

OUR BIG JULY CLEARANCE SALE Begins Saturday, July 17th It is now the Time of year to "clean house"

Our Fall stock has already been bought--some of it has begun to arrive and our store simply will not hold both our present and our fall stock. There's only one thing for us to do: REDUCE OUR PRICES low enough to force the sale of these goods--and that is just what we have done. The prices at which we have marked this stock makes buying irresistible to those who will have anything in Men's and Boys' wearables to buy for six months to come.

With all the talk of "lower prices" for fall--we say to you frankly that it is our opinion that, taking all wearing apparel as a whole--you will pay higher prices for your winter outfit than you have yet paid.

We know that our present stock can't be replaced at any ways near its invoice cost to us and we also realize that a large portion of this stock is being sold at prices considerably less than today's wholesale prices--still we are not staging any "Wannamaker stunts" or claiming "Patriotism," as our motive in reducing prices. It means a big sacrifice to sell merchandise for a dollar that will have to be replaced by adding to that dollar, another twenty-five cent piece. We are however like some of the "Patriots" in-as-much that we have only one course to pursue to reduce our stock to the lowest possible level, before fall goods arrive--and that is:
