Three charming and blushing and handsome young maidens in company with a staid old married man, a member of their family, decided to have a little fun one night last week and at the same time test the charity of the residents on Calhoun street. The sympathies of some of he residents were so aroused that in addition to responding to the appeal for aid they and the beggars wept together. Best Ever Heard in Greenville,

The Greenville News, in reporting the Neblett will case now on trial in Greenville, has the following to say of the speech of our fellow townsman Col. Geo. Johnstone, one of the counsel for the plaintiff in the case:

Col. George Johnstone, of Newberry, leading counsel for the plaintiff, made a brilliant argument at the end of yesterday's session. Though always iorceful and logical, he was at times extremely eloquent, at other times bit terly sarcastic. His speech was interesting, instructive and entertaining, as well as profound and strong. When the court adjourned he was overwhelmed with compliments and his speech was pronounced one of the best ever heard in Greenville.
