**The Piano Recital.** The Piano Recital by the music pupils of Miss De'le Land at the opera house last Friday night was a most delightful entertainment and was attended by a large audience of the music lovers of our city. The young ladies acquitted themselves admirably and the difficult selections so perfectly rendered showed thorough training and reflected much credit on the instructor. The audience were beautiful and striking, and those who were present regretted when the curtain was rung down on the last number on the program.

DeWitt's Witch Hazel Salve has the largest sale of any salve in the world. This fact and its merit has led dishonest people to attempt to counterfeit it. Beware of the man who attempts to sell you when you call for DeWitt's Witch Hazel Salve the great pile cure.

McLenna, of Johnston, are visiting their daughter Mrs. G. A. Wright. The time for paying town taxes expires tomorrow, Wednesday, 30th. The time has not been extended.

We have been reminded very forcibly for the past few days that winter was right upon us. Ice has been plentiful. Sergt. W. E. Blats, of Newberry, has accepted a position as traveling salesman for the Murray Drug Company.—The State, 23th.

The registration books for the town election will remain open until and including Thursday of this week. A certificate will be required to vote in the primary.

James A. Minnaugh, a prominent dry goods merchant of Newberry, is here on business. Mr. Minnaugh is well known in Greenville, having been in business here with his brother, Frank Minnaugh.—Greenville News. R. H. ### MARRIED.

Mr. J. R. Lyles, of the city of Columbia, and Miss Janie Davis, of Newberry, the popular daughter of Mr. J. W. Davis were married in Columbia during fair week. In the marriage of Miss Davis Newberry has lost a truly noble girl which Mr. Lyles and Columbia should be proud to gain.

### A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try it who has lame Back and Weak Kidneys, Malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, is a blood purifier and nerve tonic. It cures Constipation, Headache, Fainting Spell, Sleeplessness and Melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c. a bottle at Robertson & Gilder's and Pelham's Drug Store.

### What It Was Called.

Fort Lawn, S. C., Nov. 23, 1898.—J. W. Hindman of this place says he was afflicted with a sore on one of his limbs which was said to be a severe case of eczema. A friend urged him to take Hood's Sarsaparilla and he got a bottle. After taking it he was better, and when he had taken six bottles he was sound and well. He says Hood's Sarsaparilla is the best blood purifier in the world, and many others say the same thing.

### A BIG FIRE AT CHAPELLE.

Mr. A. S. Parks Lost His Barn and Stable and Other Property by Fire.

Mr. A. S. Parks lost his barn and stables; also, two cribs, one cotton house and buggy shed, one fine mule, 600 bushels of corn, three bales of cotton and eight or ten thousand pounds of fodder and hay by fire on Monday. He had only \$100 of insurance on barn. It is a heavy loss. Mr. Parks has been in bad health for some time and at the time of the fire was hardly able to get out of the house. His wife discovered the fire Monday morning about 4 o'clock. She was up giving him his medicine when she saw the fire come through the top of the barn. This is a heavy loss. Mr. Parks is a man who attends to his own business and he did not know that he had an enemy in the world. This is the first fire of the kind that the writer ever knew in this section, and we hope we will never see another one. It is supposed to have been incendiary.

### THE GREENVILLE TRAIN.

A Statement that it will Be Put On Over-Sea.

While it has generally been accepted as a fact that the extra train from Greenville would not be put on, the Greenville Index indicates that it has information that it will be between now and Christmas. The paper says: "It is probable that the efforts that have been made by the people living along the Columbia and Greenville railroad to get the railroad officials to put on an early train from Columbia to Greenville will be successful." "Since the meeting at Greenwood several weeks ago the people have not been idle. Another meeting was held in Columbia last week and a conference was had with the railroad officials." "The railroad men seemed to be afraid the train would not pay. They say the morning train, which at present runs from Prosperity to Greenville, does not pay below Greenwood." "It was represented that the un-courtesy could be given an early train without much additional cost. The Southern already has an early train from Columbia to Union, Spartanburg and Asheville, which uses the Columbia and Greenville tracks as far as Alston on the suggestion was made that this train could bring a coach from Greenville to Alston, while the train which now starts from Prosperity could be extended so as to start from Alston, which is only fifteen miles further." "While the railroad officials have not definitely promised to make the improvements requested, it is confidently believed that they will do so. The change is looked for between now and Christmas." "The new schedule will be a great convenience to the traveling public and a source of increased revenue for the road."

### Millions Given Away.

It is certainly gratifying to the public to know of our country in the hand who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine, and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call on Robertson & Gilder and W. E. Pelham, Druggists, and get a trial bottle free. Regular size 50c. and \$1. Every bottle guaranteed, or price refunded.

### Not a Candidate.

Editor E. H. Aull, of Newberry, passed through the city this afternoon on route to Savannah, where he goes in the interest of the Lutheran Publication House at Newberry, of which he is superintendent. Mr. Aull has been mentioned as one of the candidates for clerk of the House of Representatives. In conversation with me he said: "I have never announced myself as a candidate for the position. I was first mentioned by you in your Columbia correspondence as one of the probabilities. After that announcement was made a number of newspapers of the State gave it their endorsement, and I also received quite a number of letters from individuals and friends in different parts of the State asking me to make the race, and offering to give me whatever service they could in case I decided to become a candidate. I have answered these letters thanking them for their kindly interest in my behalf. I am deeply grateful to these friends and especially to my newspaper brethren for the kind words they said of me in this connection, and trust that I deserve them. I am not a candidate for the position and do not now intend to be one. I have no hesitation in saying that it is a position that I would be very glad to have and I do not feel that I would be considered egoistic if I were to say that I think I could fill it with satisfaction to the members of the Legislature. I realize, however, that in this day of practical politics one has to possess some of the qualities of the politician to obtain even a clerical position, I imagine, and I am not a politician in any sense. As you were the first to mention my name in connection with this position I would be glad if you would make this statement for me. I have not asked any member of the Legislature to vote for me, nor have I canvassed the field to see whether I could be elected."—Columbia cor. News and Courier.
