Note of Thanks

We want to thank and assure our many friends that it is impossible for us to express with words our feelings and appreciation for the sympathy and kindness shown us in our recent illness and death of our darling Carl Edward Bobo.

Our neighbors and Laurens friends were so nice and thoughtful in their sympathy and help. And the Cross Hill people, teachers and school, almost strangers to us, but we do not think of you as strangers any more, you were so nice to us that we will never forget it.

And we, who knew little Carl best, can assure every one that he had a little heart of love and appreciation for it all (the flowers). He loved beautiful flowers and we loved him so much.

Grandfather and Grandmother,
Brothers and Sisters.

HOOSIER

— the Kitchen Cabinet that saves miles of steps

Greatly Reduced Prices on Discontinued Patterns in HOOSIER CABINETS

For many years HOOSIER Kitchen Cabinets have been sold at certain, stipulated prices, fixed by the factory. These prices have been remarkably low, and it has been impossible for any dealer to offer the HOOSIER at a discount.

But right now we are able to offer you the one opportunity of a lifetime—genuine HOOSIER Cabinets at greatly reduced prices.

This is because the factory has consented to a sale of such discontinued patterns and display models as are now on our hands.

The minute the last of our present supply of these particular models is exhausted regular prices will prevail.

Consequently it will pay you to come at once and make your selection.

With a HOOSIER in your home you will get through your kitchen work in half the usual time. And you will feel fresher and happier at the end of the day.

By all means, get your HOOSIER while this money-saving offer lasts. We cannot prophesy how long it will take to close out all of these discontinued patterns at our present special reduced prices. But they are selling very rapidly. If you are wise you will not delay.
