FOR THE SECOND PRIMARY.

The Candidates That are in the Field—Arrangements for the Election and to Get the Returns.

The second primary election will take place on Thursday, September 11th.

The same managers will act as in the first and there will be only two boxes instead of three, the liquor question being settled most decidedly in the first in favor of the dispensary.

Both the State and county tickets will be much shorter than in the former election and it will not take more than half the time to count the votes.

Chairman Boyd will again make his headquarters at this office and asks the managers, who added so much in the last, to again lend their assistance in getting in the returns as soon as possible after the votes are counted.

Much interest will be manifested in the coming election and everybody will be anxious for news, so the managers will please fill out the blanks found in the boxes, sign them to make them official, and send them in at once.

The following is the county ticket in the second primary.

I shall at all times maintain a high standard of excellence in my work as I have endeavored in the past. It will be delivered to you any day that you want it. And as in the past, I shall give you all the service possible at all times, and should work or service prove other than satisfactory kindly notify me and I will remedy it. At the Opera House. Dupont and Schellfeld appeared at the opera house last night in a farce comedy, written by Mr. Dupont himself, entitled, "O'Flynn's Birthday." There was no plot whatever in the play and it seemed to be more of a vaudeville performance. Some of the songs and dances did tolerably well—only that some of the jokes and dances were carried a little too far, bordering on to vulgarity. The show didn't take much with the audience, yet the specialties were enjoyed several times.

Poisonous toadstools resembling mushrooms have caused frequent deaths this year. Be sure to use only the genuine. Observe the same care when you ask for DeWitt's Witch Hazel Salve. There are poisonous counterfeits. DeWitt's is the only original Witch Hazel Salve. It is a safe and certain cure for piles and all skin diseases. At Gilder's Corner Drug Store.

MR. TIMMERMAN'S FAREWELL. What the Retiring Treasurer Says of His Defeat.

To the Editor of The State. I solicit space in your columns for a few words to the Democratic voters of South Carolina. Although my defeat for re-election to the office of State-treasurer was a surprise to me and my friends, I desire to express my sincere gratitude to the voters of the State for the creditable vote which they so kindly gave me in the late primary election. And I appreciate it all the more because it was given me without political engineering on my part or on the part of my friends. I issued no introductory cards, distributed no circulars, commendatory or otherwise, entered into combinations with no other candidate directly or indirectly, and wrote less than a half dozen letters in the interest of my candidacy, but simply relied on my record as a public officer and my character as a citizen, neither of which has ever been assailed. I am pleased to say that my relations with all of the other State candidates throughout the campaign were pleasant and cordial. I accept my defeat without murmur or complaint. I shall retire from office when my term shall have expired with malice towards none and I trust with the good will of all with whom I have been associated—carrying with me the consciousness that I have discharged my public duties with courtesy, punctuality and fidelity. W. H. TIMMERMAN, Columbia, S. C.

RELEASE ON THE RESULT.

Though Defeated He Says He Will Come Again. Some Advice.

(The State, 2nd.) Mr. Cole, L. House of Newberry yesterday gave the press the following: "I canvassed the State as a candidate for the office of Lieutenant Governor and I am among those whose people did not choose, nevertheless I feel very grateful for the vote I received, and when I consider my young years and my not having a large acquaintance with the voters of the different counties, I feel that the vote I received was indeed a compliment."

"I advocated the dispensary on the stump and will continue advocating that system by supporting Gov. McSweeney in the coming primary."

"I hope in the future to appear before the people of the State, and will ask them to look at the strong endorsement I received in this election from the people of my home county."

"I will say to the advocates of the dispensary system that they should not relax their efforts by becoming very confident, and that all believers in the dispensary system should turn out on the 11th day of September and work and vote for the election of Gov. McSweeney, who has given the people an administration that his friends are proud to with pride."

"I will say further that I come out of the campaign feeling friendly toward my competitors, and whoever is chosen in the next primary will receive my hearty congratulations and support."

The emergency tags, which a church society to Kansas voters in the Phillips county of anti-slavery newspapers, a copy of DeWitt's Witch Hazel Salve, the well known cure for piles, hemorrhoids and skin diseases. A Woman's Good Work. "I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured. My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, so I discharged him. I kept over to see him the next morning. He said his bowels were in a terrible fix, that they had become so stiff so long that it was almost impossible for him to get a stool. I gave him one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'Oh, I want home and I brought him my bottle and gave him one dose, told him to take another dose in fifteen or twenty minutes if he did not get relief, but he took no more and was entirely cured.'
