Mr. J. O. Peoples, the president, urged the members to be active in looking after the interests of the town, and Lynching was even spoken of, so strong to keep up a lively interest in the was the circumstantial evidence, and

The Health of Newberry.

Dr. O. B. Mayer, jr., president of the Newberry Board of Health, has submitted the annual report to Mayor to have been committed. The result Cromer. From this report we take the following vital statistics: Deaths during the year, 32; whites

13, colored 19.

Births during the year, 51. The population of Newberry is 3,500. The death rate, then, is only nine to the thousand-a remarkably low rate. We copy the following from Dr.

Mayer's report: "The accompanying report of births | Spartanburg. The train had startedand deaths occurring in the town of the bell rope was pulled and the train Newberry, S. C., from August 1st, 1887, stopped, and Counts was taken off and to August 1st, 1888, is respectfully submitted by the Board of Health. "It is the pleasure of the Board to call your special attention to the ex-

ceedingly low death rate which it shows. In forty-seven American and forty European cities in 1872, the death rate was lower than nine in only one of them, Denver, Colorado. "This exceedingly low death rate in our town has no doubt been due to the sanitary measures which have been in operation; and proves how much real

advantage is to be gained from the proper use of hygienic measures. The Board of Health which have just gone out of office have much to should feel compensated for whatever labor they did to prove and artists. The negro finally told the truth, or part August 21, 1888. labor they did to procure and protect the health of our town.

"Very respectfully,
"O. B. MAYER, JR., M. D., President Board of Health." Newberry, S. C., August 1st, 1888.
