GREAT SCHEDULES FOR NEWBERRY.

The Southern Route on the Best Schedules Over the Columbia and Greenville Road in the History of its Existence—Through Trains from Charleston to Greenville.

The Southern will, on and after Monday next, put on through trains between Charleston and Greenville, giving us double daily trains each way.

This will be the best schedule ever operated on this division of the system, and is just what Newberry has wanted for years.

The new schedule will go into effect on Monday, the first train leaving Columbia at 7:25 a. m., passing Newberry at 8:40 and arriving at Greenville at 12:15. The down train will leave Greenville at 5:30 p. m., passing Newberry at 9:25 p. m., arriving at Columbia at 11 p. m. This train will carry a sleeper through from Charleston to Greenville.

The other train will leave Columbia at 2:50 p. m., passing Newberry at 3:50, arriving at Greenville at 7:30. Returning this train will leave Greenville at 6:45 a. m., passing Newberry at 10:10 a. m., arriving at Columbia at 11:40.

These changes are important as they will enable persons to make close connections at Columbia for the North and with the Augusta divisions. They will also make close connections at Greenville for Atlanta and the West.

A more extended notice as regards connections, etc., is published on the first page of this paper.

An Ancient Belief. The ancients believed that rheumatism was the work of a demon within a man. Any one who has had an attack of sciatic or inflammatory rheumatism will agree that the affliction is demonic enough to warrant the belief. It has never been claimed that Chamberlain's Pain Balm would cast out demons, but it will cure rheumatism, and hundreds bear testimony to the truth of this statement. One application relieves the pain, and this quick relief which it affords is alone worth many times its cost. For sale by W. E. Pelham, Druggist.

White Lawn, short length, worth 10 and 12 1/2 cts., only 5 cts., at Minnaugh's.

Democracy Sustained. Yesterday afternoon in the Probate Court before Judge W. W. Hodges Mrs. Edith A. Taylor made a motion to have the appointment of Henry P. Dominick as guardian of the un-named child of Mary E. Taylor, annulled. Mr. Dominick, through his attorneys, demurred to the proceedings instituted by Mrs. Taylor. After hearing arguments on both sides, the demurrer was sustained.

Mr. Dominick was represented by Messrs. Johnston & Welch, and Mrs. Taylor was represented by Messrs. Hunt & Hunt, and O. L. Schumpert, Esq.

The attorneys for Mrs. Taylor gave notice of appeal to Circuit Court.

Tonight before Justice Pope in Columbia the habeas corpus proceedings will be heard.

Minnaugh is doing the leading business of Newberry.

The New Depot. Agent James A. Burton carried us through and showed us the new depot yesterday, which is going to be a beauty. The waiting rooms will be large and airy, the ticket office convenient, with a ladies' private parlor and closets nicely fitted up with wash basins, etc. Then there is at the end fronting on Friend street a large baggage room and express room separate. All will be neatly painted and will make a handsome appearance. Then the entire depot will be surrounded with an eight or ten foot platform, so that shade will not be hard to find at any time during the day. The wood work will be completed this week, and the seats put in next week, and the authorities hope to move into it by the latter part of next week. The water pipes are being put in and the patrons will be furnished with pure artesian water. The enterprise of the Southern seems to have no limit, and we are always ready to say what next?

Make my store your headquarters, you are always welcome. Minnaugh.

The Motion is Seconded. It would be a good thing if a delegation from Edgefield, Saluda and Newberry would call on the Seaboard officials in the interest of the Whitmore, Newberry and Saluda road. An ounce of talk is worth 40 lbs. of letter writing.—Saluda Sentinel.

A Great Attraction. If the prices quoted in another column of this paper by Copeland Bros. do not attract the attention of the purchasing public, there is no use to quote prices. They have reasonable goods that they are selling at reasonably low prices and an inspection would not be amiss.

Prospecting for Gold. Messrs. Jas. Y. Culbreath, O. M. Jamieson, M. M. Harris and Dr. James McIntosh and Prof. S. L. Powell left yesterday morning for Saluda County to investigate the gold mines on some of their plantations in that section. We hope they will strike it rich.

M. A. CARLISLE, Chairman. May 16, 1899.

A Clever Trick. It certainly looks like it, but there is really no trick about it. Anybody can try it who has Lame Back and Weak Knees, Malaria or nervous troubles. We mean to cure yourself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, is a good purifier and nerve tonic. It cures Constipation, Headache, Bloating, Spelling, Sleeplessness and Melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c. a bottle at Robertson & Gilder's and Pelham's Drug Store.

Just follow the crowds and you can't miss Minnaugh's.

Bogus Revenue Stamp. Revenue Officer E. W. Screven was in the city yesterday looking up cigars with bogus revenue stamp thereon—the Jacobs' cigars. The brand originated in Lancaster, Pa., the cigars being stamped by a bogus factory with a fictitious number. Mr. Screven found about 4,000 altogether in the city, but will allow the merchants to place the proper stamps on them, costing 17 cents per box, and relieve them from further loss. However, they are holding them now subject to further orders. The fraud or counterfeit is said to be almost perfect.

Read Minnaugh's big advertisement on first page.

Melton—Zobel. The marriage of Mr. Walter S. Melton and Miss Lizzie Zobel was solemnized in the Helena church last night at 9 o'clock, in the presence of a large concourse of relatives and friends, Rev. G. A. Wright officiated.

A Grateful Tribute. Mr. William C. Mezzetti, of Newberry, was among the gallant and worthy visitors to the reunion. He paid a graceful tribute to the memory of his noble and heroic friend, the lamented Lieut. A. A. Allemon, of the Irish 27th regiment, South Carolina Volunteers, who was killed by Yankees, by going to a lady's room and placing a beautiful wreath upon the tomb of his slain comrade.—News and Courier, 15th.

NOTES BY THE WAY.

Extract from Editorial Observations by Rev. H. J. G. Butler, of Washington, D. C.

Leaving Atlanta Monday noon, we made a detour to Newberry, S. C., some two hundred miles, where we had a most cordial welcome. Newberry is the seat of one of our colleges, and is having the greatest prosperity ever enjoyed in its entire history.

President Cromer gave up his promising legal practice for the self-sacrificing work of Christian education, and is proving himself the right man in the right place. He has an able and loyal faculty, and a large enrolment of bright young ladies and young gentlemen, for Newberry has co-education. Next month they will graduate fifteen Seniors. President Cromer kindly requested us to conduct the morning devotion in the pretty chapel and to give a talk to the very attentive and appreciative audience, which we did upon the New South, all whose perplexing problems are to find their solution in Christian education. President Cromer, though a layman, not a clergyman, conducts the services in our beautiful new church—the handsomest church in Newberry—every Lord's day. The congregation is now pastordless.

Brother Houscal, proprietor and publisher of the Lutheran Visitor, which we read with interest every week, was present in the college. He is also editor of one of the Newberry papers, as is our genial Brother Aull, editor and proprietor of the other, and to whom we are indebted for a sight of Newberry and environments, behind a spirited horse. He was present at the college and had the editor of the Evangelist and Carolus in print a couple of hours after the address. Brother Aull is also a publisher, and has in press now a volume of poems by our talented and wide awake Brother Dr. Wingard, of Columbia, S. C., where he is one of our pastors. The hope of the South, in Church and in State, is in such aggressive and genial brethren as we met during our short stay in Newberry. We regret that we could not take by the hand Dr. Hallman, editor of the Visitor. His home is at Prosperity, some half dozen miles from Newberry, and our limited time forbade a stop off.

Leaving Newberry we enjoyed travel with Prof. Sligh, of Newberry College, en route to the State Industrial School at Orangeburg, which has about 1,000 colored students, and of which Prof. Sligh is trustee. Dr. Wingard, whom we saw in Columbia, is also a trustee and delivered the annual address to this large school the next day. We regret that our limited time in the beautiful capital of South Carolina did not allow us time to form the acquaintance of Brother Kinard, pastor of the First Church in that city. Meeting brethren like these gave us new hope for the future of our great southland, the kindness and courtesy of whose people cannot be excelled. We love them.

A Pleasure and a Duty. I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. A few doses of it effected a permanent cure. I take pleasure in recommending it to others suffering from that dreadful disease.—J. W. Lynch, Dorchester, Va. This remedy is sold by W. E. Pelham, Druggist.

An Excellent Business. Jamieson, the clothier and furnisher has been and is doing an excellent business this season. His motto has always been the best goods at the lowest possible prices and to treat all customers alike and make no misrepresentations and allow none to be made. This motto is bound to win and has proved itself a winner in his case. Still he would like to have every family in Newberry County a customer at his store and if you give him a trial you will become a customer.

A Great Remedy! Pelham's Blackberry Balsam for Cholera Morbus, Dysentery, Summer Complaint, &c. PRICE 25 CENTS A BOTTLE.

If you suffer with these complaints quick relief will be obtained by the use of this excellent remedy. PELHAM'S PHARMACY.

THE MAYORS' CONVENTION.

Programme Arranged for the Meeting of the City Heads.

The annual meeting of the Mayors' Association of South Carolina will be held here, beginning on Tuesday afternoon next, and the meeting promises to be an interesting one.

The citizens have made every preparation to entertain their guests, and will endeavor to make them enjoy themselves while here.

The committees have done their duty, and have gotten everything in order for the convention. The mayors will be met at the trains and carried by the reception committee to their stopping places, and will see that they are comfortably quartered.

On Tuesday night Mayor Mayer will entertain the visitors on the lawn at his residence by giving them a reception and lawn party, and on Wednesday a barbecue—one of James Dunbar's best—will be served at the old fair grounds, and on Wednesday night the annual banquet will be served at "The Newberry."

The entertainment committee has arranged the following programme for the association:

PROGRAMME. May 23.—Meet in opera house at 4 p. m. Organization of association. Address of welcome by Mayor Mayer. Response by some member of the association. Address of welcome by citizens. Response by some member of the association. Reports of committees of association. Discussion of municipal topics. Attend memorial services in opera house at 5 o'clock p. m. 9:30 p. m.—Lawn party reception by the Mayor.

An Epidemic of Whooping Cough. Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for cough and naturally turned to it at that time and found it relieved the cough and effected a complete cure.—John E. Clifford, Proprietor, Norwood House, Norwood, N. Y. This remedy is for sale by W. E. Pelham, Druggist.

In Time of War Prepare for Peace. National Peace Jubilee for the celebration of our Army and Naval victories in the war with Spain, to take place at Washington, D. C., May 23rd, 24th, 25th, 1899. Half rate excursion tickets via the Seaboard Air Line will be on sale May 22nd, 23rd, and 24th, final limit May 27th, 1899. Continuous passage in each direction.

To see the National Capitol in May is worth the trip without the Jubilee, but the program will embrace features that will be historic. There will be national salutes from gun boats, ringing of chimas at sunrise, parades of military and naval organizations, Federal and Confederate Veterans.

On the night of the first day there will be a public reception by President McKinley followed by a splendid spectacular display, illumination and band concerts.

The parade Wednesday will equal any ever seen in Washington. There will be private equipages decorated with flowers, bicycles and civic organizations in line, floral, patriotic, fraternal and tradesmen's tableaus floats. At night the entire city will be illuminated with another display. Band concerts.

The pageant on Thursday will be one to impress deeply all those who witness it, setting forth both the military and naval history of the United States, famous scenes from the Colonies to the present. The war with Spain in all its lurid features will be graphically set forth. In the afternoon there will be patriotic addresses by prominent citizens of the United States; east front of the Capitol, followed by music of the famous Marine Band and grand choruses of trained voices, all followed by the third grand spectacular display of Pein's fireworks.

There will be jubilee revelries and a reproduction of the Battle of Manila on Wednesday night, setting forth the thrilling destruction of the Spanish fleet by Admiral Dewey.

On the second night the chase and sinking of Cervera's fleet will be reproduced almost to the life.

Thursday night will be given the charge up San Juan hill, capture of block house, and the tragic daring and death of the American soldiers in the "Bloody Angle."

Millions Given Away. It is certainly gratifying to the public to know of one concern in the land who are so afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery, for Consumption, Croup and Colds, have given away over ten million trial bottles of this great medicine and have the satisfaction of knowing it has so solidly and so successfully helped the afflicted. Beware of cheap imitations. Ask for Dr. King's New Discovery, for Consumption, Croup and Colds, and get a trial bottle free. It cures Croup and Colds. Every bottle guaranteed, or price refunded.
