**REVENUE LAWS ARE MADE PLAIN**

**Collector of Internal Revenue Explains New Provisions of Income Tax Law.**

The following statement is issued by Acting Collector of Internal Revenue, W. R. Bradley, District of South Carolina:

Enactment of new revenue legislation has brought to the offices of Collectors of Internal Revenue a flood of inquiries regarding various provisions. The Revenue Act of 1921 became effective November 23 1921, "unless otherwise provided for."

To avoid error in the preparation of their returns an diater difficulties with the Bureau of Internal Revenue, taxpayers are advised to carefully note the changes and when they become effective.

The excess profits tax is repealed as of January 1, 1922. The rates for 1921 are unchanged.

The surtax rates for the calendar year 1921 are unchanged and range from 1 per cent on the amount of net income between \$5,000 and \$6,000 to 65 per cent on the amount of net income in excess of \$1,000,000. For the calendar year 1922 the surtax rates range from 1 per cent on the amount of net income between \$6,000 and \$10,000 to 50 per cent on the amount by which the net income exceeds \$200,000.

The exemption allowed for a dependent is increased from \$200 to \$400. Married persons living with husband or wife and heads of families are allowed a personal exemption of \$2500 (instead of \$2,000), unless the net income is in excess of \$5,000, in which case the personal exemption is only \$2,000. The act provides that in no case shall the reduction of the personal exemption from \$2,500 to \$2,000 operate to increase the tax which would be payable if the exemption were \$2,500 by more than the amount of the net income in excess of \$5,000. This is to overcome the disparity in the case of two taxpayers, one of whom is just within the lower \$2,000 exemption and the other just within the higher \$2,500 exemption.

Single persons, and married persons not living with husband or wife, are allowed an exemption of \$1,000. Non-resident aliens are allowed a single personal exemption of \$1,000. Persons having gross net incomes for 1921 of \$5,000 or over are required to make a return, regardless of the amount of net income.

Provision is made for the repeal as of January 1, 1922, of the tax on holders of a personal service corporation as such. After that date such corporations are to be taxed in the same manner as other corporations.

The income tax on corporations for the calendar year 1922 and thereafter is increased from 10 to 12 1-2 per cent. The \$2,000 exemption heretofore allowed corporations is to be granted only to those corporations whose net income is \$25,000 or less.

Many persons are under the impression that the taxes on ice cream, soft drinks, etc., monthly returns of which are required, have been repealed with the enactment of the new act. These taxes remain in force until the end of the calendar year 1921.

No change is made in the tax on admission, except that after January 1, 1922 there will be no tax where the tax is 10 cents or less. Effective January 1, 1922 the following taxes are also abolished: on musical instruments, sporting goods, chewing gum, portable electric fans, thermos bottles, fur articles, pleasure boats and pleasure canoes, (unless sold for more than \$100), toilet articles, medicines and numerous articles of apparel.

On and after January 1, 1922, the tax on various works of art is reduced from 10 per cent to 5 per cent, the tax on candy from 5 per cent to 3 per cent and the tax on carpets, rugs, trunks, valises, purses, fans, etc., from 10 per cent of sales price in excess of specified amounts to 5 per cent of sales price in excess of specified amounts.

The tax on parcel post packages is eliminated effective January 1, 1922.

The new act provides that no taxpayer shall be subjected to unnecessary examinations or investigations, and only one inspection of his books of accounts shall be made for each taxable year, unless the taxpayer requests otherwise, or the Commissioner notifies the taxpayer in writing that an additional inspection is necessary.

The period for filing returns on the calendar year basis is from January 1 to March 15th, 1922. This year, as last, the tax may be paid in full at the time of filing the return or in four equal installments, due on or before March 15th, June 15th, September 15th and December 15th.

Copies of the Revenue Act may be had by application to this office.

**ROAD ADVOCATES REPORT PROGRESS**

**Calhoun Association Meets in Abbeville, Next Meeting in Chester.**

Abbeville, Dec. 17.—At a meeting Thursday of officers and directors of the Calhoun Highway association, it was shown that some progress was being made. Considerable road work has been completed in a number of counties between Wilmington, N. C., and Athens, Ga.

At the meeting was a delegation from Dillon asking that their county be taken into the association. Those present from Dillon were Dr. Stackhouse, J. H. McCoy and Mr. Bethea. Dillon county was welcomed into the association.

S. M. Orr of Elberton, Ga., was elected president for the state of Georgia. W. L. Buck was elected a director from Robeson county, North Carolina, and J. D. Brown, vice president for Columbus county, North Carolina.

Chester was chosen as the next meeting place. Following adjournment the visitors were taken for a sight seeing trip about town.

The following members were here for the meeting: J. F. Jacobs, Sr., Clinton, president; R. E. Hanna, vice president, Cheraw; W. W. Harris, Clinton, secretary and treasurer; James R. Copeland, Clinton; E. E. Child, Whitmire; Kenneth Baker, Greenwood; S. M. Orr, Elberton; J. E. Ager-ton, Pageland; M. C. Deaver, Carlisle; J. S. Stark, Abbeville; A. P. Dunaway, Smithsonia, Ga.; C. A. Jeter, Carlisle; C. C. Douglas, Chesterfield; Dr. H. M. Hampton, Colbert, Ga.; E. J. Ervin, Smithsonia, Ga.; C. A. Arnold, Elberton, Ga.; J. M. Nickles, Abbeville; C. W. Stone, Clinton; W. M. Shepard, Whitmire, and Thomas W. Cothran, Greenwood.

**MARSHAL LYON REFUSES TO RESIGN**

Greenville, Dec. 17.—Marshal C. J. Lyon, whose resignation was requested by Attorney General Harry M. Daugherty several days ago and who has been in the national capital for several days returned to Greenville yesterday and announced that he has not tendered his resignation and will not do so until he is ousted by the Republicans.

Mr. Lyon has been marshal of the Western District since it was formed in 1915 and holds an appointment from Woodrow Wilson. The appointment expires March 1, 1924.

Special dispatches from The News' own Washington correspondent have stated that no charges have been preferred against Marshal Lyon but that an investigation as to his activities in upholding the prohibition laws will be made unless he tenders his resignation.

Marshal Lyon conferred with Senators Dial and Smith, Representatives Eyrnes and McSwain and Attorney General Daugherty while in Washington and stated last night that he is "in the hands of friends". Other than this Marshal Lyon has little to say for publication, merely asking that his democratic friends stick by him until the crisis passes.

**FINAL SETTLEMENT**

Take notice that on the 14th day of January, 1922, I will render a final account of my acts and doings as Administrator of the estate of Z. V. Garrett deceased, in the office of the Judge of Probate of Laurens county at 11 o'clock, a. m. and on the same day will apply for a final discharge from my trust as Administrator.

Any person indebted to said estate is notified and required to make payment on that date; and all persons having claims against said estate will present them on or before said date, duly proven or be forever barred.

M. A. GARRETT,  
Administrator.

**What Poor Coal is to your Furnace  
Low Grade Gasoline is to your Motor**

ANY experienced oil refiner can make a gasoline which will develop maximum power, or give maximum economy, or easy starting; that will enable a motor to idle well and run smoothly at a low throttle; or that will give small carbon deposit. But to perfect a balanced gasoline combining all the desirable properties in proper proportion took years of careful experimentation by our chemists and engineers.

Crudes from practically every producing field, improved refining processes, delicate chemical determinations, tests for flame speed, pressure, residue; tests in every type of internal combustion engine, both in the laboratory and in actual service; these were some of the factors which led to the development of our improved "Standard" Motor Gasoline.

This balanced "Standard" Motor Gasoline equals or excels other motor gasolines in pep, power and economy. It keeps fuel and upkeep costs down the year around.

It is particularly desirable in cold weather when less perfectly conditioned gasoline makes motors sluggish even with a rich, wasteful, carbon-making mixture.

Next time you need gasoline drive in where you see the familiar "S. O." sign. Get a tankful of balanced "Standard" Motor Gasoline. See what remarkable pulling power you get on the hills, how quickly your motor "snaps in." Keep tabs on the mileage you get. One quality wherever you buy it. At service stations and garages everywhere.

Refiners of POLARINE for all kinds of internal combustion engines.
