Court convenes next Monday. Mr. E. B. Prather left yesterday for Augusta. "Side Tracked" at the opera house Saturday night. Tomorrow will be St. Valentine's day. Remember your sweetheart. Have you made your tax return? To-day a week is the last day.

Mrs. E. P. Kellinck left last Friday to spend a while with her daughter in Florida. Hon. C. L. Blease came up Sunday and remained here until yesterday afternoon. Since last Saturday we have had an ugly spell of weather for three nights almost continual rain. Copeland Bros are moving into the store just across the street from where they have been keeping. Mrs. Dr. Bowen, of Belton, who has been on a visit to Miss Mary Burton, left yesterday for her home. Miss Lizzie Dean, the efficient telegraph operator at Abbeville, spent Sunday in Newberry with friends. Miss Carrie Greener, who has been visiting her sister in Tylersville for some time, has returned home. Mrs. J. Roland Lyles and her little son, who have been visiting in Columbia, have returned to Newberry. The county levy has been fixed at 2 1/2 mills, State levy 5 mill and the constitutional school tax 3 mills, makes the total for this county 10 1/2 mills, with a 1 mill for past indebtedness. The Herald and News' terms for candidates cards will be as usual this year, \$3—but strictly cash in advance. So don't ask us to credit you for your card. Lipscomb, an old Newberrian, has decided to make the race for re-election as Mayor of Columbia. His many friends in Newberry wish him success. Some much needed improvements have been made in the office of the County Superintendent of Education and the Sheriff, in the way of fixing the ceiling and fire places. The election for State liquor commissioner and members of the new Board will be held in Columbia by the General Assembly this week. It is said that a Newberrian stands a good chance of getting on the Board. Mayor pro tem Cabaniss sent a white team to the county chain gang yesterday morning for threatening to strike his wife with an iron bar and running her away from her home and children Saturday night. It was a just decision and the whipping post would have done some good in this case. Rev. Wm. Hayne Leavell, D.D., of Houston, Texas, was in the city yesterday on his way to Newberry to attend the funeral of his father, Col. John H. Leavell, who died on the 6th inst. in 80th year of his age. Dr. Leavell was a student for three years at the Southern Baptist theological seminary when it was located in Greenville and is known to many of the older residents—Greenville Mountaineer.

Gordon's Famous Minstrels. Coming next Tuesday night. New in everything and in keeping with the times. The music of the times and bandwinners will awaken in the minds of many old theatre-goers the memory of earlier days of minstrelsy, when crowds flocked to see the "plantation singers" and returned home to talk of what they had seen, until the recollections had been blotted out by the wonderful success of the new acts, new acts, new songs, dances and music. Don't miss the great street parade and band concert at noon. Best in America. February 21st. It.

August Flower. "It is a surprising fact," says Prof. Houton, "that in my travels in all parts of the world, for the last ten years, I have met more people that have used Green's August Flower than any other remedy for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Sample bottles free at W. E. Pelham's. Sold by dealers in all civilized countries.

An Excellent Company.

The Phil W. and Nettie Peters' Comedy Company opened their three nights engagement in this city last night. Considering the inclemency of the weather, the audience was a fairly large one. The bill presented last night was Mugs Landing, a farce, and an exciting comedy drama, and everybody left the theatre pleased. It is, by far, the best repertoire company that has ever visited this city. Every member of the company is good. The specialties are especially lots of them—are simply "top up" to use a slang expression. The comic singers from the Sunny South, Misses Lillian and Minnie Nash, and Lillian and Lillian Browning, across line as ever appeared before a Newberry audience, and Phil and Nettie Peters—the "Stars"—well, they have to be seen to know how good they are, and Cam Bailey and Pete Seymour never let their end of the comedy line drag. Tonight this excellent company will present "The Moonshiners," a comedy drama in which the ability of the company is shown to advantage. Tomorrow afternoon—"Wanted, a Husband!" and tomorrow night the engagement will close with a grand minstrel performance. Certainly if sparkling comedy and snaps of mirth and fun and new songs and catchy specialties, good acting and pretty actresses are calculated to draw, then the opera house should be filled at the remainder of the performances of this company. They deserve it.

Chamberlain's Cough Remedy is the mother's favorite. It is pleasant and safe for children to take and always cures. Sent Up for Contempt. Magistrate Chappell had a lively court yesterday afternoon for a short while. He had a negro before him charged with stealing a coat and the negro asked that Watt Prather be summoned as a witness and he could prove his innocence. Mr. Prather refused to come until a warrant was issued for him and when the constable went after him he cursed the constable and he demanded \$1.50 or a guarantee for it before he would go, so the constable had to persuade and coax and carry him up by main force. When the court room was reached he proceeded to "bleat out" the constable, court, etc., and finally he was ordered locked up in jail for 12 hours for contempt of court. He was carried to jail hand-cuffed. We give these facts as we got them from the magistrate and constable. He was released shortly after he was locked up.

Cure Your Cold While You Can. Is it not better to cure your cold while you can, in its incipency, rather than take the chances of its resulting in pneumonia, catarrh or consumption, all of which diseases begin with a cold and may be prevented by curing every cold at the start? Chamberlain's Cough Remedy is famous for its cures of bad colds over a large part of the civilized world and can always be depended upon. It is pleasant and safe to take too. For sale by W. E. Pelham, Druggist.

If you care to exchange \$12.98 worth of Legal Tender for \$17.00 worth of overcoat you can have the chance to do so at Jamieson's. t

"How did the minister get on the day?" an odd wife was asked, on her way home, by one who had not been able to be at church that morning. "How did he get on?" He just stood and threw stones at us, and never missed one of 'em. My critic, but you was preachin'!"

When Bismark complained to the old emperor about the woeful falling off in his physical powers, his majesty broke in: "Tut! Look at me. I am much older than you are, Bismark, and yet I am as fit as a fiddle."

"What is the ninth commandment?" asked the Sabbath School teacher of a small pupil. "Thou shalt not bear false witness against thy neighbor," was the reply.

"What is meant by bearing false witness against thy neighbor?" queried the teacher. "It's when nobody does anything and somebody goes and tells it," answered the little fellow.

Teacher—If one man can perform a piece of work in six days, how long will it take six men to do it? Willie—About six weeks.

Teacher—How do you get that? Willie—Six men would get up a strike.

"What is the Adam's apple, paw?" inquired little Johnny Perkins. "The Adam's apple," replied the father, "is the lump in my throat which produces sound when I sing."

"Oh, I see," said Johnny, "isn't that what they call the apple of discord?" Mrs. Doggett—"Oh, dear! don't know what on earth to do for poor Prince."

Mrs. Fayth-Kuer—"Why don't you try Christian Science? It worked wonders for our baby."

Mrs. Doggett—"But my gracious! I can't afford to experiment on this dog; he's won prizes at five shows."

It is said that the Archbishop of York recently wrote to the incumbent of a rural parish suggesting that a "quiet day" should be held there. The following was the reply: "My Lord, in this parish we have too many quiet days; what we want is an earthquake."
