Death of Mr. H. G. Hoof.

Mr. Henry G. Hoof, after a few days illness, died at his residence in the city this morning. He was taken ill a few days ago with something like partial paralysis of the body from which he grew gradually worse until this morning, when he died. His remains will be buried to-morrow afternoon at Rosemont Cemetery with Masonic honors. Funeral services at the Lutheran church at 5 o'clock.

Feathers a Non-Conductor.

On Friday last a large tree in the yard of Mr. Jno. P. Wicker, in No. 2, was struck by lightning. Two hen nests were in boxes nailed to the tree and a ladder leading from the ground to the nests. The ladder and nests were torn all to pieces and the hens were unhurt, except one's tail being cut off smooth as if with scissors. This is proof of the argument that feathers are a non-conductor of lightning.

His Life Was Saved.

Mr. J. P. Lilly, a prominent citizen of Belmont, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now I am well and strong. I can't say too much in its praise. This marvelous medicine is the surest and quickest cure in the world for all Throat and Lung trouble. Regular sizes 50 cents and \$1.00. Trial bottles free at all Drug Stores; every bottle guaranteed.

Mr. J. B. Fellers who lives on Big Creek in number 9 township lost two hundred dozen bundles of oats by the fresh Saturday night. Other parties lost heavily in that section from the same cause.

It is said by some that Saturday evening's rain was the hardest that we have had for twelve years. Several bridges in town were washed away, and Scott's creek was higher than it has been since the rock culvert was taken from under the railroad.

A Powder Mill Explosion.

Removes everything in sight; so do drastic mineral pills, but both are mighty dangerous. Don't dynamite the delicate machinery of your body with calomel, croton oil or aloes pills, when Dr. King's New Life Pills, which are gentle as a summer breeze, do the work perfectly. Cures Headache, Constipation. Only 25c. at all drug stores.

The First Cotton Bloom.

Mr. T. B. Perry brought to this office yesterday morning the first cotton bloom of the season. He has a brag patch from which he gathered it. Now for the first bale.

An hour or so after Mr. Perry brought in his bloom Mr. T. H. Hill brought in one. They are close together. A few hours later blooms were sent in from Mr. Geo. M. Neal's plantation. Considering the general backwardness of the crop, these are considered early.

No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at all Drug Stores.

Heavy Rain.

No. 6 was visited by a wash out Saturday evening and night. 4.74 inches of rain fell from noon Saturday to 12 o'clock that night. Uplands are badly washed and bottoms are simply cleaned up, and a great deal of them will have to be abandoned this year. This is the heaviest fall of rain we have had in 12 hours since the Sept. flood of 1885.

Rain .31 inches last night. Total 5.08 inches.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good they can possibly derive from them. Hall's Catarrh Cure, manufactured by Dr. J. C. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces. It is the only cure for Catarrh of the Nose, Throat, Lungs, and Bronchitis. It is taken in a bottle, and made in Toledo, Ohio, by F. J. Cheney & Co., Postoffice Box 118, Sole by Druggists, price 75c. per bottle. Hall's Family Pills are the best.

A GREAT GAME.

Newberry Wins the First Game from the Piedmont Boys—Good Playing by Both Teams—Score 7 to 4.

It was a great game at the ball park yesterday afternoon, when Piedmont and Newberry crossed bats.

The Piedmont boys are a clever set of ball players and the Newberry boys had to "play ball" to win the game. But, with Billy Weddington in the box and Fred Beusse to knock home runs, with the support that they now have, any team will have a hard road to travel to beat them. Fred Beusse deserves special mention, for in going to the bat five times he knocked three home runs, scoring two men each time. He was simply great yesterday, and lookers-on went wild each time as he came to the bat. He never disappoints the crowd. The receipts amounted to \$75 or \$80.

The score by innings was as follows: Newberry—0 0 2 0 2 1 0 2 0—7. Piedmont—0 0 0 0 0 3 0 0 1—4. Stolen bases—Newberry 1, by Jennings.

Home runs—Newberry, by Beusse 3. Piedmont, by Osteen 1, White 1. Two-base hits—Newberry, Reid, Jennings. Piedmont, Osteen.

Hits—Newberry 15. Piedmont 6. Errors—Newberry 1. Piedmont 5. Struck out by Weddington 9; by Smith 3.

Passed balls, Beusse 1. Wild pitch, Weddington 1. Umpire, S. J. McCaughrin. The next game of the series will be played this afternoon, and it will be close and exciting.

Volcanic Eruptions.

Are grand, but skin eruptions rob life of joy. Bucklen's Arnica Salve, cures them; also Old, Running and Fever Sores, Ulcers, Boils, Eruptions, Corns, Warts, Cuts, Bruises, Burns, Scalds, Chapped Hands, Chilblains, Itch, Pile cure on earth. \$1.00 will go farther and buy more goods at Flynn's Remnant Sale than \$2.50 will go at any other store in South Carolina.

THE GLORIOUS FOURTH.

A Grand Barbecue to be Given for the Benefit of O'Neal Street Church at West End on July 4th—Candidate to Speak—The Governor and Senator Will be Invited.

The glorious fourth will be celebrated this year by a grand barbecue and speaking in West End. The barbecue will be given for the benefit of O'Neal Street church and every one should patronize the cue.

The State candidates have been invited to be present and speak and the county candidates will also be invited to be present and address the people. In fact, it is the object of the promoters to have the speaking take the place of the campaign meeting usually held at the cotton mill for the benefit of the employes.

The cue will be given in the grove in front of the residence of Mrs. P. W. Fant, and it is a suitable place for such an occasion.

We have been requested to ask those who will kindly contribute anything to please make the fact known to Mr. R. C. Williams or to J. A. Senn, at Senn's store, at once. Several carcasses have already been contributed, but several more are needed. Anything will be appreciated such as meats, butter, eggs, potatoes, etc.

Good music will be had on the grounds and a good time may be expected.

Questions Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by W. E. Pelham.
