

THE MERCHANTS THAT REALLY WANT YOUR BUSINESS

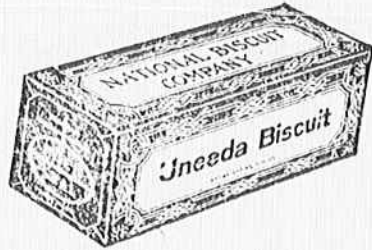

Sell the kind of goods that will warrant your patronage by rendering absolute satisfaction. The merchants whose advertisements appear on this page are distributors and boosters of the National Biscuit Company's famous line of Cakes and Crackers.

These stores feature National Biscuit Company's products because they believe them to represent the very utmost in quality and purity. All N. B. Cakes and Crackers are baked by master bakers from selected formulas, using the best flour, sugar, butter, eggs, fruits, spice and flavors. They are all packed in air tight sealed packages and are always fresh as the moment they leave the oven.
