is shown that for the first time laws were signed in a foreign country; that for the first time a measure, a revenue bill, was signed on a railroad train; that for the first time a president had addressed the senate in favor of women suffrage, had signed a bill to "move the sun forward and then backward," and had knee on the floor of the house to shake hands with members of foreign war missions.

Another unprecedented feature of the congress pointed out by the compendium was that practically one-fourth of all laws of the three sessions were approved during the last nine days of the congress. The president signed 116 bills and resolutions from February 24 to March 4.

Fifteen representatives, ten senators and twenty ex-members, died during the congress. Two former presiding officers of the senate, Theodore Roosevelt and Charles W. Fairbanks, are also included in the death roll.

A list of authors of bills receiving action beyond mere introduction shows a predominance of names of chairmen of committees. Senator Chamberlain, of Oregon, chairman of the military committee, with 58 measures, led the list with Senator Myers, of Montana, chairman of the public lands committee, second, with 35 bills. Representative Phibbett of Tennessee, head of the naval committee, led in the house with 33 measures, and Representative Dent of Alabama, chairman of the military committee, was second with 35 bills.

BACK ON THE JOB THANKS TO DRECO

Anderson, S. C. Man was Forced to Lay Off on Account of Backache and Kidney Trouble. Well Again.

"I had to lay off from my work on account of the pains over my kidneys and in my legs. My stomach was also in bad shape, and gave much trouble by swelling up with sour gas, and I frequently had swimming in the head, but Dreco, the new medicine, has stopped all my troubles, and I'm now able to work regular again, and I give all the credit to this good medicine," said T. E. Mullinax of C. St., Anderson, S. C.

Thousands of people are needlessly suffering from disorders of the stomach, blood, liver, bowels and kidneys. Relief is within reach of all. Many have found deliverance from their suffering through the use of Dreco; the great herbat system tonic, which is compounded from Nature's own remedies—roots, herbs, barks and berries, which are necessary to health. That is why it regenerates the blood, overcomes rheumatism, eliminates catarrh, puts the stomach in good condition and relieves constipation.

Dreco is widely sold throughout the country and is highly recommended in Laurens by Laurens Drug Co.

FROM NEWS.

Ekron, March 24.—We are having beautiful spring-time weather and the farmers are putting in good time plowing. Work in gardens has also begun.

We are glad to report all of the cases of influenza better.

Mrs. Lou Culbertson has been on the sick list the past week. We hope she will soon be better.

Mr. and Mrs. Hugh Wallace spent Saturday night and Sunday with Mrs. Jane Culbertson and family.

Mr. and Mrs. Douglas Cooper and Mr. J. W. Cooper visited relatives in Greenwood Friday night and Saturday. They were accompanied home by Mrs. J. W. Cooper who had been spending awhile with her daughter.

Mr. Josie Cooper, of Greenwood, who has recently received his discharge from Uncle Sam's army, spent the week-end with relatives here.

Mr. and Mrs. T. H. Burts and son, Eggar, were visitors in our community Sunday afternoon.

Misses Liddle Culbertson and Irene Cooper and Mr. A. R. Thome attended the Woodmen meeting at Spartanburg last week.

Those who visited Mrs. Lou Culbertson Sunday were: Mr. and Mrs. L. C. Culbertson, Dr. and Mrs. J. G. Cooper, Mr. and Mrs. Douglas Cooper, Mr. and Mrs. Kelly Cooper, Mr. and Mrs. Lounie Culbertson and little son, Wilbur, Mr. Carl Culbertson and children, Messrs. Edgar Burts, Josie and Sam Cooper.

Mr. R. M. Culbertson is spending awhile with homefolks.

Mr. T. J. Cooper and family had for their spend-the-day guests Sunday, Miss Irene Cooper and her brother, Floyd, Misses Edna and Kitura Cooper, Mrs. Loretta Elledge and Mr. J. H. Mitchell and children.

Mr. and Mrs. Gray Cooper spent Sunday with Mr. Tom Brissey and family.

Mr. R. B. Coley visited Mr. L. C. Culbertson and family Sunday.

"Gets-It" Peels My Corns Off!

Any Corn or Callus Comes Off Peacefully, Painlessly, Never Fails.

It's almost a picnic to get rid of a corn or callus the "Gets-It" way. You spend 2 or 3 seconds putting on 2 or 3 drops of "Gets-It", about as simple as putting on your hat. "Gets-

Use "Gets-It", peel off corn this way. It does away forever with contraptions, "wrappy" plasters, greasy ointments that rub off, blood-letting knives, and scissors that snip into the "quick." "Gets-It" causes pain. Your "Jumpy" corn shrinks, dies, loosens from the toe. You peel the corn painlessly from your toe in one complete piece. That's where the picnic comes in—you peel it off as you would a banana peel. Nothing else but "Gets-It" can do it. Get peaceful, common-sense "Gets-It".

"Gets-It" the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. MFD by E. Lawrence & Co., Chicago, Ill.

Sold in Laurens and recommended as the world's best corn remedy by Eureka Drug Co., Laurens Drug Co. and Poole Drug Co.

OVER HALF MILLION MEN RETURNED

Strength of the A. E. F. on March 20th was 1,470,676.

Washington, March 22.—The total number of the members of the American expeditionary forces returned to the United States has passed the half million mark. The War Department announced today the actual figure on March 20 was 500,631, including 27,940 officers, 2,146 nurses, 2,683 civilians and 448,241 men of the army, 13,550 navy personnel and 4,474 marines.

The strength of the expeditionary forces March 20 was 1,470,676. This included 24,199 men of the navy comprising hospital units, big gun crews and similar auxiliary forces serving in connection with the army's work in France. The marine contingent on that date had been reduced to 23,502 including the brigade attached to the Second division and various marine regiments assigned to duty at the embarkation camps and other army centers in France.

On February 28, the total strength of the forces in France and those en route home was placed at 1,677,024. Deaths reported this month numbered 2,329 while the troops landing in this country and embarking from France from February 28 to March 20 numbered 204,009.
