Columbia Cash Dry Goods Store

We are now prepared to supply the wants of everyone, as we have on hand the most complete and varied assortment of Dry Goods ever offered in the city of Columbia. We defy all competition both as to quality and low prices. Common sense will readily explain the reason of this. Goods bought and sold for eash can be offered to every customer at prices much lower than in houses where the credit system is adopted. The Columbia Cash Dry Goods Store is the only one in the city of Columbia that does business strictly on a cash basis, hence our almost fabulous low prices of First Class Goods. We make a specialty in UNDERWEAR for Gentlemen, Ladies and Children. We keep on hand a full line of READY MADE CLOTHING, all at bottom prices. Always abreast of the times, all the novelties of the season will be found in our house. Our steck is complete in every department, and we intend to sell at such prices as will induce customers to purchase. We most cordially invite our friends in Newberry and the adjoining Counties, when they visit Columbia, not to fall to see the attractions and inducements offered in the Columbia Cash Dry Goods Store. Exemember, that you save at least ten per cent. by purchasing from a Cash House, and a dollar saved is a dollar made. Come one, come all and be convinced of the truth of our promises.

PURCHASERS THAT EXPECT TO BUY WITH CASH IN and! For first class goods and low prices my two stores stand to day without a rival in this part of the State. An examination of my immense stocks will demonstrate the truthfulness of this bold assertion beyond the shadow of doubt. My goods are all new and have not been carried over from year to year to get a profit on them. I have determined t sell everything at New York cost and use the money for something else during the
