A great many of the people in this community attended the exercises of the Prosperity High School on last Friday night., The exercises were very interesting.

On Monday afternoon (24th) we, accompanied by our young friend Mr. G. S. Rikard, of Prosperity, had the pleasure of attending the Christmas tree given at the Ridge Road; Academy. For fear our friend "Sometimes" will think that we are intruding on season that we admire. It expresses the his tramping grounds we will carl off by saying we enjoyed a pleasant visit and glad to learn the school is in a

flourishing condition. Another Christmas has passed away and the little ones have enjoyed a pleasant time, each one showing what Santa Claus gave them. Bless the little children. We hope they have, one and all, enjoyed a happy Christ-

A great many of the people in this vicinity attended the Newberry Lutheran Conference held at Mt. Pilgrim Church from Friday until Sunday inclusive. The attendance was large and the services very interesting.

A "leap year social" was given at Mr. J. H. Crosson's residence on last Friday night. The attendance was good and the young folks enjoyed a pleasant time. Leap on, girls, if 1888 is out let us all enjoy ourselves.

We notice a great deal has recently been said concerning the Murray Road Law, and what resolutions should be passed in order that we might have good roads. Now, we have very little to say concerning this matter, but we heartily enderse the views given by our friend "Sometimes" that appeared in last week's Herald and News. 'Subs'', and also the privilege of allowing persons to pay the commutation fee of \$4.00 in order to exempt them from road duty. When these two obstructions are done away with, we are forced to believe that better roads and less complaint will be the result, and not before. Let us have better roads and less complaint.
Prof. W. C. Schott, of Newberry Col-

lege, spent Saturday night in this community. As we now enter upon the duties of the new year, we wish The Herald and News much success and hope many new names may be added to its list of subscribers.
