

# Your Dollars Are Worth More at This Store WE'VE REDUCED PRICES

## On Every Article in Our Store---To Meet The Public Demand For Lower Prices

We are making no argument about what our goods cost us, or what they would cost today. We have simply shut our eyes to the cost and marked them at prices that will convert our unusually large stock of Men's and Boys' Wearables into CASH.

There's only one way to legitimately lower prices ---that way is to disregard cost and Reduce the Prices. This, we have done and we ask you to come and see for yourself what wonderful values we are now offering you.
