

**WHY BOILS COME BACK**

The Cause is in the System, Not on the Surface. A Good Stimulant Helps the Blood.

Boils, Ulcers, infected skin and muscle swelling are all akin. Drive away the boil and it comes again in another place. Dry up the ulcers and heal the infected places and they promptly return. Reduce the swelling and it will re-appear. The trouble is in the blood, implanted in the system.

External treatments are only temporarily successful. Nothing short of a good tonic will suffice.

SarDraS, an excellent compound of medicinal herbs and roots, an excellent intestinal stimulant will attack the seat of trouble.

It cleanses the system and blood and drives away impurities. It cleanses the stomach, liver and kidneys and nature does the rest. Common laxatives only leave you in worse shape than before. A tablespoonful taken before each meal will tone up the system and make a new person of you. Contains no alcohol. Try it a while. All dealers and jobbers.

**Don't Prod Your Liver to Action**  
NR Overcomes Bilioueness, Constipation, Sick Headache, Quickly. No Gripping or Pain. Guaranteed.

The organs of digestion, assimilation and elimination—the stomach, liver and bowels—are closely allied, and the proper action of any of these organs is largely dependent upon the correct functioning of all the others. "Whipping" your liver into action with calomel or forcing your bowels with irritating laxatives or strong cathartics is a great mistake. A better, safer plan is strengthening and toning the whole digestive and eliminative system with Nature's Remedy (NR Tablets), which not only brings immediate relief, but genuine and lasting benefit. It acts on the stomach, liver, bowels and kidneys, improves digestion and assimilation, overcomes biliousness, corrects constipation and quickly relieves sick headache.

Get your system thoroughly cleansed and purified for once; stomach, liver and bowels working together in vigorous harmony, and you will not have to take medicine every day—just take one NR Tablet occasionally to keep your system in good condition and always feel your best. Remember it is easier and cheaper to keep well than it is to get well.

Get a 25c box and try it with the understanding that it must give you greater relief and benefit than any bowel or liver medicine you ever used or no pay. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

**HARDING LEANS TO WORLD COURT IDEA**

Idea of World Court of Justice Bulks Larger in Mind of President-Elect. Judiciary Body Basis Association Nations.

Marion, O., Dec. 19.—The idea of a world court of justice, free from political bias and embodying as few as possible of the aspects of a political alliance, bulks larger in the considerations of President-elect Harding as his consultations on a world peace plan.

The president-elect's only extended conference on the league today was with Senator James Wadsworth, of New York, a reservation Republican in the Versailles treaty fight, who advised that any peace league to be fostered by the coming administration, be builded about an international court, rather than about a mutual political guarantee like that of article ten. Mr. Wadsworth said he was confident that details could be worked out and a codification on international law accomplished which would be acceptable to most of the nations of the world.

The New York senator declared that diplomatic negotiations toward such an organization might be consummated and the entire peace middle cleared up within three or four months after President Harding takes office. He suggested that an international conference on the subject in Washington might well follow the preliminary negotiations.

As chairman of the senate military committee, Senator Wadsworth also discussed various questions of army policy with Mr. Harding, including the twelve thousand army appointments and promotions submitted to the present senate by President Wilson for confirmation. He said afterward that no conclusions were reached at the

**NORMA TALMADGE IN "SHE LOVES AND LIES"**

Does a woman lie when she loves? She certainly does, and Norma Talmadge proves it in "She Loves and Lies," a Select special in which the popular star is appearing at the Princess theatre Thursday and Friday.

True, Miss Talmadge has a good excuse for her fibs, for she must win a fortune and in order to do this she must marry a man, while she is masquerading as a woman of fifty-two, who happens to be the man she really loves and he really believes she is the age she represents.

Some task, but Miss Talmadge is so versatile that she not only makes the aged woman convincingly lovely, but compels her youthful husband to become so wrapped up in her that when he has a chance to escape what to some would prove a distasteful marriage, he will not let her go.

Then comes the surprise when the young man finds out that his bride is a girl full of the buoyancy of youth and the joy of living.

**No Worms in a Healthy Child**

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

**Vail Breaks World's Auto Record.**

Bakersfield, Calif., Dec. 26.—Ira Vail broke the world's automobile racing record for one hundred miles on the one-mile dirt track here today, in winning what was billed as "the dirt track world championship" from Roscoe Saries and Eddie Hearne.

Vail's time was 1:28:18 and 3-5. The former record was 1:29:17, established last year by Eddie Hearne at Phoenix, Ariz.

Vail won easily, Saries, winner of the Los Angeles speedway race being forced to drop out on the twenty-seventh lap with engine trouble and Hearne being forced out on the sixteenth lap when a broken piston was driven through his crank case.

Vail drove the entire hundred miles without a stop.
