HOOOSIER

— the Kitchen Cabinet that saves miles of steps

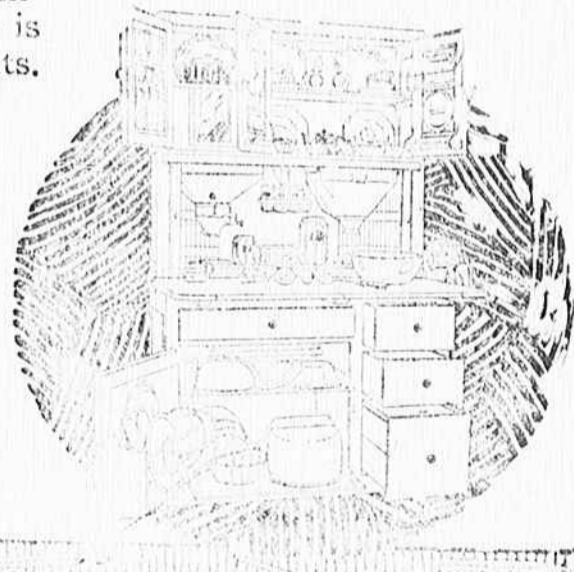

\$1 Releases the Bonds of Summer Drudgery

THE inevitable three meals hold too many women prisoners within four walls and rob them of beauty and health. In these summer months, kitchen work imposes an extra tax that every housewife can avoid. Because of Hoosier's scientific arrangement of many labor-saving conveniences, you can prepare and clear up after meals in nearly half the usual time. And you can save the strength to enjoy the hours you gain.

Don't Delay Your Rightful Leisure Another Day

To delay means pleasures missed—a tired mind and body at the day's end. And there is no excuse, for the Hoosier Club enables every housewife to enjoy the many benefits of this labor-saving machine. Simply pay ONE DOLLAR when your Hoosier is delivered—the balance in small weekly payments.

Your Hoosier awaits you. Come and see it at once. Then have it delivered and start a new era in your home—an era that means freedom. But do it now.
