At Bull Run.

Comrade Chas. Hunt, of Mechanicsville, N. Y., was struck by a piece of shell which later caused severe heart trouble. He says:

"At second Bull Run a piece of shell lodged in my shoulder, and later rheumatism set in which in turn affected my heart to such extent that several doctors pronounced my case incurable. Dr. Miles' New Heart Cure relieved my pains, shortness of breath and enabled me to work; also to sleep soundly, and prolonged my life."

Wise and Otherwise

Industry is born in a man, but laziness is acquired.

The man who thinks he is unusually wise is usually considered a fool by others.

Some men are so forgetful that they always fail to remember the poor.

The man who says you are always wrong may be mistaken, but the man who says you are always right is a liar.
