THE WEALTH OF NEWBERRY.

The Valuation of All the Property in the County, as Returned on the Auditor's Books—An Increase Over the Returns of 1887-88 of Nearly One Quarter of a Million Dollars.

County Auditor Houseal has finished his abstract of the returns of all the property in the county, both real and personal. This abstract is made from the returns for the fiscal year ending November 1, 1889. We have gathered some information from the figures that may interest the tax payers in the county. The total taxable property in the county, it will be seen, is $4,105,675 against $3,892,620 for the previous year. In some of the townships there has been a gain while in others there has been a decrease in the returns. The returns of personal property are meant to show the value of property on hand on the first day of January of this year. The total value of the personal property in the county is $1,416,230. Last year the property was returned at $1,209,420 which shows an increase of $206,810, but in last year's return the cotton mill was not included and it is valued at about $175,000.

The sheep and goats, and the dogs run very nearly together in numbers.

It seems to us that there ought to be more hogs in the county and the return of cattle is also very small.

The total merchandise returned for the whole county is only $240,975.

But here are the figures. The reader can study and compare them for himself.

Merchandise &c., valued at	240,975

Engines, tools, and so forth, also including the Newberry Cotton Mill, are valued at $237,460.

On the Cotton Mill there is only the two mill school tax paid.

The value of all monies on hand on the first of January 1889 including bank bills and circulating notes is returned at $211,585. This includes the bank stock which is itself $150,000.

Value of credits including mortgages and credits over and above indebtedness is returned at $109,025.

Bonds not exempt from taxation $5,000.

All other property including household and kitchen furniture is valued in the returns at $220,270.

It might be profitable to study these figures by comparison, and we give herewith some figures from the return made on first of January 1888 for the fiscal year beginning November 1st, 1887:

RETURNS FOR 1887-'88.

1,469 Horses valued at	$ 83,625
2,366 Mules " "	141,060
4,532 Cattle " "	40,665
1,992 Sheep and Goats valued at	2,015
3,955 Hogs valued at	8,230
1,725 Dogs valued at	8,625
Merchandise valued at	224,335

It will be seen by comparing this return with the one for this year that there has been a slight increase all around.

RECAPITULATION.

We give below a summary of the two years giving the totals for each year:

RETURNS FOR 1887-'88.

Real Estate	$ 2,322,300
Personal Property	1,209,420
Railroad Property	360,900
Total	$ 3,892,620

RETURNS FOR 1888-'89.

Real Estate	$ 2,328,545
Personal Property	1,416,230
Railroad Property	360,900
Total	$ 4,105,675

This shows an increase in valuation of real estate of only $6,145 and in the valuation of personal property of $206,810. The railroad property stands the same.

The total increase in the valuation of all taxable property over the returns of last year is $212,955. As the Newberry Cotton Mill is included in the returns of this year it will be seen that the increase in valuation comes almost entirely from that source.

A Card.

Mayor's Office,
Newberry, June 26.

The citizens of the Town are earnestly requested to cleanse and disinfect their premises promptly and regularly without waiting to be reported. The Board of Health are doing all in their power to preserve the health of the town, but they need aid and co-operation. They have no more at stake than the rest of our citizens. And it is important for all alike, that the town be kept clean during the summer months.

This request is made by the Board of Health and the Town Council, in the interest of the public health, and it ought not to be necessary to repeat it to reasonable people.

Geo. B. Cromer, Mayor.

VARIOUS AND ALL ABOUT.

To-day is the "glorious fourth"

Mr. Charley Cannon has resigned his position in the postoffice and is clerking ing for Smith & Wearn.

Mr. J. Epps Brown is now the clerk at the Newberry Hotel.

The County Commissioners will hold their regular monthly meeting on Saturday of this week.

The Knights of Honor of Newberry have sent $25 to the Johnstown sufferers.

There has been plenty of rain the past few weeks. Some farmers are complaining, but the crops are still looking well.

The examination of applicants for the appointments to the Winthrop Training School was held yesterday. There were four applicants. The result will be announced in a few days.

Mr. John A. Chapman may be expected to speak at 5 o'clock next Sunday afternoon, if not providentially hindered.

Miss Hettie Belle Lake, of Newberry, at an entertainment given by the literary society of the Laurensville Female College, at its recent commencement, presided with graceful dignity.

The stockholders of the C. N. & L. R. R., will hold a meeting in Columbia on Tuesday next. Newberry township will not be entitled to representation, inasmuch as the bonds have never been delivered for the $10,000 voted.

There will be a barbecue at the factory to-day given by P. F. Baxter and J. H. Chappell. The proceeds over expenses will be given to the Sunday-school at that place. Speeches will be made by Rev. W. S. Wightman, Harry H. Blease, Esq., and Cole. L. Blease, Esq.

There is to be a Republican mass meeting at Helena to-day gotten up by the Kennedy men. We have been unable to learn the programme but suppose Frank Hicks who has just returned from Washington will address the meeting. The other barbecue that was announced for to-day at Maj. Jones' grove by the other wing of the Republican party has been recalled, inasmuch, as the chairman Sam Chappell, has not returned from Washington. It will be held later when he returns.

Henry Kennedy says that Robert Smalls, H. W. Purvis, F. L. Hicks, Berry Neely and himself will address the assembled multitude at Helena to-day.

Personals.

Hon. M. C. Butler spent last Friday and Saturday in Newberry the guest of Col. C. H. Suber.

Miss Leah Foot and Mr. M. Foot, jr., attended the commencement ball in Columbia last week. They were the only representatives from Newberry.

Col. Geo. Johnstone and Geo. B. Cromer, Esq., are attending court at Walhalla this week.

Mrs. A. C. Jones of Columbia is visiting her father Mr. T. F. Greneker.

L. W. Jones, Esq., and his bride reached Newberry on Monday.

Miss Louise Pressley, of Columbia, is visiting Mrs. T. F. Tarrant.

Miss Annie Cargill, of Columbus, Ga., is on a visit to Miss Lizzie Glenn.

Miss Lizzie Ruff left Tuesday to visit relatives in Clinton.

Misses Sallie and Lucy Wright are visiting relatives in Laurens County.

Early next week Mr. and Mrs. Moody and children, Miss Mamie Holbrook and Mrs. Sophie Redus will start on a summer trip North.

Mr. J. J. Lane contemplates visiting the Paris Exposition.

Mr. W. W. Hentz and Mr. T. S. Sease have returned home from the South Carolina College.

Mrs. M. E. Gilliam is spending the summer at Saratoga Springs.

Miss Hattie Wells is visiting Mrs. Dr. East in Charlotte, N. C.

The Postoffice.

The postoffice appointment here is still a matter of discussion. All the candidates are still pressing their claims. Whitmire, who has the appointment, is still in Washington trying to keep the position. A telegram was received here on Monday from Washington stating that Whitmire had withdrawn and that the race had narrowed down to Mrs. Herbert and Mrs. Tunnage.

Sam Chappell, who is espousing the cause of Robert Moorman is still in Washington, although we understand that he says the outlook is gloomy for any one to be appointed.

J. S. Russell is still hopeful.

Frank Hicks, who left Washington on Sunday says the report that Whitmire had withdrawn is not correct, that Whitmire is there straightening up some charges, and that he will hold on to the end. Henry Kennedy says Whitmire knows better than to withdraw.

So the matter is muchly mixed yet. In the mean time Mrs. Herbert continues to discharge the duties of postmaster.

Mr. Russell desires us to say that he did not mean to convey the idea by his statement in The Herald and News of last week, that "he was opposed to negro rule," that he objected to their holding office altogether. He meant to say that he is in favor of the colored man having only such offices as he is competent to fill.

Minter & Jamieson are opening up an elegant line of Clothing. Their prices will be low to suit the times. tf.

Wright & J. W. Coppock are now opening a superb line of Spring and Summer Clothing, selected with special care, which they will sell as low as the lowest. No humbug about this. Give them a call or you may wish you had. tf.

The Normal Institute.

In response to the call of the County Board of Examiners, about forty teachers attended the Institute here last week.

The work began on Tuesday morning, 25th, and ended Friday evening, 28th.

On the first day the weather prevented many from coming who would have been present had the day been favorable.

On Wednesday, and each day following, the attendance was very gratifying.

The principal, Prof. Morrison, announced on the first day that the work would be chiefly for teachers in the country schools, which are ungraded.

The primary part of the teacher's work received special attention during the week. The supposition was, we suppose, that if a teacher knows how to begin right with the lower grades, he will have no troube in dealing with the higher.

It would be useless to give here an account of all the work done at the Institute, or to tell all the methods laid down for the guidance of teachers. It is sufficient to say that the instruction was good, which is shown by the fact that each teacher seemed very much interested during the entire session.

Prof. Morrison's lectures on local history were particularly interesting. They showed to the teachers plainly that local history should receive more attention than it does.

Miss Bonham's methods of teaching little children seemed to captivate the teachers. It is given to but few, however, to teach primary classes as well as she.

Besides the Institute proper, there were several lectures in the opera house at night.

On Wednesday night Hon. J. S. Verner spoke to the people of Newberry on the peculiar and almost alarming state of things which now exist in South Carolina. With facts and figures to prove his assertions, he insisted that we have difficulties and dangers to meet that seldom confront a people. He urged that every one prepare to aid in solving the great problems now before him.

Mr. Verner is a man thoroughly awake to the interest of this State.

On Thursday night Prof. Morrison lectured on "Graded Schools." He told what a graded school is, its advantages over other schools, and also showed that it costs no more money to run it.

A great many other towns in the State have established graded schools, and there is no reason why Newberry could not do likewise. We hope that our progressive citizens will hesitate no longer on this important question.

On Friday night Hon. W. C. Benet, of Abbeville, true to appointment, met a Newberry audience at the opera house. On account of rain a great many were prevented from hearing this distinguished speaker and finished scholar. Mr. Benet spoke of the refining influences of higher education, and urged the teachers to have their pupils cultivate a taste for reading and studying the works of great and distinguished men.

Mr. Benet is a polished and impressive speaker.

It would be unpardonable to fail to mention the names of those, who having the gift of song, helped so much to make the Institute a success. Without music any kind of a gathering must be wanting. The thanks of the County Board and teachers are due to Mrs. Peter Robertson, Misses Mamie Holbrook, Bessie Wheeler, and Messrs. E. C. Jones, Eduard Scholtz, S. B. Jones, and J. M. Kibler, for having entertained the Institute each morning with the best of music.

It was gratifying to see so many of the citizens of Newberry, both town and county, at the session each day. By their presence they showed that they are interested in the work of common schools. The following are the names of the teachers present:

Misses Jo L. Jones, Aileen Broadus, Fannie Baxter, Emma Julian, Mattie McIntosh, Nellie Chapman, Idella McCants, O. E. Garlington, Sudie E. Pitts, W. L. Cosby, Janie Chalmers, Beniah Granicker, Minnie E. Pitts, Lilian Glenn, Lola Teague, Lucy Teague, Lucy Whaley, Jo Langford, Sallie Langford, Mattie Caldwell, Sallie Pugh, Lillie Werts, Nora V. Lake, Annie Cofield, A. S. Cosby, Mesdames S. L. Hodges, Mamie Cuttino, Orangeburg, Jane A. Long, Maggie Tarrant, Rev. A. J. Bowers, Messrs. H. H. Rikard, Lexington, B. W. Glasgow, J. S. Wheeler, G. F. Long, Edgefield, Wm. A. Counts, Lexington, W. A. Pitts, G. A. Mills, Edgefield, H. A. Boyd. In addition to these each college professor was present one day or more during the week.

We hope that the work done at the Institute may be of lasting good to common school education in Newberry County. K.
