The attention of road overseers is called to the notice of Supervisor Hill in another column. As we have said before, today will settle the question; and the next President's name will be "William."

Miss Thyra Schumpert, of Newberry, will arrive this evening to visit Mrs. A. M. Aiken.—Chester Lantern.

There is more Catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from one to six drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars to any case it fails to cure. Send for circular and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by druggists, price 75c. Hall's Family Pills are the best.

Questions Answered.
Yes, August Flower still has the largest sale of an "Aline" in the civilized world. Your aunts and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in its liquid form, to make you satisfied there is nothing serious the matter with you. For sale by W. E. Pelham.

Dr. J. A. Clifton

Telegraph me this morning that he will preach for us at 7.30 Wednesday evening. All invited.

WALTER L. HERBERT.
Central Methodist Church.

We call attention again to the service to be held at Central Methodist church next Thursday afternoon at 4 o'clock. As announced last week, the corner stone of the new church will be laid at that hour, and Dr. J. A. Clifton will deliver the address. The pastor of the church requests that an invitation be extended to all who are willing to rejoice with the Methodists to come and enjoy the exercises. Should the weather be inclement the address will be delivered in the old church.

ELECTION NEWS.

News to be Received Here Tonight and Bulletin Displayed on the Public Square With a Stereop. Icon.

The election news will be received in Newberry this evening. The bulletin board will be placed at a convenient spot near the court house, and news bulletins will be thrown on a canvas, by the aid of a stereopticon, extended from the wires in front of O. M. Jamieson's store.

The citizens who contributed to receive the election news have been assured that they will receive the best service at the hands of the Western Union Company tonight and tomorrow. So come out tonight and get the news.

Editor's Awful Fight.

F. M. Higgings, Editor Seneca, (11s) News, was afflicted for years with Piles that no doctor or remedy helped until he tried Bucklen's Arnica Salve. He writes: "I am the surest, the best and the best salve in the world. Cure guaranteed. Only 25 cents. Sold by all druggists."

NOVEMBER SALES.

The Property Sold Brought a Good Price—A Quiet Crowd.

Yesterday was saturday—November saturday. The crowd was not as large as we have seen in the city on similar occasions, but the streets by no means presented a deserted appearance.

The Master made several sales as follows:

- Hawkins vs. Hawkins, 74 acres to A. H. Hawkins for \$1,750.
- Huntington vs. Huntington, 1 1/4 acres in town of Helena, to R. A. Dickson for \$280.

- Hardy, Master, vs. Forest Riser, 57 acres to Johnston and Welch for \$600.

PROBATE SALES.

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and in a new well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50 cts., guaranteed at all Drug Stores.

Property Circuit.

On account of inclement weather the fourth Quarterly Conference of Prosperity Circuit was not held at New Hope on last Saturday. The Presiding Elder, Rev. R. A. Child, will hold said meeting at Wightman Chapel, Prosperity, next Friday at 11 o'clock. The official members are earnestly requested to attend as business of importance is to come before the meeting.

W. H. ARHALL.

The Citizens' Meeting.

The call for the citizens' meeting to determine the manner of nominating candidates for Mayor and Aldermen for the ensuing year, by the Democratic party of the city, appears in another column. The meeting will be held in the opera house next Tuesday afternoon at 4 o'clock.

Dr. W. H. Lewis, Lawrenceville, Va., writes, "I am using Kodol Dyspepsia Cure in my practice among severe cases of indigestion and find it an admirable remedy." Many hundreds of physicians depend upon the use of Kodol Dyspepsia Cure in stomach troubles. It digests what you eat, and allows you to eat all the good food you need, providing you do not overload your stomach. Gives instant relief and a permanent cure. Gilder's Corner Drug Store.

A Narrow Escape.
Conductor Flitter, of the street railway company, had a narrow escape from instant death last night. His car was coming into the city from Hyatt park and the car was crowded with passengers. This being the case it became necessary for Flitter to move along the running board on the outside of the people who were standing on the board, in order to collect the fares. While in the act of swinging around a passenger, his body struck one of the trolley poles and he was badly stunned.

Mr. Flitter was thankful to come out alive and he will look out for number one in the future. Mr. Flitter was at work today.—Cola Record.
