A CONVENTION OF COTTON GROWERS HELD IN COLUMBIA.

The Organization of the South Carolina Cotton Growers' Association Perfected and Delegates Elected to a Convention Called to Assemble in Atlanta on the Second Tuesday in December. A Chairman Elected for Each County of the State.

(Special to News and Courier.)

Columbia, November 11.—The South Carolina Cotton Growers Convention convened in the Court House this morning at 10 o'clock, with about a hundred delegates present.

In accordance with its plans made the day before the Convention elected two delegates at large and one from each Congressional district in this State to represent the State at a Convention of all the cotton growing States to be held in Atlanta the second Tuesday in next month. County chairmen were also chosen to perfect county and township organizations along the lines suggested by the State organization.

The meeting opened with the reading of the report of the committee appointed to map out a plan of action.

The committee incorporated in its report the resolution of the preceding day looking to a general Convention in January, 1898, to the appointment of delegates from this State and recommending township organizations.

The second resolution, which the committee recommends for adoption, reads as follows: "That it is further the sense of this meeting that over-production is one of the leading factors which tend to depress the price of cotton and subject the producer to the influences and control of speculation."

Mr. John T. Duncan introduced the following as a substitute, which was adopted, Senator Butler alone voting "no."

"Notwithstanding the cry of over-production as a justification of low prices, the crop is taken and consumed; yet, in order the more readily to accomplish our purpose of controlling prices; we recommend the increase of other crops, and the consequent reduction of the cotton crop;

thereby becoming less dependent on others for supplies, and more independent in the sale of our cotton."

The committee's third resolution, which reads as follows, was then taken up: "That this meeting should adopt decisive measures to secure to co-operation of cotton growers in all sections of the country in reducing the acreage and production of cotton, and adopting some system by which prices can be maintained, so as to give the producer fair remuneration."

On motion of Mr. Duncan, that portion of the paragraph reading, "in reducing the acreage and production of cotton," was stricken out.

Then, on motion of Senator Butler, the committee's report as amended was unanimously adopted as a whole, as follows:

"Having had under consideration the resolution of this Association, instructing it to prepare the order of business for the meeting, your committee beg leave to report the following resolutions:

"1. That it is the sense of this Association that any and all efforts made to advance and promote the interests of the producers of cotton, by enhancing the price, establishing and maintaining stability of markets and securing remuneration to the producer, should have and receive the cordial endorsement and support of this Association.

"2. That, notwithstanding the cry of over-production as a justification of low prices, the crop is taken and consumed; yet, in order the more readily to accomplish our purpose of controlling prices, we recommend the increase of other crops and the consequent reduction of the cotton crop, thereby becoming less dependent on others for supplies and more independent in the sale of our cotton.

"3. That this meeting should adopt decisive measures to secure the co-operation of cotton growers in all sections of the country in adopting some system by which prices can be maintained, so as to give the producer fair remuneration.

"4. Looking, therefore, to the furtherance of the above recommendations, we adopt as a part of our report the preamble and resolutions adopted on yesterday by this Convention, viz:

"In view of the magnitude of the organization necessary to meet, with any promise of success, the disastrous conditions that confront the producers of cotton, involving the active co-operation of the individual producer from North Carolina to Texas; and in view of the necessity for a full representative meeting at every stage of the organization.

"Be it resolved, first, That the president of the Convention be authorized to call an Inter-State Cotton Growers' Convention, to be held in the city of Atlanta the first Tuesday in January, or as soon thereafter as practicable, at which meeting each cotton growing State be requested to send as many representatives as it now has members of the United States House of Representatives, for the purpose of devising ways and means to avert the disaster that threatens.

"2. That a delegate from each congressional district be appointed to said Convention from this State.

"3. That the president of this meeting call upon agricultural organizations in other cotton growing States, or in the absence of agricultural organizations request the Governor of such State to call similar meetings in their respective States, for the purpose of discussing the situation and electing delegates to the said Inter-State Cotton Growers' Convention.

"4. That in the opinion of this body, nothing short of a township organization as the basis, reaching up through county and State organization, will prove effectual in this great work.

"And we recommend that delegates from the several Congressional districts in the State and two delegates at large be elected to represent this Association."

Mr. J. W. Youmans introduced the following, which was adopted without dissent:

"Resolved, That the secretary of this Association be instructed to serve a copy of these resolutions on Mr. Hector B. Lane, president of the Southern Cotton Growers' Protective Association."

Then, on motion of Senator Butler, the Convention went into an election of delegates to the Atlanta Convention, which resulted as follows:

Delegates at large, M. I. Donaldson, of Greenville, and Dr. J. W. Stokes, of Orangeburg, First district, Thomas M. Martin, 2d district, L. W. Youmans, 3rd district, J. E. Bradley, 4th district, Dr. J. B. Stepp, 5th district, J. C. Wilborn, 6th district, J. C. Brooden, 7th district, E. D. Smith.

Alternates were chosen as follows: Second, T. S. Allen; fourth, J. H. Wharton; fifth, T. J. Cunningham; sixth, J. C. Sellers. The delegates of the 1st, 3rd and 7th districts were authorized to appoint substitutes in case they were unable to attend.

Mr. Donaldson introduced the following, which was unanimously adopted:

"Resolved, That the thanks of this Convention are due and are hereby extended to Mr. J. T. Roddey for his valuable advice and assistance during the meetings of this Convention."

After considerable discussion and offers of amendments, the following, introduced by Mr. T. L. Gantt, was adopted:

"Resolved, That one committeeman from each county in the State be elected by this Convention to organize a movement in their respective counties, and that said committeeman be instructed and empowered to appoint a sub-committeeman in each township in his county to meet in convention on Saturday in December."

The following are the chairmen selected in accordance with the resolution: Abbeville, John R. Blake; Aiken, Arthur Cushman; Anderson, A. C. Latimer; Bamberg, S. G. Mayfield; Barnwell, L. W. Youmans; Beaufort, Senator Talbird; Berkeley, J. B. Morrison; Charleston, R. C. Barkley; Chester, R. A. Lov; Chesterfield, W. P. Pollock; Cherokee, W. D. Camp; Clarendon, J. E. Tindal; Colleton, M. R. Cooper; Darlington, J. J. Lawton; Dorchester, C. J. Allen; Edgefield, S. B. Mays; Fairfield, J. B. Walling; Florence, J. W. McGowan; Georgetown, LeGrand Walker; Greenwood, Mike Kinard; Greenville, John R. Harrison; Hampton, W. J. Gooding; Horry, J. A. McDormont; Kershaw, J. C. Rolling; Lancaster, J. R. Knight; Laurens, John H. Wharton; Lexington, D. F. Efland; Marion, J. E. Ellerbe; Marlboro, W. D. Evans; Newberry, R. T. C. Hunter; Oconee, C. R. D. Burns; Orangeburg,

L. C. Connor; Pickens, W. T. O'Dell; Richland, J. T. Duncan; Saluda, N. A. Bates; Spartanburg, Jos. T. Johnson; Sumter, J. Harvey Wilson; Union, H. C. Little; Williamsburg, Dr. A. H. Williams; York, W. N. Elder.

Mr. Duncan moved to reconsider that part of the resolution fixing the Atlanta Convention for the first Tuesday in January, and make the date of that meeting the second Tuesday in December, his object being to have that Convention as soon as possible, so as to influence the next crop. This met with approval, and his motion was carried.

On motion of Mr. W. D. Evans it was resolved that each county chairman raise \$1 for the future expenses of the general State Association. The president was also authorized to make another such call for funds whenever necessary.

The following, introduced by Mr. J. W. King, was adopted:

"Resolved, That the county chairmen have the resolutions adopted at this meeting printed in their respective county papers."

After adopting the following, introduced by the Hon. M. B. McSweeney, the Convention adjourned sine die, and went out to look at the military parade:

"Resolved, That the thanks of this Convention are due, and are hereby heartily tendered, to Col. J. C. Wilborn, the presiding officer of this body; Col. R. B. Watson, vice president, and also to the efficient secretaries for their faithful services."

### STATE JOCKEY CLUB

IT WAS FORMED DURING THE RECENT FAIR.

Prominent Men Join—Object, The Encouragement of Raising Blooded Horses and Having Annual Meets.

[The State, 15th.]

During fair week an association was formed which promises to do a great deal for the development of fine horseflesh in this State. Yesterday the following information concerning it was given the press:

A representative body of gentlemen interested in races and improvement of the blooded horses met in the rooms of the executive committee of the State fair association on the 12th and formed an association to be known as the Riding and Driving Association of South Carolina. The object of this association is to improve the blood and give an annual exhibition in connection with the State fair. The association started out under the brightest auspices and proposes to conduct these annual exhibitions on a high and legitimate plane. Fraud of any character will be punished and stamped out.

The names of the charter members and officers of the association is a sufficient guarantee that this will be done. The organization was perfected with the following charter members: His excellency, Gov. W. H. Ellerbe, ex-Gov. Johnson Hugood, ex-Gov. J. P. Richardson, ex-Gov. J. C. Sheppard, ex-Gov. J. G. Evans, Lieut. Gov. M. B. McSweeney, Col. J. C. Haskell, W. A. Clark, Col. Thomas Taylor, Maj. A. T. Smythe, Col. Alfred Aldrich, W. D. Starling, T. O. Sanders, W. J. Barker, Col. J. B. Bates, Dr. T. The following gentlemen were elected officers for the ensuing year: President—Col. John C. Haskell. First Vice President—Thomas Taylor. Second Vice President—W. H. Frazier.

Executive Committee.—A. T. Smythe, Charleston; Starling Hinson, Charleston; Silas McCaughrin, Newberry; D. P. Verrier, Greenville; James Cantey, Camden; J. K. Garnett, Garnett; F. D. Kendall, Columbia; W. B. S. Whaley, Columbia; J. B. Bates, Barnwell; C. S. McCullough, Darlington. Secretary—W. L. Sanders, Claremont. Treasurer—Hugh Meighan, Columbia.

The meeting was then adjourned with the understanding that the executive committee would meet in February, 1898, with the executive committee of the fair association for conference to complete the union between the two organizations. The annual dues have been placed at the nominal sum of \$10, which includes membership fees and dues for the first year, so as to induce every gentleman throughout the State who is in sympathy with the promotion of such an organization to join and make the association a strong and representative one. It is further earnestly requested that every gentleman so inclined will give his name and put himself in immediate communication with the secretary, W. L. Sanders, Claremont, S. C.

DISPENSARY GETS ANOTHER HARD RAP.

Southern Railway Must Halt Whiskey Into South Carolina—Important Decision Handed Down.

Atlanta, Nov. 13.—Judges Pardee and Newman of the United States court, handed down a decision in the famous dispensary case this morning enjoining the Southern from refusing to haul liquors into South Carolina in future.

The decision is an important one in that the original package law is involved. The judges decided that liquors and wines in bottles, packed in boxes and shipped in earload lots were, under the law of South Carolina, clearly admissible and should be hauled by any railroad.

The case has attracted great attention. The whisky company never had any trouble with the Southern in this respect until a few weeks ago, when the latter positively refused to haul any more goods into South Carolina.
