**THE SWILTON SCHOOL.**

County Board Dismisses A Petition For Its Removal to Mt. Tabor, Heard Saturday.

Mr. C. A. Epting appeared before the county Board of Education Saturday, presenting a petition signed by about twelve or fifteen persons asking that Swilton school, in the lower part of the county, be removed to the old site at Mt. Tabor Church. The reason for the request, as set forth in the petition, was the desire to vote a special tax for the support of the school which it was impossible to do under present conditions. The petition was dismissed, and the school remains at its present site, near the residence of the Rev. J. A. Sligh.

This matter which has been in the circuit court several times, and in which the Supreme Court of the State has been called upon to render a decision. The matter of the contention is the site upon which the school is located, some of the patrons preferring that it be located at the old site at Mt. Tabor Church, and others preferring the present site near the residence of the Rev. J. A. Sligh.

As the matter now stands, and under the decision of the County Board rendered on Saturday, the school will not be moved. There was a full meeting of the Board.

**COUNTY SUMMER SCHOOL.**

Will Begin on June 22, Continuing One Month—New Courses of Study to be Pursued.

The summer school for the teachers of Newberry County will begin on the 22d of June, continuing for four weeks. The session will be held in Boundary street graded school building.

County Superintendent of Education E. S. Werts has recommended that Prof. S. J. Derrick, of the faculty of Newberry College, and Prof. Barney L. Jones, now superintendent of the Laurens graded schools, be appointed teachers, and the appointment will no doubt be made in accordance with this suggestion. Prof. Derrick, during his connection with the work of the college, has taken an active interest in the meetings of the county teachers' association, and is well known and highly esteemed by the teachers throughout the county. Prof. Jones' work in Laurens has been very highly commended, and by his ability and his good work Prof. Jones has placed himself in the front rank of the school superintendents of the State.

In addition to reviewing the work heretofore had in the summer schools, additional work will be done this year in History, Civics, Nature Study, School Management, and Primary Work. Also as much work in Literature as will encourage the formation of a school library in every school not now possessing one. Special attention will be given to this very important matter.

R. M. Nance has been recommended to teach the colored summer school.

**Flowers for the Dead.**

The day set apart for the decoration of the graves of the Confederate dead was observed in Greenwood. The address by Mr. R. H. Welch, of Newberry, fit the sacred occasion and was well received. Mr. Welch is a young lawyer of promise and is a student of his country's history and a close observer of the political trend of affairs. That the country has not lost what the South fought for is true, though her flag went down and truth and liberty were crushed to earth for a season.—Greenwood News & Views.

**NEWBERRY AT THE REUNION.**

Her Sponsors and Maids in Floral Parade—Oldest Living Veteran—Other Matters.

The following paragraphs, in regard to the part taken by individual representatives of this city in the great Confederate Reunion in Columbia last week, are from the columns of the News and Courier.

**IN THE FLORAL PARADE.**

Following the representatives of Columbia's Camp Maxey Gregg came the handsomely decorated carriage of Governor Heyward. Real cut roses and sweet peas covered the wheels, body and canopy. In the carriage was the sponsor from Camp James D. Nance, of Newberry, Miss Vinnie May Wilson, and her maids, Misses Thyra Schumpert and Ellie Huiet.

Mr Robert Bowe drove Miss Neville Pope, maid of honor to Miss Bessie Gilder, sponsor for Camp J. M. Kinard, Newberry, in a buggy, which was beautiful, simple and artistic. Bunches of lilac wisteria fell gracefully over the back of the seat and over the lap board in clusters, hiding the hubs, while its dainty vines twined the spokes of the wheels. Miss Pope wore a pretty gown of lilac and green and carried a schiffon parasol with bunches of nodding wisteria.

Next came the automobiles of Columbia. The first was a beautiful auto, banked with clusters of red and white roses. Misses Minnie Bollin and Jamie Trenholm and Messrs Pelham Wheeler and Bland Hammond rode in this magnificent vehicle. Miss Evans, of Newberry, Miss Mabel Tarrant, of Newberry and Miss Boineau came next in the automobile of Mr B. M. Wilson. A large photograph of Gen Wade Hampton, surrounded with the colors he loved so well, were seen on this carriage. Mr George Dial and his wife came next in a daintily decorated automobile. Dr. E. M. Whaley, Mrs Whaley, Miss Susie Manning and Miss Ethel Willis occupied the next automobile, which was decorated with pink roses.

Miss Bessie Gilder, sponsor for Jno. M. Kinard Camp, U. S. C. V., of Newberry, with her maids of honor, was in a beautiful float well up in the front of the parade.

**OLDEST LIVING VETERANS.**

Mr. R. H. Edmunds of "The Hub" offered an umbrella to the oldest veteran attending the reunion. It happens that no choice could be made, for there were two who were 91 years of age, James Garned of Richland county and D. W. Livingston of Newberry. Ninety-one years—and served through the war! Men of such hardy constitutions are rare indeed, so Mr. Edmunds gave two umbrellas.

**AT THE BALL.**

At the ball tendered the sponsors by the sons of Veterans on Thursday night, the following Newberrians were present.

Miss Thyra Schumpert with Mr. J. S. McClure.

Miss Ellie Blanche Huiet with Dr. W. F. Eberhardt.

Miss Vinnie Mae Wilson, with Mr. J. E. H. Domituck.

Miss Bessie Gilder with Mr. Cullum.

Miss Lizzie Glenn with Dr. DeVoie.

Miss Neville Pope with Dr. T. T. Moore.

**Methodist Service.**

A protracted meeting is in progress at the Central Methodist Church this week. Rev. Watson B. Duncan, of Laurens, who it was announced would be present to assist the pastor has written that he will be unable to be here, and the pastor, Rev. Mr. Zimmerman, will conduct the services himself. The hours for service each day will be 4.30 and 8.30 p. m.

**"Rooster" Caught.**

Jno. Suber better known as "Rooster" and the negro who escaped on the train several weeks ago while being taken to the chaingang by Mr. Mike Counts, was captured in Columbia last week, and was brought back by policeman Koon. He has been sent to the gang and will serve an extra thirty days.

**A Home Company.**

The following is taken from the Columbia special to The News and Courier, and as will be seen elsewhere in these columns, the books of subscriptions to the capital stock will be open on the 21st inst:

The Home Loan Trust Company, of Newberry, capital not less than 10,000; no more than 500,000. George S. Mower, F. N. Martin, J. A. Burton, W. G. Houseal, J. E. Norwood, J. A. Blackwelder, B. C. Matthews, Van Smith, E. H. Aull, F. L. Bynum are incorporators.

**The Mayor's Court.**

The Mayor had only one offender before him yesterday morning. Randolph Williams, colored, who only a few days ago finished a thirty days sentence on the gang. Yesterday morning he was up on four charges. Three cases of petty larceny and one of carrying a pistol concealed and of illegal size. He plead guilty of two of the charges and was convicted on the other two. The sentence in each case was \$10 or thirty days on the chain gang. He will serve the days.

### To The Man Who Wants To DRESS ECONOMICALLY.

Buying the best is the essence of true economy. Good clothing is cheaper than poor clothing--no matter what the respective prices may be.

We sell the best clothing that can be made (see note below), and the prices are not high--an excellent suit for either business or dress wear can be bought for the modest sum of \$10.00, and it will outwear any two suits that ordinary stores sell for about the same money--and it will retain its shape and long after the average garment will be a mere bundle of wrinkles and bagginess.

Note--When a man buys a suit from us he gets the "Best-Clothing-in-the-World," made by the famous Schloss Bros. & Co. of Baltimore. All their garment bear this label:
