You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

Dials, Aug. 2.—The meeting for the farmers held under the auspices of the Laurens county cotton association and farm extension bureau, came off as scheduled at Gray Court Tuesday afternoon and was largely attended by the farmers throughout this section.

It seems that the campaign is being waged in the interest of the proper handling, grading and marketing of cotton and the remarks of the speakers, T. M. Mills, representing the extension service, B. Harris for the cotton association, R. G. Honeycutt representing the warehouse commission, and D. W. Watkins, conductor of the party, were received with the closest attention by those in attendance.

Miss Mattie Simmons, of Greenville, is enjoying a two week vacation with her mother, Mrs. H. Y. Simmons. Mr. and Mrs. Phillips, of the "mountain city" spent last week-end with Mrs. Lodie Owens and family.

Mr. Marvin Harris, proprietor and pharmacist of a well known Greenwood pharmacy, is now at the home of his parents, Mr. and Mrs. D. D. Harris, recuperating from a nervous breakdown caused from too close application to his duties.

Mrs. Festus Curry and little daughter, Mavis Clara, are enjoying a pleasant visit with relatives in Bennettsville.

Mrs. W. G. Brownlee has returned from a stay in Greenville, where she was summoned by the serious illness of her mother, Mrs. J. M. Bolt.

Miss Mollie Powers, of Laurens was the attractive week-end guest of Miss Laura Hellams.

Mr. Langston and daughter, Miss Betty, of Charlotte, N. C., are now on an extended visit with Mr. L. D. Curry and family.

Quite in keeping with the old regime, which has been existing so many years, there will be no digressing, and the series of protracted services held once a year will commence at Dials church on the second Sunday morning in August, two services a day being held, one in the morning and one in the evening. The pastor, Rev. W. M. Watson, will have charge of the meetings, and no doubt a glorious revival will be the result.

DEATH OF J. W. HOLLAND.

Well Known Gray Court Man Passed Away Last Wednesday.

Gray Court, Aug. 2.—This community was saddened by the unexpected death of J. W. Holland, which occurred here on Wednesday morning, July 28. While Mr. Holland had been in poor health for several months, he was thought to be about as usual. His death was due to heart trouble, resulting from an attack of influenza about eighteen months ago.

Mr. Holland was born in Greenville County, near Simpsonville, sixty-three years ago, and lived near Bethel church for a few years. Afterwards the family moved into Laurens county, near Dials church, where he lived until his marriage to Miss Sarah Bryson, when he moved near Lebanon church in Greenville county. Here he resided until about six months ago, when he came to Gray Court to make his home.

ANOTHER LAURENS CASE.

It Proves That There's a Way Out for Many Suffering Laurens Folks.

Just another report of a case in Laurens. Another typical case. Kidney ailments relieved in Laurens with Doan's Kidney Pills.

S. J. Avery, carpenter, 439 Park St., Laurens, says: "Too much lifting and hard work several years ago broke down my health and brought on kidney trouble. My back felt as if a weight were pulling down on it and dizzy spells came over me when black specks would appear before my eyes. I felt so tired that I could hardly do my work. Mornings I could hardly get on my shoes, my ankles bleated so. I was nervous and had headaches all the time. My eyes were affected, too. My kidneys didn't act as they should and the secretions were highly colored and painful in passage. Hearing about Doan's Kidney Pills, I got some at Dr. B. F. Posey's Drug Store and they made me feel much better from the first and continued use entirely cured me."

The funeral services and interment were at Lebanon church on Friday afternoon. The last rites at the grave were conducted by the Masons. The high esteem in which he was held by relatives and friends was shown by the large crowd which assembled on that afternoon to pay their last respects to his body.
