PUBLIC INSTALLATION.

The Officers of Amily Lodge, No. 87. A. F. M., for the Year 1900 Publicly Installed - A Magnificent Supper.

We had the pleasure on Tuesday evening of being an invited guest at the public installation of the officers of Amity Lodge, No. 87, A. F. M., and of partaking of a most elegant supper, spread by the masons for their wives, daughters, sweethearts or friends, as the case happened to be, and a most pleasant and entertaining affair it

Besides the large number of members of the order that were present, the presence of as many or more of the lovely fair sex of our city, made the scene and occasion the more enchanting. There were also present a few gentlemen friends as guests-those who have been so unfortunate as to have their experience in the line of riding confined altogether to a mule, hence knew nothing of the difficulties with which one comes in contact in attempting such a thing with the veritable masonic goat, left none the wiser; but having the satisfaction of knowing that they had proven beyond a doubt that they were in possession of every secret, grip and pass word that is necessary to devour such a supper as was put before them.

Worshipful Master A. C. Jones, who had served the Lodge in this capacity for two years and two of the most successful in its history we understand, organized the Lodge, asked the visitors into the lodge room and Past Master N. B. Mazyek installed the officers in a most solemn and impressive

the lodge, and supper was announced. Two long tables, extending across the lodge room, fairly groaned beneath their heavy burdens of the many good things, that were so daintily served by the ladies who were present. It was a magnificent spread and it could not have been served in a more admirable manner. The supper consisted of everything imaginable good to eat and there was enough, and more too, to have fed as many more.

The Masonic order in Newberry, we are happy to state, is growing-new blood is being infused and in a few years Amity Lodge will be one of, if not the leading, lodge in the State. It was more than a pleasure to be their
