The suit will be for \$5,000 damages.

Dr. Thornwell's Lecture.
Col. F. W. McMaster, of Columbia,
has written that "Dr. Thornwell's lec-
ture was full of wit and humor and
pathos. The audience was convulsed
with laughter, and the speaker had to
cease to allow the aching side to rest.
After an hour of rehearsal the modesty
of the speaker admonished him to stop,
but the cries of 'Go on, go on' forced
him to continue for half an hour longer,
and then the audience reluctantly per-
mitted him to close.
"Dr. Thornwell's quick perception
and wonderful memory gives him ex-
traordinary power in detailing descrip-
tions—his wit, humor, and utter ab-
sence of self, displayed in all his ora-
tory, captivates his hearers."

Newberry will be delighted to honor
the distinguished lecturer with a full
house. Let everybody and the children
attend.

Deafness Cannot be Cur'd
by local applications, as they cannot reach
the diseased portion of the ear. There is only
one way to cure deafness, and that is by
constitutional remedies. Deafness is caused
by an inflamed condition of the mucous lining
of the Eustachian Tube. When this tube gets
inflamed you have a rumbling sound or im-
perfect hearing, and when it is entirely
closed deafness is the result, and unless the
inflammation can be taken out and this tube
restored to its normal condition, hearing will
be destroyed for ever; nine cases out of ten
are cured by the use of the mucous sur-
face.
We will give One Hundred Dollars for any
case of Deafness (caused by catarrh) that can-
not be cured by Hall's Catarrh Cure, send
for circulars free. F. J. CHENEY & Co.,

Notice to Township Boards.
The following notice has been handed
us for publication. Mr. M. A. Car-
lisle, chairman of County Board, re-
quests us to state that he will notify
the township Boards as soon as the
blanks arrive:
Columbia, S. C., Jan. 9, 1899.

Chairman County Pension Board:
Dear Sir: It will be impossible to get
out the pension blanks before the 30th
inst, as we have found it necessary to
change these blanks, and the printers
are so rushed they cannot furnish us
with them until then. Please notify
the township Boards not to meet until
then. If you will send us the names of
the chairmen we will send these blanks
direct to them and thereby save you
the trouble of distributing same. We
will send you blanks to make out the
roll on and also rules, hoping you can
notify these boards in time.
Yours very truly,
KATE F. MAHER,
Pension Clerk.

The Excelsior Reading Room.
The Excelsior Fire Steam Engine
Company have their reading room fur-
nished and are ready for those who will
to contribute any good reading matter
—books, magazines, papers, etc., to
place them on their tables. They have
put in a nice set of chairs, tables, desk
and book rack, and will have a nice
hall when it is finished up. The coun-
ty papers have kindly contributed to
the reading room by placing a copy of
each issue of their papers on their
tables, and one or two daily papers,
along with some of the leading maga-
zines, will be kept there.

Mr. P. J. Voss was the first con-
tributor to the library, giving the great
story of a history of the world and great
sensations, in two volumes. This is a
valuable contribution and is appreciated.

Editor Aull also contributed a copy
of the Annals of Newberry, History of
South Carolina, and History of Edge-
field County, all of which are highly
appreciated, and will prove to be val-
uable books in the Excelsior library.

Another interesting book has been
contributed by Mrs. O. C. Stewart,
"Men and Issues of 1892," with photo-
graphs of our national leaders.
Let others follow the examples set
and help the Excelsiors to get a good
library. They will appreciate highly
anything in the shape of good reading,
pictures for the walls, and games for
pastimes. A contribution handed to
any member of the company will be
put in the hall and duly acknowledged.

MARRIED.
Married January 16, 1899, at St.
Luke's parsonage by Rev. Geo. S. Bear-
den, Miss Mamie E. Lester and Mr. B.
O. Lovelace. All of Newberry County.

Rev. J. B. Fox Resigns.

Rev. J. B. Fox, Ph. D., who has
served the Lutheran church at New-
berry for the past six years, handed to
the congregation last Sunday his resig-
nation as pastor. Action on the resig-
nation was deferred until next Sunday.
Dr. Fox had occupied the position of
professor of mathematics in Newberry
College for several years before he was
called to the pastorate of the church.

What the congregation will do, of
course we do not know. Dr. Fox, dur-
ing his residence in Newberry, has
made many friends, not only in his own
church, but among all the citizens of
the town.

It is an able preacher, and a pleas-
ant gentleman. We shall regret ex-
ceedingly to see Dr. Fox leave New-
berry, and the congregation may find
it difficult to secure a man who can, in
all particulars take his place.

During his administration as pastor,
the congregation has grown and a
handsome new church has been built.

He has several calls to other places
that are desirable, but we do not know
whether or not he has accepted any of
them.

Dr. Fox is not only a pleasant gen-
tleman, a strong preacher and a good
pastor, but he is a student and ranks high
as a scholar.

Prosperity, February 1 and 2, and at
Newberry until February 20, after
which time the law requires a penalty
of 50 per cent. to be added.
All notes and moneys and mortgages
are taxable, and persons between the
ages of 21 and 60 years are liable to

The law provides also for an income
tax on incomes of \$2,500 and up-
wards.

It is all very well to laugh at Mr.
Blease's bill to license competent horse
shoers, but there is sense in it. Not
every man who calls himself a black-
smith can shoe a horse properly. Bad
shoeing has killed many a good horse,
has ruined more and caused pain and
discomfort and loss of speed and draw-
ing power to even more. A blacksmith
who knows his trade and does his work
conscientiously is as much entitled to
protection against the competition of
jack-legs as a doctor is to protection
against quacks. Bad shoeing is one of
the few bad jobs that does not tell on
itself, and the victims of it can say
nothing.—Greenville News, 13th.
The above is well said, and we heartily
agree with the News in the statement
that there is "sense in it." We
were in hopes that the Legislature
would pass the bill and it would be-
come a law. But it has been killed.
Many a good animal has been ruined by
being shod by incompetent workmen.

Stop that Hack!
Before it is too late. The time to
tackle a cold is when it is just begin-
ning. A bottle of Robertson's
Compound Cough Syrup if taken at
the right time will save you a severe
illness. It gives instant relief from
that disagreeable rawness of the
throat that comes with a cold,
and is in no way unpleasant to take.
It's price is only 25 cents a bottle,
and is manufactured and sold at
ROBERTSON & GILDER'S
Drug Store.
Remember we can satisfy all your
other drug store wants.

The City Council.

The regular meeting of the city coun-
cil was held last night. The full coun-
cil was present.
The interest coupons to the opera
house bonds, known as the D. H. Wheel-
er bonds, that had been paid for the
past few years and the redeemed cou-
pons of the water and light bonds, were
ordered destroyed and were burned by
and in the presence of the full council.

The Clerk and Treasurer, Mr. J. C.
Goggans, presented his bond which
was ordered examined by the city at-
torney and recorded in the clerk of
court's files.
The license for shooting galleries was
fixed at \$15 per annum.

The proposition of the Commission-
ers of Public Works concerning lights,
that is to furnish the city with 47 arc
lights—at \$80 per annum per light—was
accepted.

The question of delinquent street tax
was taken up and it was decided to
notify all persons who had not paid
their street duty that if it was not set-
tled at once they would be brought be-
fore the mayor.

The time for regular meetings was
fixed for the first and fourth Monday
nights of each month.

Y-How Jaundice Cured.
Suffering humanity should be sup-
plied with every means possible for its
relief. It is with pleasure we publish
the following: "This is to certify that
I was a terrible sufferer from Yellow
Jaundice for over six months, and was
treated by some of the best physicians
in our city and to no avail. Dr. Bell,
our druggist, recommended Electric
Bitters; and after taking two bottles, I
was entirely cured. I now take great
pleasure in recommending them to any
person suffering from this terrible
malady. I am gratefully yours,

DEATHS.
Mr. G. A. Cook died at his home at
Colony church on Saturday, 14th inst.,
at the age of 44 years, 11 months and 12
days. His remains were buried on
Sunday at the Prosperity graveyard, the
funeral services being conducted by
Rev. W. K. Sligh, at Colony church, of
which church he was a member. He
leaves a wife and many relatives and
friends to mourn his death.

Mrs. Della Vaughan, wife of D. T.
Vaughan, died at her home Monday
night, the 9th, after a long spell of suf-
fering. She was buried at Soul's
Chapel in the family graveyard. She
leaves a husband and seven children to
mourn their loss. Mrs. Vaughan was
a good Christian lady and we have every
assurance that she is at rest with the
blessed across the river. B.

St. Paul's Items.
There was no demand for ice the
past week.

We are making preparations for an-
other crop. Some are hauling litter
to make manure, while others are
clearing up land, cutting wood and
splitting rails.

The farmers of this community have
sown more wheat and oats than for
many years. That is as it should be,
and we hope they will continue to sow,
even if flour sells at three dollars per
barrel, and cotton for eight cents per
pound.

Mr. J. J. Epling received a letter
Saturday from his son of the Second
South Carolina Volunteers, now in Cuba.
He relates the following: "I was as
sick as ever I was in my life while
crossing the waters. The trouble was
sen-sickness. Was amazed when we
got to Cuba at seeing the Cubans.
They were very small and poorly
dressed. In fact, some were half
naked. We are at Havana. Havana
is a fine place—can't blame the Span-
iards for not wanting to give it up. The
place is not as filthy as we expected to
find it. It is pretty warm—about as
warm as the month of June in South
Carolina, or at harvest. Like the
place very well. There are a great
many children here. Can't understand
what the Cubans say, have to go by
motions. The water we are using is
warm. We think we will get to leave
here in about three months."

St. Paul's Graveyard Association
elected the following officers: Presi-
dent, J. A. C. Kibler; vice-president,
T. A. Epling; secretary, W. S. Seybt;
treasurer, J. D. Sheely. Two commit-
tees will be appointed by the president,
which I will make known later.

Rev. C. P. Bozzer, of Saluda County,
was in this community a few days ago,
the guest of Mr. J. J. Epling.

\$75 GIVEN AWAY.

A ROCK HILL BUGGY ABSOLUTELY
FREE TO OUR SUBSCRIBERS—
THREE OTHER PRIZES.

The Herald and News has always
been avers-o to combination offers.
In fact we have never done it and do
not intend to.

We have, however, made an ar-
rangement with the Rock Hill Buggy
Company by which we can offer one
of their \$55 buggies to our subscrib-
ers absolutely free.

We want every subscriber on our
books and every now subscriber to
have an opportunity to gain this capi-
tal prize.

The buggy will be on exhibition
this week at the store of Mr. Edw.
R. Hipp.

The conditions on which this buggy
will be given are: We propose to
secure two large pumpkins and every
person who pays one year's subscrip-
tion to The Herald and News be-
tween now and the first day of April
will be given one guess at the num-
ber of seed in the two pumpkins.

The one who comes nearest to the
number of seeds in the two pump-
kins will be given the buggy. Each
guess to be written in ink on the
back of an envelope and the name
of the person written on a slip of
paper and put in the envelope, the
envelope sealed and deposited in a
bullet box, which is to be locked and
kept locked until the award is made.

Every person who pays as much as
\$1.50, one year's subscription, to be
entitled to one guess. Those who
are in arrears and pay back dues to
have one guess for each \$1.50 they
pay. If you cannot pay back dues
you can give us your note for back
dues and have one guess for this
year which you pay, all back dues
must be arranged in order to entitle
you to a guess. Those who have
paid in advance can have a guess by
paying for another year for which
they will be given credit. We have
secured pumpkins because it will give
our out of the county subscribers an
opportunity to guess for they will
know as much about the number of
seed in the pumpkins as those who
see them.

We will also give as a second prize a
set of buggy harness valued at \$12.50
and a third prize of a barrel of flour,
and a fourth prize of one year's sub-
scription to The Herald and News.

If one man has more than one guess
he can only secure one prize even
though his guesses were nearest the
correct number of seed in the two
pumpkins.

The buggy and the harness will be
put on exhibition at Mr. Hipp's
store and the pumpkins will be there
also if you desire to see them.

This is an opportunity you will
not often have to secure a nice
buggy and at the same time get a
good newspaper at the regular price.

Call at the office and pay your
subscription and register your vote.
Those who find it inconvenient to
call can send the subscription and
their guesses and we will see that
they are voted.

After the guesses are closed a com-
mittee of disinterested persons will
be appointed and asked to open the
pumpkins and count the seed and
award the prizes.
