**Recommends it to Her Friends**  
"I don't need Peruna any more. I am all well. I have taken six bottles. I weighed ninety pounds before I started with Peruna. I was just as poor and so weakly, I had given up hopes of ever getting well, such a cough and spitting, and could not eat anything. Now since taking Peruna I weigh one hundred and thirty-five pounds. All my friends said I would never get well. I was just a shadow. I have surely recommended your Peruna to many of my friends and they are using it. I will recommend Peruna for I am so thankful for what it has done for me."

#### MOORE WAR TAXES SOON APPLICABLE

Drugs will Advance in Price Four Per Cent After May 1st. Admission Tax. Certain Medicines are Exempt from Tax.

Washington, April 18.—Regulations governing collection of the tax on admissions, soon to be issued by the bureau of internal revenue, define the four classes which are exempt from the tax. These are, children under 12 years old, bona fide employees of the place of amusement, municipal officers on official business and soldiers or sailors in uniform. All other persons are subject to the tax (which is one cent for cash ten cents or fraction thereof) of the price of admission.

If a theatre sells to a soldier or sailor a two dollar ticket for one dollar, the tax is ten cents on the dollar, not twenty cents on the regular price. Admission by passes are subject to the tax. If the pass entitles the holder to a dollar seat, he must pay ten cents. The dramatic critic who occupies a two dollar orchestra chair must pay twenty cents.

The law provides the tax shall be paid by the person paying for the admission, and that places of amusement shall keep a record of the amount of tax collected. Monthly returns and remittances must be made to collectors of internal revenue on or before the last day of the month following that for which the return is made.

Products of the druggist's shelf will go up in price one cent on each 25 cents of cost May 1 as a result of the imposition on that day of the new war tax. The Internal Revenue Bureau today reminded that this levy will be made by the use of revenue stamps to be fixed by the retailer to perfumes, essences, extracts, toilet waters, cosmetics, petroleum Jellies, hair oils, pomades, hair restoratives, hair dyes, tooth and mouth washes, tooth pastes, aromatic cachous, toilet powders, other than soap powders, and other similar substances and preparations.

A like tax is imposed on proprietary medicines "as to which the manufacturer or producer claims to have any private formula, secret or occult art for making or preparing the same."

No objection will be made by revenue officials to affixing the stamps by the manufacturer or importer as agent or a retailer where practicable. Vaccines and serums which are not advertised are exempt and also sales of medicines not advertised by a physician in attendance upon a patient.

#### DIALS NEWS.

Dials, April 21.—A pleasant event of Easter week to the boys and girls of the very young set, was that of Saturday afternoon, when Master Jack Harris and sister, Nell, entertained the members of the Junior Society with a most enjoyable afternoon party. The spacious lawn of the Harris home is well adapted to entertainment of an out-door nature, the stately pines and oaks proving a beautiful background to the gaily clad little lassies and lads, who made the welkin ring with their joyous laughter. In keeping with Easter, the first thing enjoyed was an egg hunt which proved merry and exciting enough for all, after which many and various games were indulged in, till the shadows cast by the declining sun indicated it was time to depart, each little guest taking away with him or her a souvenir of the occasion, dainty cards bearing appropriate Easter greetings.

During the afternoon two kinds of cake and iced lemonade were served by Mrs. W. R. Harris, the mother of the little host and hostess.

Those who were present were little Misses Alta Ruth Campbell, Lucile Campbell, Eleanor Boyd, Annie Lou Curry, Marcelle Satterfield, Clara Owings, Nell Harris, Lilly May, Flore and Leitha Graydon, Sarah and Helen Harris, Marvis Clare Curry, Ethel Curry, Annie Lee Tumbling, Mildred Owings, Sarah Alice Curry and Masters Jack Harris, Gray Curry, Lamar Owings, Talmage Armstrong, Claud, Joe and John Harris, John and Jamie Hellams, Richard and Alton Curry, Adolphus Sumerel, Russell Owings, Carl Owings, Osteen and Boyd McCall, James and Bryson Gray and Ellis Satterfield. The following visitors also enjoyed the occasion: Mrs. Florence Ropp, the efficient president of the Junior Society, Mrs. Townes Curry, Mrs. D. D. Harris, Miss Emma Harris and Misses Fannie and Sallie Brownlee.

Mr. and Mrs. Smith Boyd and little daughter, Eleanor, and Miss Mattie Simmons, of Greenwood, were the week-end guests of their mother, Mrs. H. Y. Simmons.

Mr. J. Archie Willis, of Atlanta, is in attendance at the bedside of his mother, Mrs. Emma Willis, who is seriously ill at this writing, much apprehension being felt by relatives and friends over her condition.

Mr. Ernest Henderson, one of the boys who saw service "over there", has returned and is now at home, having been discharged at Camp Jackson.

A large crowd from this place attended the entertainment at Eden on Saturday evening. The play "The Old District School" was well rendered by the local talent, and was quite a success in every way. An audience that taxed the seating capacity of the large auditorium was present, and the evening proved very enjoyable as "the district school" as pictured, provoked much mirth.

### KIDNEYS WEAKENING? LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you fall a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL, Haarlem Oil Capsules now. Take three or four every day until you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1895 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon go without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL, Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL, on the box and accept no other. In sealed boxes, three sizes.

### CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royse City, Tex.—Mrs. Mary Kilman, of this place, says; "After the birth of my little girl... my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me... but I got no better. I got worse and worse until the misery was unbearable... I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.
