A Young Men's Christian Association has been formed at Macedonia Church, in the lower portion of our county. We would be giad to see more of our country charges forming these associrtions. It is often asked what is the Y. M. C. A.? What are its objects, etc. We answer briefly: It is an auxiliary, or important factor in the Christian church. It is a place where young men meet and converse on religious matte,; only as young men alone can converse. It is a place where young men of all denominations can meet without discussing sec-Miss Bethea Blease returned from Cc- tional matters or side issues. It is a place where young men become familiar with God's eternal word, and learn to talk about it. It is a place where young men learn to pray around the family altar and to lead in public prayer. It is a place where timidity is worn away. where the sharp and jugged places of our nature are smoothed and polished, so as to be bright and shining lights in the church of our Redeemer. It is a place where all classes of mankind are sought after in a special manner, and efforts made to bring them into the fold of God. It is a place where young men are trained for the high and important duties of officers and bold energetic live working Christian members of Christ's Kingdom which every Christian so great-In reading the accounts of the child-

murders and their child-murderers, in Greenville and Barnwell Counties, we were very forcibly impressed with the importance of mothers securing responsible and discreet nurses. In towns especially, at least two-thirds of the mothers have colored nurses of immature years, and destitute of any sympathy or Miss Ione Fant, a charming young discretion. For hours, and even half then clapped, cuffed, pinched, stuck with | Everlasting Arms." pins and needles, and subjected to other tortures known only to the irresponsible nurse. If inquiry is made as to the bruises and marks and savage imprints, you are blandly told that baby "fell down," "bumped her head," "stick flied up and hit her," or some other improbable reason is given. Mothers, if possible, do not employ these immature and utterly irresponsible nurses. You have no idea how your little precious treasures are tortured and abused when away from you. Besides this, these nurses teach them all manner of rough, uncouth and indecent language. Mothers, be careful of your treasures.

A negro boy about sixteen years old, living on Mr. S. J. Morris' place, about five miles south of this place, attempted to commit the nameless crime upon the person of the little six year old daughter If anyone has lost any dogs and will of Mr. Morris. The scene was enacted in a corn crib, and the father being near ter's screams and thus prevented what, in all probability, would have been a fatal injury. BLOOD POISON.

and his treatment came near killing me. I employed an old physician and then went to Ky. I then went to Hot Springs and remained two months, but nothing seemed to cure me permanently, although temporary relief was given me. to a noted quack, but I did not improve. I then used a preparation which was prescribed "gratis," but it contained too much alcohol and aggravated my sufferings. I then placed myself under the treatment of a noted Nashville physician and for a time was benefitted, but by fall I returned home a ruined man physically and financially, with but litwhat to do. In May, 1885, my mother persuaded me to get a bottle of B. B. B. (made in Atlanta) and I did so to gratify her, but to my utter astonishment I had not finished the first bottle before every

ulcer had been healed. To the present time I have used five bottles and have received more benefit than from all the rest combined: and I am satisfied that B. B. B. is the most wonderful b'ood purifier ever before men to try one single bottle and be convinced. I can truly say I think it the

best medicine in the world.

Z. T. HALLERTON.

Macon, Ga., May 1, 1886.

VERY NERVOUS. For many years I have been afflicted rith Rheumatism combined with some Kidney troubles. Indigestion finally added to my misery and I soon became feeble and very nervous, and my whole system was prostrated. Several physicians were employed and numerous patent medicines resorted to without benefit. After seeing so many testimo nials extolling the wonderful merits of the Evil One, and that manhood which B. B. B., I commenced its use and the effects was like magic. Rheumatic pains ceased, my kidneys were relieved and my constitution improved at once, and I cheerfully recommend it to others who may be similarly afflicted.
