OFF FOR ATLANTA.

The James D. Nance Camp and Their Friends off for the Gate City—Newberry Well Represented.

The members of the James D. Nance Camp and their friends left Newberry this morning at 6:45 o'clock for Atlanta to attend the reunion of Confederate Veterans.

A large, commodious and convenient special coach had been left here through the efforts of Agent J. A. Burton, who spared no pains to make the trip as pleasant and the accommodations as perfect as was in his power.

A long streamer was placed on each side of the coach; James D. Nance Camp, U. C. V., Newberry, S. C.

The fare for the round trip from Newberry to Atlanta had been placed at the low rate of \$1.05 and the delegates from the camp were accompanied by many friends.

The people of Atlanta have made extensive preparations and intend making this occasion the best of all the annual reunions, and a pleasant time is in store for all who attend, and the Newberry delegates and their friends will show up in good style and have a prominent place in the picture.

The following is a list of those who left this morning in the special coach: Geo W Reid, Bur Martin, J Cal Neel, Mrs B O Epling and little daughter, Mattie, Mr and Mrs H D Booser, S P Booser, Mr and Mrs J B Reagin, R C Perry, W G Metz, J A Dominick, E B Setzler, Mr and Mrs T E Epling and family, Miss Bernice Smith, Mr and Mrs E P Matthews, Jno C Wilson, W T Tarrant, E H Leslie, Miss Ellie Griffin, Miss Laura Bease, Miss Lucie Wilson, I H Boulware, Miss Annie Crump, J G Rikard, Wm Johnson and son, and others whose names we were not able to get.

From Prosperity: Andrew Kinard, A G Wise and two children, Annie Belle and Birge, R T C Hunter, N H Young, J L Hunter, J C Counts, O L Schumpert, Jr, R I Stoudenmeyer, Jno B Pellers, J N Feagle, J W Hartman.

We have published a notice for several issues of the County Farmers' Institute to be held at Brown & Moseley's grove near Prosperity on July 20 under the auspices of Clemson College. We desire again to call attention to it. This Institute is held for the benefit of the farmers of Newberry but unless they attend they can receive no benefit from it. Every farmer in the county who can possibly do so should lay aside other duties on that day and take his wife with him and spend the day at the Institute.

There is something to be learned at all these Institutes and you may learn the very thing you have been wanting to know all these years. By all means arrange to attend the Institute tomorrow, Wednesday, 20th, at Brown & Moseley's grove near Prosperity.

Dig down to the cause of your sickness, if you want to get well and stay well. Most likely it's indigestion. The irritating poisons of fermenting, putrid food, left in the stomach by indigestion, cause headache, neuralgia, nervousness, dizziness, stomachache, nausea, and all the other well-known symptoms of indigestion.

They also cause many pains and disorders which are often laid to other causes and hence are not easily cured. But as soon as the poisons are removed, all these symptoms and disorders disappear, because there is nothing left to cause them. Nothing succeeds in this like Shaker Digestive Cordial, because it prevents the undigested food from fermenting in the stomach and helps the stomach to digest its food.

Sold by druggists, price 10 cents to \$1.00 per bottle.

Our Dentists at the Association. The city dentists, who were all present at Harris Springs at the State Association, have returned home and their several parts in the meeting were as follows:

Dr. Jones reported as chairman of the committee on Dental Laws.

Dr. Booser presented an interesting case of irregularity.

Dr. Johnstone had something to say on several of the subjects discussed.

Dr. Thompson was re-elected as a member of the State Board of Dental Examiners for five years.

They had a royal good time at Harris Springs and will go back next year.

CHICKAMAUGA NATIONAL PARK. A Great Opportunity To Pay a Visit to the Camp.

R. R., afford an opportunity for seeing the Park and paying a visit to friends in camp which cannot be equalled. Tickets on sale to Atlanta, from all principal points, July 15th-19th inclusive, good until July 25th. Apply to Ticket Agents, or to T. J. Anderson, General Passenger Agent, Portsmouth, Va.

For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. OUR PROSPERITY BUDGET

ALL THE NEWS OF A LIVE AND PROGRESSIVE TOWN.

Special Correspondence Herald and News. Picnics are all the go now and there will be a number of them in the near future. There will be a Sunday-school picnic at Mt. Tabor church on Saturday, the 24th of July.

I am requested to state by Superintendent Hartman, of Mt. Pilgrim, that his Sunday-school will have a picnic on the 29th of July and that there will be several speeches to the children and that the community is invited and any one else that may feel an interest in the Sunday-school work.

Mrs. F. E. Schumpert will leave on Tuesday to visit her sister, Mrs. Wise, at Plains, Ga. She will spend several weeks in the Empire State.

I am requested to state that all who have relatives or friends buried in the Prosperity Cemetery and who feel like contributing anything towards the keeping of the same to hand their contributions to either Messrs. A. P. Dominick, G. D. Brown or S. S. Birge. This is a labor of love and all who have loved ones resting there should willingly contribute their mites and help the work of caring for the last resting place of their friends and kindred.

Rev. Dr. Reid, of Atlanta, Ga., was in attendance upon the services at the A. R. P. church yesterday. Mr. Reid will preach here on the 5th Sunday of July and the public is cordially invited to attend.

Mr. B. E. Cannon and his son, Olin, were in town on last Tuesday. We were glad to see him again as it looked like old times to see him on our streets. He came down again on Sunday and attended service here in company with Dr. Reid.

Mr. J. C. Norris was in attendance upon service in the Presbyterian church on Sunday.

Grace Sunday-school elected the following delegates to the County Sunday-school Convention at Bush River church on Tuesday and Wednesday: Prof. N. E. Auld, R. C. Counts, Misses Marie Bobb and Connie Whites. Alternates will be appointed by the Superintendent.

Mrs. A. G. Kirkpatrick will leave in a short time to visit her daughter who lives in Arkansas and will spend some time with her.

The Southern sold five tickets this morning to Atlanta. Among the number that went today we note Dr. Hunter and L. Z. Dominick.

Miss Lizzie Dryher, of Selwood, S. C., is visiting her room mate, Miss Gertrude Bobb. They will both return to Elizabeth College next year.

Mr. Jno. Watt Kirkpatrick has gone to the New Hope section and will spend some time with friends in that section.

There will be a large number of old veterans who will attend the reunion in Atlanta this week and we will try to give you their names over the phone tomorrow morning.

President Geo. B. Cromer, of Newberry College, came down yesterday and delighted the Sunday-school children of Grace church with one of his usual fine talks, and then again last night he addressed the Luther League and to say it was fine is but to put it mildly. His subject was "backbone," moral backbone, and he used Victor Blue and Hobson as illustrations of moral backbones, standing up and standing out for the religion they learned at their mother's knee. He said that it took more moral courage to stand up against the jeering of his classmates at Annapolis than it did for him to sink the Merrimac in the Santiago channel. And who does not know what it is to stand up in the face of a jeering, scoffing crowd and do his duty.

The election for first assistant teacher in the Prosperity Graded School was held this afternoon. Mr. L. L. Dantzer, of Batesburg, was chosen. He is a son of the Rev. D. D. Dantzer, of the South Carolina Methodist Conference, and a recent graduate of Wofford College.
