AN ALLIANCE RALLY.

A Pleasant Surprise. The relatives and friends of Mr. John Frederick Houscar, who visited in Newberry a year ago, were pleasantly surprised last week to receive the announcement card of his marriage.

The bride is Miss Daisy Lucille Law, of Tracy City, Tenn., at which place the marriage occurred on Thursday, August 17th, in the Methodist Episcopal church, South. The groom is the eldest son of Mr. and Mrs. Jno. I. Houscar, formerly of Newberry, but now of Memphis, Tenn., where the bride and groom received congratulations after the 19th instant.—Observer.

A Native of Newberry. Dr. D. M. Croson of Lewistdale, was nominated in the primary on the 15th for Senator in Lexington County, to fill the unexpired term of Capt. D. J. Griffith, by a majority of 364 votes over the other two candidates. Dr. Croson is a native of Newberry County, and moved from the place of his birth, near Prosperity, to Lexington, a number of years ago.

Saturday before the first Sunday in September will be League day at Zion. President Cromer, Prof. D. D. Wallace, of Newberry, Dr. J. A. Rice, of Columbia, Prof. R. M. Monts, of Saluda, and Rev. W. H. Aerial will deliver addresses.

The music will be made a specialty, all new, right from the publisher. Everybody invited to come and bring dinner and spend the day. We will do all we can to make it pleasant and profitable. E. P. CROMER.

Glorious News. Comes from Dr. D. B. Cargile, of Weir Hills, L. P. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of serosa, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the Dr. doctors could give no help, but her cure is complete and her health is excellent." This shows what those who have used Electric Bitters the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils, and running sores. It stimulates liver, kidneys and bowels, cures cholera, indigestion, builds up the strength. Only 50c. Sold by all druggists. Guaranteed.

Is moving along with all possible ease under the management of Professors Wallace and Welch. The teachers (numbering 55) have gotten down to work, and (every crowd thinks its own the whitest) are showing an amount of interest that argues well for the conduct of the school during the next scholastic term.

Accessions to the ranks are being made daily, of such as shall be chosen to instruct the young idea in the science of archery (educational.)

The work that is being done is of a nature to commend itself to all who desire unification and completeness.

We expect to have with us during the session the Hon. John J. McManus, State Superintendent of Education, and are making efforts to secure the service of prominent thinkers who will address the teachers on leading and living issues of the day.

The watch word is "Excelsior."

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicine. Last summer my little daughter had the dysentery in its worst form. We thought she would die, but I tried everything I could think of, but nothing seemed to do her any good.

By an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering. Yours truly, Mrs. Geo. F. Burdick, R. 1. For sale by W. E. Pelham, Druggist.

GINNING! We are prepared to gin 125 bales cotton per day for 75 cents per bale to 500 pounds in weight.

Respectfully, Newberry Oil Mill, By L. W. FLOYD, President.
