To the good people of Newberry and surrounding country: I am very greatful for the liberal patronage they have given me during the past four years, and now that I am going out of business and selling all goods at actual cost, I want them to call and get some of the immense bargains I am now offering.

Respectfully,
D. C. Flynn.

Death.

Mrs. Anna Buzby died Saturday morning at her home in the county on Rosemont cemetery.

Mr. Milton Todd, of Philadelphia, died here a few weeks ago. Mrs. Todd died this morning at the residence of Mr. J. J. Lane. He has been in bad health for some time. His remains will be buried Thursday or Friday at Rosemont cemetery.

People Believe in It.
It has been cynically said that anything can be sold by advertising now-a-days. This is not so. Many liniments have been advertised, but only one—Perry Davis' Painkiller—has stood the test of sixty years' use. To-day its popularity is greater than ever and is based not upon what anybody says but upon what the remedy does. There is but one Painkiller, Perry Davis'.

VARIOUS AND ALL ABOVE.

Mr. Myron Bentzbaugh, of Lexington County, was in the city yesterday. He has purchased Mr. Frank Workman's plantation in Laurens County, for which he paid \$7,000.

The city council did a good piece of work when they built the extension to the side walk leading up to the Southern Railroad platform on Friend street. It only needs a few finishing touches.

Will Spence, a white man, claims that he was held up and robbed of what little money he had on his person near the Southern depot last night just as the passenger train pulled up to the station. He had only about \$1.

The advertisement of O. M. Jamieson today is another instalment of good news to the people of Newberry county. It tells of clothing made of good material, buttons in style and finish at prices that knock out the last excuse for not being well dressed. Jamieson has well earned the sobriquet of the head-to-toe clothier.

TO CALL AT NIGHT ALARM.

"One night my brother baby was taken with 'croup,' wife Mrs. J. C. Shuler of Crittenden, Ky., 99 years old, would strangle him if we could get a doctor, so we gave it Dr. King's New Disease, which gave quiet relief and permanently cured it. We always keep it in the house to protect our children from 'croup' and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Mimnaugh leads the procession, others follow.

A BAD ACCIDENT.

Miss Clara Whitman, Popular Young Lady of the Rich Eden Section, Accidentally Killed by Her Brother-in-Law.

Mrs. Clara Whitman was yesterday morning accidentally shot and killed by her brother-in-law, Ernest Schumacher.

The accident occurred at their home in the Rich Eden section of this county yesterday morning between daylight and noon.

Mr. Schumacher heard something disturbing his slumbers and took his gun and went out to investigate.

On arriving in the yard he could find nothing wrong with the chickens, so he stood his gun up in his buggy and went to feed his cock, and, after feeding, he greased his buggy, and picked the gun up and carried it in the house.

The young lady was just rising to dress when, as Mr. Schumacher entered the door, she slipped, and as she stumbled, the gun discharged, striking the young girl in the right eye, tearing off part of her face and head and killing her instantly.

Mr. Schumacher is overcome with grief over her and the family have the sympathy of the whole community.

Miss Whitman was a most amiable young lady and her friends and countrymen deplored her loss.

Her remains will be buried this afternoon at 2 o'clock at Ebenezer church.
