COCACE OF STABBILLISE STORY

We have printed full reports of the fewer at Clemson, including the row ribus report of the committee from the

take any backward sten

that the people may know what is to make it a complete success.

porter for the News and Courier just | riet:

"There is considerable to be said. replied Dr. Rees. "In the first place I must say that it was unfortunate that Dr. Tabor should have been nurried in making the report for Dr. Evans. know they wanted to get it in for the regular meeting of the Clemson board the fall. on the 7th, but this prevented its being full and complete. A supplemental report will be prepared and added that will bear indisputable evithe nature of the disease that was in

"The board of trustees, I note, says tion was hurried, and insinuates that while we, perhaps, did the best we could, that it was only a middling

"As matters of fact I show what we did and how we have come by our con-clusions. We arrived at the college grounds about 4.30 o'clock on Monday afternoon. There were still some hours of sunlight and we drove about the of sunlight and we drove and buildings and premises, taking a general view of the buildings and premises. On Tuesday we examined thoroughly on the surroundings. On On Tuesday we examined thoroughly the grounds and surroundings. On the grounds a through every halfding on the grounds a third the downstories and the dawn. We set at 10.30 of the X Thursday morning.

Our unnations option after our ties was that the fever then treatent.

Good News for Wide-Awake Shoppers.

Most of you know that the season is drawing to a close. It means more to us than to you. We have taken a sort of preliminary census of our stock. Here and there we find a few dozen, or few pieces, of goods that are tag ends of lots gone before. We would rather sell these goods out of the way at than carry over. Maybe you trust your own judgment more than our advertisements, then make a tour of investigation to the store. We are will-

ng that you should decide. Special bargains in Lace Etamires. Fancy Linens, Organdies, Batistes, Dimities, &c.

Grand remnant sale of wash goods in five and ten yard lengths, regular price 15c. and 25c., now Sic. and 10c. Lace from 5c. to 50c. per yd. Embroidery in Cambrie, Swiss and Nansook Edgings and Insertings ready for use from 2⅓ to 50e, per yd.

Special bargains in Corsets. Domestics at prices which make com-

petition impossible.

MILLINARY—Our first Hat sale, Every lady must attend—in justice to herself, in justice to her purse. We have made up a nice ine of Trimmed Hats—Short Backs, Sailors, large and small shapes, Bonnets and Turbans. You will find untrimmed fancy straws, in all shapes and colors. 75c. goods, now only 25c. You will also find beautiful bunches violets, roses and all flowers of the day at greatly reduced prices. Come and see
