A Debt-Paying Institution.

One of the greatest needs of the times is for a quickening of the public conscience with regard to the sacredness of financial obligation.

We have not yet lost faith in human integrity. We know that there are many, both in and out of Church, whose word is as good as their bond.

Mr. Weston was a man of extraordinary wisdom. One of his "roles" for the government of his societies, and still a rule in the Discipline of the Methodist Church, forbids the taking of goods without the probability of giving for them.

MR. MOODY'S FIFTY YEARS.

Plans to Please the Heart of the Great Festival on Its Anniversary.

Mr. Dwight L. Moody, the evangelist, will be 50 years old on Feb. 5, and his admirers wish to celebrate the event by getting a large subscription for his two schools at Northfield, Mass., the place of his birth and permanent residence.

Mr. Moody is engaged in evangelistic work in his old home in Chicago, where his meetings are as large and successful as they have ever been. He is also arranging to organize a lay college in Chicago, for which \$250,000 has just been subscribed.

POISON IN THE ASHES.

What the Mt. Lebanon Shakers Found—Incident in the History of a Quiet Community.

The Mount Lebanon (New York) Shakers are a quiet community, secluded from the fret and worry of the outside world.

The Shakers believe that nature has a remedy for every disease. A few have been found—the rest are as yet unknown.

Nervous Dyspepsia is a comparatively new disease, growing out of the conditions of modern life. It is a faint affection of the digestive organs and of the nervous system.
