We have now reached the season of the year where we always cut the prices on our Spring and Summer Clothing, Straw Hats and Low Cut Shoes. We have no excuse to offer-We simply want to convert the balance of this season's stock into cash to get ready for FALL AND WIN-TER GOODS, and our low prices will certainly move our stock out of the house and into the possession of our patrons.

We don't want this ad to appear sensational or read like a "Fake." We want to impress sensible people as a truthful statement of a plain business proposition---which is it---

Tomorrow we begin to cut regular prices, Straight!

An actual mark-down without a privious mark-up!

We do it because it's good business to do it. Come to see us.
