Solomon S. Hoge recently called the great German statesman and orator, Hon. Carl Schurz, [when he was afar off] "a red whiskered Dutch puppy."

How natural is the aversion of Hog[es] to dogs! This suggests to us that if we could get some of these good watch dogs of liberty like Carl Schurz to come over into South Carolina, we might drive out a few Radical Hog[es].

SAMUEL DIBBLE, WESLEY W. COLLER, HARPER RIGGS, LAWRENCE R. BECKWITH, JAMES D. TREZEVANT, Executive Committee.

THEY ARE WARRANTED ENTIRELY VEGETABLE.

They contain no arsenic or poisonous ingredients of any kind—nothing in the least degree injurious to the system under any circumstances—and may be administered with perfect safety to an infant. They never fail to cure the most obstinate case when taken as directed. They cure immediately. In no case will the patient have more than one chill after the first dose, and in the majority of cases not even that. They accomplish the work by destroying the cause of disease, which no other remedy pretends to do. They are an effectual preventive, neutralizing the malarious poison in the system, and thus averting its consequences. They are warranted in every instance. If they do not cure the money will be refunded. For sale all over the South. DOWIE, MOISE & DAVIS, Proprietors, Charleston, S. C. July 17, 1872

DR. R. B. HEWITT, 34 WENTWORTH STREET. CHARLESTON, S. C.

Can be consulted on the following diseases, and diseases of a kindred nature, free of charge and in strict confidence. Charges moderate, and within the reach of all. Office hours from 9 a. m. to 7 p. m. RHEUMATISM and NEURALGIA.

In all arthritic complaints, as rheumatism, gout, neuralgia, etc., this practice is almost perfect. The most intense pains are almost instantly relieved—enormous swellings are reduced—limbs which have been contracted and stiff for years are relaxed. Cases of twenty, thirty and forty years' standing have been cured by me, after all other means have failed. A great accomplishment in any triumph over pain, by which I can often, in a few moments, soothe and carry off the most excruciating sufferings. If this system did nothing more than to relieve pain, it would stand superior to any other system extant.

CATARRH. Stopped-up Head, Running of the Nose, constant hawking and spitting, constant Blowing of the Nose.

Thousands suffer from that most annoying disagreeable complaint—Catarrh, without knowing what it is. Often the secreted mucous flowing down the throat clogs up the lungs and lays the foundation for consumption. The most skillful physicians fail to cure it. I cure any case of obstruction—stopped up head—discharges of greenish, thick, thin or bluish mucous from the nose, internal or external—pain or fulness between the eyes—constant blowing of the nose—inflammation of the nasal passages—infestation of Schneiderian membrane, etc., in the course of a few days.

DEAFNESS. Nervous Deafness, Noises in the Head, Otorrhea—Otitis (discharge from Ear), Paralysis of Auditory Nerve. I am daily treating all affections of the ear with the most gratifying results. Some who had paid aurists nearly \$1,000 without benefit, have been cured by me in a few weeks at moderate expense.

MERCURIAL DISEASES. Mercury, injudiciously used, has filled the earth with wrecks of humanity. Thousands suffer from its effects who have been unconsciously drugged by their physician. It is vain to attempt the cure of the majority of diseases while it remains in the body. Although I have heard of several so-called antidotes for mercury in the human body, I have never yet seen a physician who could eliminate it from the system. I can satisfy any patient or physician that I can absolutely extract mercury, lead, zinc, and other mineral poisons, in every case.

CANCERS. Noli-ma-Tangere, Lupine, or Wolf Cancer. Scirrhous Cancer—Fungous Cancer, Rose Cancer—Spider Cancer. I make a great specialty in the treatment of every description of cancer and tumors.

How many cancers and tumors are wrongfully treated by certain Charlatans styling themselves "Cancer Doctors." After being pronounced incurable, I will take any one of these cases in hand, and make a permanent cure. My terms for treating cancers, etc., will be based on the age and condition of the patient, and the positive certainty of cure.
