On last Saturday morning the editor of The Herald and News boarded the Laurens train for Pomaria, to attend, by invitation of friends in that section, a picnic to be given by the Sub-Alliances of that portion of the county on that day. The crowd was estimated at from 1,000 to 2,300. If we had not decided never again to estimate a crowd we would say there were about 1,000 persons present. Any how, there was a large crowd present for a picnic and there were a large number of ladies out. The picnic was under the auspices of the Sub-Alliances of that section. Whether there was a union of two or more we are not informed. We noticed on the stand the presidents of two-

He argued that if it were a law it would enable the farmers to hold their cotton and thus do away with middle men and speculators and sell direct to the factories and thus get more for their cot-ton. He thought the bill was consti-tutional and could be classed and passed under the general welfare clause.

Rev. J. A. Sligh was next introduced and made a forcible speech. He spoke of the necessity of the farmers organ-izing and working together. Only by organization could they command and demand respect and recognition, for if they were organized they would be a power and their influence would be felt and appreciated. He took occasion to say that any farmer who would not join the Alliance had the kiss of Judas on his lips and ought to have the mark of Cain on his head. He was not after arraying class against class but the farmers ought to organize enchanting scenes of Upper and Lower and stick together. On Tuesday 22d the day of the annual meeting of the stock holders of the Columbia Newberry and Laurens Railroad, we, through the kindness of Capt. H. C Moseley, of Prosperity, in banding we a free tight, had been discovered. handing us a free ticket, had the pleas ure of visiting Columbia by the new line. We were much delighted with the country in which the road passes and we believe the day is not far distant when its opposers will say that South Carolina has been benefited by the new road. This was our first ride on the road and we returned to Prosperity feeling that we had spent a pleasant day in the city and enjoyed a delightful ride over the Columbia. wherry and Laurens Railroad

Persons calling for the above letters will dates for legislative honors, viz, I. M. Smith, W. G. Abrams and S. E. Senn. I am unable to say anything positive as to the truth of the report. The idea seems to be to put in men in favor of the Sub-treasury bill and to beat Wade Hampton for the U.S. Senate. Be careful, boys, and don't break down too much of the Democratic wall.

The following is an extract from a letter written by the World Renowned Evangelist:

"I returned from Tyler, Texas, on the 12th inst. I find my wife has been taking Royal Germetner to the GREAT UPBUILDING of her physical system. She is now almost free from the distressing headaches with which she has been a MARTYR for twenty years. Surely it has done wonders for her! I WISH EVERY POOR SUFFERING WIFE HAD ACCESS TO THAT MEDICINE."

Rev. J. B. Hawthorne, Pastor First Baptist church, Atlanta, Ga., was cured of a long standing case of Catarth. His wife had been an invalid from nervous headache, neuralgia, and rheumatism FOR THIRTY YEARS, scarcely having a day's exemption from pain. After taking Royal Germetner two months, he writes: "A more compiler transformation I have never witnessed. EVERY SYMPTON OF DISEASE HAS DISAPPEABED. She appears to be twenty years younger, and is as happy and playful as a healthy child. We have persuaded many of our friends to take the medicine, and the testimony of all of them is that it is a great remedy."

Dr. King's Royal Germetuer is a boon to women. At builds up the strength, increases the appetite, aids digestion, relieves them of the cause of disease, and insures health.

It is an infallible cure for Rheumatism, Neuralgia, Paralysis, Insomnia, Dyspepsia, Indigestion, Palpitation, Liver, Bladderand Kidney Diseases, Chilis and Fevers, Catarrh, all Blood and Skin Diseases, Female Troubles, etc.

Prompted by a desire to reach more suffering people, the price has been reduced from \$2.50 to \$1.50 per concentrate I bottle, which makes one \$1.50 per concentrate I
