THE FIRST SERVICE

IN THE NEW CENTRAL METHODIST CHURCH

Rev. Mr. Herbert's Sermon—Excellent Music by a Select Choir & Large Congregation.

The first service in the new Central Methodist church was held Sunday morning. The congregation of this church has been working and struggling for a long time for a new church...

The Methodist church was organized in Newberry about 1833 and the old building which was vacated on last Sunday was built in the same year.

Sunday morning the church was crowded to its seating capacity. The service was held in the new church building which was opened for the first time on Sunday morning.

The services were opened with the singing of the song "How Firm a Foundation" followed by the singing of Hymn 374, "O for a Thousand Tongues to Sing my great Redeemer's praise."

Mr. Herbert led the congregation in an earnest prayer, thanking God for mercies past and that today their prayers had been answered.

Hymn 194, "I love thy kingdom, Lord, the house of thine abode," was sung, and the lesson for the day, the 10th chapter of Nehemiah, was read.

Mr. Herbert took his text from the last clause of the lesson, "We will not forsake the house of our God." He said that on such an occasion as this it seemed to him fitting to review just a little and he appealed to those here this morning, to every member of this church especially to review the past.

The statement of the fact that the old church is closed forever brings especially to those of you who have been here so many years, who have there received so many special favors from the Lord, sighs and sadness. I have no doubt that the love for that place, the love for the God who has blessed so richly in that place, all these come together to make every one, but especially the old, regret in a certain sense the fact that it is now of the past.

It would take a prophet inspired of the spirit of the Lord to look out into the future and see what there shall be of influences for good from this church. We can only this morning unite in one prayer that there shall ever go only good influences, such as shall bless not only Methodism, not only our church, but such as shall bless the cause of Jesus Christ in this community.

I wish to state here what I stated in the old pulpit. I said if this church should be built it would be a monument to the faith of some of the members of this church. It stands here today as a monument to the faith of some of the people of this church.

was to try to get upon the hearts of his people the burden which had been upon his heart for months. As we come into this beautiful temple there must come upon every member a sense of his obligation or her obligation to look after the interests of this temple.

Mr. Herbert said he was paid a thousandfold for what he had done by the privilege of preaching here this morning. Brethren come to this church. Let us take a vow that "we will not forsake the house of God," and may God help us to be faithful to this vow.

The impressive service was concluded by the singing of Hymn 214 and the pronouncing of the benediction.

The building is a beautiful brick structure and is well built, the work being done in excellent workmanlike manner by W. T. Davis & Co. of Newberry.

A Bale of Cotton Stolen from Mr. J. C. Hipp's Front Yard—The Thieves Caught.

Last Thursday night a bale of cotton was stolen from Mr. Jno. C. Hipp's front yard, just beyond the corporate limits of the Southern portion of the city.

Sheriff Buford was put on trail and in a short while he had traced down the guilty parties and located the bale of cotton.

The cotton had been carried to Prosperity early Friday morning and sold to Mr. Wise.

Monday morning Sheriff Buford arrested Chris. Porter, Abram Johnson and Elliott Johnson, all colored, and placed them in jail on a charge of grand larceny.
