NEWBERRY GUARDS.

They Leave Today for Columbia to be Mustered Into the United States Army.

The Newberry Guards go to Columbia today under the call of the Governor for volunteers. We hate to see the boys go, but we admire the spirit which moves them and commend them for their patriotism and valor. Under the resolution adopted some time ago they could not do less than respond to the call of the Governor.

Captain Langford will make a good officer. He had four years training at the Citadel and the boys have confidence in him and they are made of the stuff to uphold his hands in a stick. We expect to hear good reports from the Newberry boys.

The other officers are good and competent men and while most of the entire company is of young men they are the kind who make good soldiers.

We give below the roll which shows 80 men all told but there are several others who will join them at Columbia and we think a sufficient number to make their company complete.

B. M. Aull as 2d lieutenant has resigned and his place will be filled after they reach Columbia.

The other corporals will also be elected at Columbia.

Our best wishes go with the boys and we hope they may all be safely returned to us.

Captain—W. S. Langford, 1st Lieutenant—R. H. Wearn, 2d Lieutenant—B. M. Aull, 1st Sergeant—T. H. Pope, 2d Sergeant—J. G. Daniels, 3d Sergeant—T. O. Stewart, Jr. 4th Sergeant—P. D. Mower, 1st Corporal—James Renwick, Drummer—G. G. Jones, Drummer—W. H. Hunter.

Discovered by a Woman. Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its claws upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles has been absolutely cured. Her name is Mrs. Luther Lee. Thus writes W. G. Hamrick & Co., of Shelby, N. C. Trial bottles free at Robertson & Gilder's and Pelham's Drug Store. Regular size 50c and 1.00. Every bottle guaranteed.
