

Ain't It So
Every man is optimistic enough to believe that he could be a lot worse than he is.
It is mighty hard to get sore at the gabby man who is always bragging about his kids.
What has become of the old-fashioned girl who used to get a silver thimble as a birthday present?

The smokers on your list will make a beeline for your gift first—the minute they see it's a gay Christmas cartoon of Camel cigarettes or a pound of Prince Albert Smoking Tobacco. These two popular products get a rousing welcome every time. Mild, full-flavored Camels are sure to please cigarette smokers, and pipe lovers have made Prince Albert America's largest selling smoking tobacco. And you'll like those smart, colorful Christmas wrappings. Particularly when you spot that handy "built-in" card for your personal greetings. Camels and Prince Albert are so easy to order. Your local dealer is well supplied right now.

"Have been eating **KELOGG'S ALL-BRAN** 3 years and it's wonderful! Now I don't ever need a laxative, feel so much better. I've told plenty of others too!"
Mrs. Jerry Russell, Route 8, Maryville, Tenn. Many other grateful ALL-BRAN users write the same. Kidneys Must Work Well—

For You To Feel Well
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.
If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.
Burning, stinging or too frequent urination sometimes warns that something is wrong. You may suffer sagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.
Why not try **Doan's Pills**? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

"Checked" Enamel
QUESTION: Is there any way to smooth the enamel on our woodwork without completely removing it? It has several coats of various colors of enamel and varnish on it. There are fine cracks or checks in some of the enamel. Could we rub it with turpentine or something, then sand it before repainting? If we have to remove all the old paint, how should we do that? Use a paint and varnish remover? We want to repaint our woodwork, but those checks show through so that it doesn't look nice.

ANSWER: You have the right idea, but in reverse—that is, you should use the sandpaper first, and then clean off with turpentine before repainting. If you were going to varnish, you would have to take off all the old finish, but as long as you are going to use paint again, I do not believe it will be necessary to take off all the paint, which would be quite a job. But the cracks and checks should be sanded out smoothly so that they will not show through the new finish.
