Fire at Maybinton. Last Wednesday night about midnight the barn of Mr. W. B. Oxner at Maybinton was discovered to be on fire. The barn and stables, the stalls being below, were all destroyed. In the barn was a lot of fodder and straw. Mr. Oxner succeeded in getting out his mules, but his horse was burned up in the fire. The fire is said to have been the work of an incendiary. The Governor will be asked to offer a reward for the arrest and conviction of the guilty parties.

Killed a Wild Goat. Mr. Wm. M. Dorroh last Tuesday killed a wild goat. The goat had been seen at different times during the past two years about in the neighborhood, and on Tuesday he and a few of his friends took his dogs and went in search of his goatship, and succeeded in finding and catching him. They had a fine dinner as a result.

Stolen Pants. On Sunday afternoon Jesse Edwards, a young man, was after a bird with a slingshot in the pines near the Southern freight depot when he stumbled upon a lot of new pants hidden in the straw. He reported the matter to Policeman Carter who went over to the scene and gathered in the goods. There were several pairs of men's pants and one or more boys' suits. The police authorities are working up the case and we hope will soon have the guilty parties in their clutches. The marks on the goods show that they came from Mimsnaugh's.

Beware of Quack Remedies for Catarrh that Contain Mercury. As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by Dr. J. C. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by J. C. Cheney & Co. Testimonials free. Sole by Druggists, price 75c. per bottle. Magistrate Chappell has been in office five months and during that time has given the county 795 days work by punishing wrong-doers. From the reports that come to us from different sections of the county, Supervisor Hill is having some good work done by the convicts.

We have often heard of deer hunting and opossum hunting by torch light, but a Newberrian has now come to the front and frequently spends evenings hunting frogs by torch light. He's an up-to-date citizen and his catches at times are large. Who he is, you'll have to guess.

CITIZENS HOLD A MEETING.

Maybinton Stirred Up Over the Recent Fire in That Section.

On June 30th the store house of Sims & Beaty at Maybinton was destroyed by fire, supposed to be the work of an incendiary, and again on the 12th the barn of Mr. W. B. Oxner was burned in the same neighborhood. The people were very much aroused over these constant fires, and on Saturday last they held a meeting of the citizens of that vicinity in order to see if something could not be done. Mr. W. B. Oxner was made chairman and Mr. J. L. Epps secretary. The resolutions hereto appended were adopted and Mr. Epps was appointed to take them to Columbia and ask Gov. McSwenney to offer a suitable reward. Something will have to be done to put a stop to these constant acts of incendiarism. The following are the resolutions: By the citizens of Maybinton and vicinity in mass meeting assembled:

Resolved, That whereas the store house of Sims & Beaty at Maybinton, Newberry county, S. C., with its contents, was burned on the night of June 30th last, and the barn belonging to Mr. W. B. Oxner, one-fourth of a mile from Maybinton, S. C., was burned on the night of the 12th of the present month, with fodder, hay, straw, wagon and a valuable mare, and whereas it is undoubtedly the work of an incendiary, Gov. McSwenney be petitioned to offer a suitable reward for the arrest of the guilty person or persons that they may be dealt with according to law.

Resolved, That His Excellency be requested to offer a suitable reward in each case.

A Streak of Luck. One day last week Mr. Louis N. Rodgers and his little son were driving from Union to Newberry. About half way there is a spring of water. Mr. Rodgers got out to get a drink, he pulled off his gloves and quenched his thirst, got back in the buggy and drove on, just before arriving at Newberry he discovered that he had lost a valuable gold ring. He remembered pulling off his glove at the spring. He spent one day in Newberry and returning about ten o'clock at night he decided to get out to the spring and look for the ring, having no idea of finding it, as a whole day had intervened. He struck a match and to his great delight found the ring lying at his feet. We congratulate him on his luck in recovering the ring.—Union Times.

THE NEWBERRY DOG CASE.

Notwithstanding the Litigation in the Supreme Court the Case Hoba Up Again in a Saluda Magistrate's Court.

Saluda, July 14.—The now famous case of Langford, charged with stealing a dog, which went up from Newberry to the Supreme Court and called forth a decision from Justice Jones that is not only a classic, but makes the "yellow dog" a subject of larceny, turned up before Magistrate Mathis of this place yesterday in the shape of claim and delivery. The man from whom it is claimed Langford stole the dog gave bond sometime ago, and had a Saluda magistrate to take him in possession. Langford immediately gave bond and replevined the property. That accounts for its being up in Saluda County.

All day yesterday was consumed in the hearing of the case. About twenty men, women and children were examined. The dog's pedigree is nothing extra. He is a common, long-eared hound. If he ever trailed a fox, he had a "possum, caught a rabbit or killed a sheep it was not brought out in the testimony. He is a very docile looking, unassuming dog with white spots and appears to be little concerned as to the determination of the suit.

While the attorneys yesterday cited law, quoted poetry, grew pathetic in their appeals and occasionally electrified the Court room with eloquence, "Rolly" lay quietly in a corner, apparently "snoozing," save when he would snap angrily over and anon at a pestiferous fly.

The arguments closed at 8 o'clock last night and Judge Mathis after sleeping over the case this morning decided to give the dog to his Newberry owner, and that Mr. Langford pay the costs. Not a single feature of poor Rolly's face changed while judgment was being pronounced, nor could one tell whether the Judge's decision pleased or displeased him.—Special to News and Courier.

Thomas Rhoads, Centerfield, O., writes: "I suffered from piles seven or eight years. No remedy gave me relief until DeWitt's Witch Hazel Salve, less than a box of which permanently cured me." Sooting, healing, perfectly harmless. Beware of counterfeits. Robertson & Gilder.

J. A. Daniels Dies at the Grady Hospital. Mr. J. A. Daniels, a jewelry merchant of Newberry, S. C., died last night at the Grady Hospital. He was brought to Atlanta yesterday by his son, Dr. B. A. Daniels, a surgeon on the Plant System, stationed at Thomasville, to have an operation performed for a complication of bowel troubles. The operation was an exceedingly dangerous one and he never rallied from the effects, but rapidly began to sink and died about 12 o'clock.

His remains were sent to his home in Newberry today at 12 o'clock, and will be interred there tomorrow.

Mr. Daniels was well known in this city, having visited here often. His nephew, Mr. J. W. Shields, lives on Hunter street. He was an old Confederate veteran and a member of the Palmetto Sharpshooters, of South Carolina. He had many friends in his native State who will be pained to learn of his death.—Atlanta Journal, 15th.

Struck a Popular Cord.

Our local last week on the horse hose wagon struck a popular cord in the breasts of some of our tax payers—those who live off some distance from the public square—from whom we have received many words commending us for taking up the question. We are only advocating what we think is justly due all the citizens. Newberry has reached a point in numbers of population, in enterprise and progress and in wealth that her citizens are entitled to full fire protection, and one citizen is entitled to as much protection as another. A horse and hose wagon, with our telephone system, will come as near putting all on an equal footing as is possible. Of course the electric alarm system would be better, but the horse wagon and hose could be made to answer for a while at least. Let us hear from the citizens on this question, they are all interested.

An Ex-Newberrian Gets a Lieutenantcy. As has been published in the papers, the assignment of official positions in the proposed new army, South Carolina was to receive one captaincy and three lieutenantcies.

The appointments are being made and we see from the Columbia Record that a lieutenantcy has fallen to an ex-Newberrian. The Record says: "Capt. Thomas Moorman, of Company L, Second Regiment, is to receive a lieutenantcy. He is a son of Mr. T. S. Moorman, librarian of the supreme court, who received a telegram this morning from Washington, announcing that Captain Moorman had been decided on for one of the lieutenantcies places. He is considered to be a fine soldier and was very popular with his men in the regiment. He is a young man, but well deserves the honor."

Making Room. A special run on shoes is being made at Mimsnaugh's. He is selling out cheap to make room for his immense new stock and rather than carry over he is giving his customers the benefit of a first-class shoe at cost and less. While in selecting your shoes he will have hundreds of other bargains to show you that it will be to your interest to investigate before making your purchases. He is a wide awake merchant and has realized that short profits and quick sales pay. When in town call at his store. He charges you nothing to look, and you make no enemies if you do not buy. He has the goods and asks a comparison of prices of the same quality of goods elsewhere.

A Good Selection. The following notice is taken from the St. George's, Dorchester County, Correspondent to the News and Courier of the 14th, inst: "Mr. H. B. Dominick, A. M., of Newberry has been elected principal of the St. George's High School. Miss Lucy Minus first assistant. No second assistant has yet been chosen."

We congratulate the people of St. George's on the selection of Mr. Dominick, who will succeed in building up a fine school at that place. He is a popular young gentleman, a graduate of Newberry College, and a worthy citizen of this county. We understand that Mr. Dominick will accept the position and again repeat that the school has been fortunate.

DEATHS. Pearl Buzhardt, the infant child of Mr. and Mrs. Antine Buzhardt, died at their home in the county yesterday morning. The remains were buried at Beth Eden this morning at 9 o'clock.

Mr. H. K. T. Bonds died at his home near Shady Grove, Laurens County, on Thursday, 13th, after a long and painful illness, in the 70th year of his age. He bore his trial bravely and gave assurance of victory over the last enemy. He had been a consistent member of Shady Grove, and was elder for the past 40 years. He leaves a wife, seven grown children and a large concourse of friends and relatives to mourn their loss. May the Lord's richest blessing rest upon and abide with the bereaved ones.
