All the Old Officers Retained-Mr. Juo. C, Goggans Elected Clerk and Treasurer.

According to previous announcement the city council held a meeting last night for the purpose of electing for the year 1899 sub-ordinate officers. The sull council was present at the meeting, and applications for the various positions were numerous, except for chief of Police-the present chief, Mr. H. C. Hunter, having no opposition.

Before an election was gone into the oond of the Clerk and Treasurer of the city was fixed at \$5,000 by vote of the council.

The election was then gone into which resulted in the election of the following:

Clerk and Treasurer-Jno. C. Gog-

Chief of Police-H. C. Hunter. Policemen-H. H. Franklin, S. G. Carter and E. P. Bradley. Street Superintendent-L. D. Wick-

Lamplighter and Janiter-Rial Bates. City Attorneys-Hunt & Hunt.

By vote of council the office of Foreman of the street force was decided on at a salary of \$30 per month and Mr. W. T. Jackson was appointed Foreman. This ended the elections and appointments and other business was taken up and discussed which is not yet in shape

to be of public interest. It was decided that the license for pool or billard tables run in the city for profit or gain shall be \$25 per year for the first table and \$10 for each additional table.

Auctioneer's license was also 'placed ıt \$25 per year.

Dr. James McIntosh, chairman of the Board of Commissioners of Public Works, appeared before the council on the part of the commissioners and stated that they had decided on a rate of \$80 per arc light for the city for the present year-this being much lower than other cities have to pay for same -and that they now had in operation 47 lights in the city.

Dr. McIntosh was informed that the council would act in the matter in a few days.

The council adjourned to meet on next Monday night.

Welcome to Newberry.

It is a beautiful custom and we are glad to see it. When a new preacher comes to town all the pastors of the other congregations close their churches and with their congregations in in a union service to give the new reacher a hearty welcome. And it is no perfunctory welcome, but a genuine old time Newberry welcome. There

are many good things you can always y for Newberry, but we believe she excels almost any place we know in denominational friendship. //There are no denominational jealousies and rivalries here that you find in so many places and yet we have nearly all the Gallman, Etta Franklin, Lula Long, Christian denominations represented Julia and Lillie May Moore, Essie Wilt. They are all laboring for one purpose, or should be and there is no sense in tearing at each others throats as is

too often the case. In accordance with this custom on Sunday night all the churches except the Methodist were closed and all the pastors joined in a union service at the pastor, Rev. W. I. Herbert, welcome. They were all there, Rev. E. P. Mc-Clintock, Rev. G. A. Wright, Rev. J. B. Fox, and Rev. J. L. Williamson, and all took some part in the service though the sermon was preached by the pastor, Rev. W. I. Herbert. There was also a large congregation present. Mr. Herbert stated that he appreciated this greeting of the brethern and hoped to have their sympathy in his efforts to perform his duties here as a pastor and

Mr. Herbert is really a Newberry man and has only come home. He is a son of the Rev. T. G. Herbert who was at one time on the circuit here and is a grand son of Mr. Isaac Herbert who lived and died in the Utopia section of this county. The subject of his sermon on Sunday night was love from the text "For God so loved the world that he gave his only begotton son, that whosoever believeth on him might not perish but have everlasting life." It was a good subject for the new year and also for the new preacher. We believe that too many preachers make a mistake in preaching too much condemnation and not enough love. That they dwell too much on the terrors preacher did on Sunday night than by lwelling on the punishments which follow sin, and the terrors of hell.

Mr. Herbert is a very pleasant times is eloquent His sermon Sunday light was far above the average and had much meat in it. He gave you omething to take away home with you nd to think about after you got there. The Herald and News extends Mr. Herbert and his family a hearty welcome to Newberry and is willing to elp him in any way it can.

Bachman Chapel and Union Academy Chips

As was stated in our recent letter Day on Friday last. When we made this statement we didn't know that there would be anything farther than the setting out of trees and flowers and a general improvement of the school yard. Still we notice a few days previous to this that our little Chips were learning speeches, but as Friday is generally speech day at school we never took the least thought of an exhibition to take place. Our teacher is so full of work that she intends to sur prise us in every respect in the way of expanding the minds of our children. We went to the school house about 1 p. m., and when we got there we had already come and together with the larger scholars they were all busily at work setting out trees. They all seemed to be very much interested in what they were doing. The work went on until there were twenty trees and a number of flowers transplanted and the rocks and the trash removed which school yard. This ended the exercises on the programme. The patrons had selected the following names which trees were dedicated in honor to them: The Hon. Thos. W. Arthur Kibler; and then one to each teacher who has and punishments and not enough on taught since the foundation of the love. The bible tells us that God is school: Miss Lilian Glenn, Miss Emma love and we believe more good would be Scott, Messrs. John C. The school was formed in circle around each tree and Miss Bessie acted as dedicator of all except the one to peaker, he uses good language and at herself which she called upon Chips to act. This year Christmas is a very eventful day. It only comes now and then on Sunday. It has been an old custom to celebrate Christmas day in a jollyfication way of shooting guns, hunting, drinking dram, dancing and many other sinful ways which is all very unbecoming in celebrating the birth of our blessed Saviour. Now we trust as those two holy days combine this year the minds of every living soul will be concentrated to God in thanksgiving and praise. Not only for the Sabbath, but especially for the gift of a Saviour who was born into found a good number of the patrons this sinful world as a Redeeming Power for all our sins and shame if we will repent and believe on Him. Now we trust that every soul who reads those words will direct their thoughts accordingly and let this be a Christmas of prayer instead of sport and vices.
