**STATEMENT**  
**WHY THESE BIG REDUCTIONS**  
 On January 1st, 1922, we have to make a report to  
 the State of South Carolina, stating how much stock  
 we have on hand. All merchants pay taxes accord-  
 ing to the amount of stock they carry.  
 We do not want to pay to the state next year the  
 amount of taxes we paid this year. The only way to  
 avoid it is to dispose of the goods, and the way to dis-  
 pose of them is to **SELL THEM.** This we are going  
 to do.  
 We are going to give our rightful profits to our customers and  
**REDUCE our stock. Get your share of the good things. No**  
**matter what it is, you will buy it here for less.**  
**Money cheerfully and promptly refunded for any unsatisfactory**  
**purchase. Tell your friends. We cannot name all the values.**
